**PRESIDENT'S REPORT:** Roy Mullis, [roym788@comporium.net](mailto:roym788@comporium.net), 803-360-1490  
Roy Mullis reported.

The month of December and even the first week of January were disappointing as far as range violations are concerned. The biggest problem was members shooting rifles at the plate machine. The rack has already sustained damage to the bullet shield. Excuses ranged from "I didn't know" to "the rule about rifles is up to interpretation". Both of these answers are wrong. First you should know because you went through the same orientation as everyone else. Also, the signs in the bay are plain and very visible. Second, no range rule is up to interpretation. The rules are the rules. Period!

I have placed a notice on the table in the bay which says: Notice, HANDGUNS ONLY, no rifles of any kind, no pistol caliber carbines of any kind, no AR or AK type pistols, no firearms with any kind of a stock or arm brace, no shotguns of any kind.

These firearm types are not even allowed in the bay, these must remain in your vehicle while using the bay. Violation of this rule is a tier two violation and will result in a 6 months suspension or dismissal.

I have been lenient with the violators, trying to educate them but now with damage to the rack it has reached a point to where more severe consequences are necessary. I am not going to let a few members who think they are above the rule destroy another plate rack.

Other violations ranged from shooting in front of the 15 yd. line, to targets placed about 25 yds. Out on the Hathcock range, to crossing over the railroad ties in the Silhouette bay to shoot and placing targets away from the berms in the same bay.

**METALLIC RIFLE SILHOUETTE:** Mical Bowling [mical@blackwolfconsulting.com](mailto:mical@blackwolfconsulting.com) (803-546-4742)

Roy Mullis reported.

The monthly smallbore rifle silhouette match was held at noon on Saturday the 16th of December. The sky was clear with little wind but the temperatures were frosty during set up. Temperatures although still quite cool had moderated by the time of the hunter match.

Although not as many showed as in the November match, we still had enough for two relays. It was a nice turn out with several new shooters. Rob Zimmerman managed to tie Mical for the win in the standard match but Mical won in a one shot shootoff so Rob took first AA. Mical won the hunter match.

The next smallbore silhouette match will be on Saturday the 20<sup>th</sup> of January. We will continue to use the 2017 scorebooks until the 2018 books arrive. If the 2018 scorebooks are in we will waive the range fee for anyone purchasing a new score book.

On the third Saturday of each month, the smallbore rifle silhouette match begins promptly at noon. Set up starts around 10 with sight in and practice after set up is complete. The smallbore hunting rifle match usually begins at 1:30 after a short lunch break.

Next match is January 21<sup>st</sup>. Registration begins at 8:30, Shooters Meeting at 9:30, shoot shortly after – we would love to have you come out and see what Cowboy Action is all about!

A Cowboy Action Match is a four-gun game: 2 single action revolvers; a lever action, pistol caliber rifle; and a Winchester 97 pump, Winchester 87 lever action shotgun, or any Double Barrel Shotgun 12 gauge or 20 gauge. If you do not have everything you need, you can still come on out. **NATIONAL CONGRESS OF OLD WEST SHOOTISTS (NCOWS):** Henry Schlein, [henryschlein@yahoo.com](mailto:henryschlein@yahoo.com), 843-821-9999 – **Saluda Saddle Tramps is the South Carolina posse of NCOWS.**

Henry Schlein reported.

The National Congress of Old West Shooters (NCOWS) held its year-end match on Saturday, December 30, 2017, the day before New Year's Eve. This match involved numerous knockdown targets; something a little different than the steel, silhouette targets normally used. If a target was hit, but did not fall down, you had to keep shooting and reload as needed, until the target fell. In yet another interesting twist, shooters had to reload their rifles and pistols on the clock. Shooters came from as far away as Texas to participate. Our youngest shooter was 8 years old, under the guidance of his father and grandfather. We are a very family oriented group. Although the weather was a little chilly, it was a nice day for shooting

and this time, our coffee pot perked a perfect score – it was fully unloaded and on empty by the end of the match. I would like to thank the hard-working volunteer special deputies who came out the day before the match, to help with setup: Manassas, Tascosa Joe, and Phil and Steel Henry.

Hereafter, our matches will be held the second Sunday of each month, beginning with the February 11, 2018 match, except for November and unless otherwise specified. Match fee is \$15.00 (\$8.00 for first match, no charge for age 12 and under). If anyone is interested in NCOWS, or in shooting one of our matches, please contact Henry Schlein (aka, “Sgt. Rick Henry”) at 843-821-9999 or e-mail [henryschlein@yahoo.com](mailto:henryschlein@yahoo.com). Please come and check us out; or better yet, join in the fun. No need to be shy, we are a very friendly and family oriented group.

NCOWS uses rules similar to SASS Cowboy matches, with greater attention to historical accuracy concerning our weapons and clothing regarding period-correct detail. We shoot in 2, 3 and 4-gun classes. Generally, any pre-1900 pistol, rifle in pistol caliber, and/or shotgun may be used. These can be originals in serviceable condition or reproductions. Additionally, we shoot smokeless and black powder. New participants are given generous allowances, since we realize it takes a long time to acquire needed clothing and accoutrements. Gun carts are optional, rifle racks are provided. There is no overall winner in NCOWS matches; each class is judged independently.
