MCRC GENERAL INFORMATION
P.O. BOX 2528, COLUMBIA, S.C. 29202-2528

Thank you for your interest in our club. We are happy to have safe, responsible shooters join us. The range is open to visitors on MATCH days. Visitors are welcome, however they may only shoot if they are participating in a scheduled match, or are accompanied by a club member. Here is the membership requirement checklist.

1. Fill out the membership application and bring it to a club meeting. The club meets the second MONDAY of each month at 7:30pm. We call for new members at the end of the meeting. After the meeting is over, take your application to the Vice-President for processing. If you are unable to come to a meeting, you may either have a current club member bring your completed application and proof of your membership in a gun rights group to the meeting and have them speak for you, or you may interview with an officer, and have them speak for you.

2. Membership in a gun rights organization like GrassRoots SC, NRA, GOA, JPFO, or SAF is a requirement for membership in MCRC. **You must provide proof of your membership (membership card or the mailing label from a recent publication), which must be verified by an officer in the club when you join.** If you are not a member of one of these organizations, you must join at the meeting. Membership in one of these organizations may be paid at the same time as MCRC dues. If you elect to apply on your own, you will be accepted PROVISIONALLY for membership, and you must provide proof of membership to the VP within 90 days. Your access to the range may be denied if you do not provide this proof.

3. Read the RANGE RULES. We are serious about safety! **A violation of ANY of the rules may get you dismissed from the club!** The rules are at the end of the application and range briefing sheet. You **MUST** attend the Range Safety Briefing which will be announced at the meeting when you join. **Please bring the briefing sheet, a copy of the rules, and eye & ear protection with you to the range briefing. IF YOU DO NOT BRING THESE YOU WILL BE SENT HOME.**

4. Pay Dues of \$175 per year. **Credits (including workdays) may only be applied to dues and are not refundable.**

Juniors \$50 and Associate membership dues are \$100 per year. Associate members must live over 75 miles from the range. They may use the range once they receive a range safety briefing.

5. It is **REQUIRED that you be briefed on range safety AT THE RANGE.** When you pay your dues, keep a copy of the rules. This copy is to be signed by the officer that gives you the safety briefing as a receipt. Make sure that the range briefing sheet is returned to the club Vice-President when it is completed. This may be done through the officer that briefs you. BUT, it is YOUR responsibility to check with the Vice-President to verify that your briefing sheet has been received and your membership status has been changed. There will be at least one briefing done each month at a time that will be announced during the monthly meeting. If you are unable to make it at the designated time, contact one of the Range Briefers (listed below) to arrange a time. These people are volunteers; briefings are strictly at THEIR convenience.

6. When you complete the regularly scheduled range safety briefing, you will be given a packet containing your gate access card, membership card, and instructions for using the gate. If you do an individual range briefing the person who did the briefing must notify the MCRC Vice-President that the briefing has been done and get the briefing sheet to the VP. Once the VP gets the completed range briefing sheet your membership packet will be sent to you.

When you turn in your application, PLEASE KEEP THE LAST THREE (9) PAGES FOR FUTURE REFERENCE. You have a list of all the current officers, match directors, and important phone numbers. You have a map to the range and directions. You have a copy of the MCRC Range rules. You have the schedule of organized matches which affects when and where you can or cannot shoot.

DUES: You are responsible for getting your dues in on time. There will be reminders in the newsletters, and a renewal notice will be emailed to you. Subtract any credit amount from the amount you wish to pay (Regular membership: \$175 per year, Associate membership: \$100 per year, Junior Membership \$50 per year). Payments may be made by mail to P.O. Box 2528, Columbia, SC 29202. Checks may be made out to Mid-Carolina Rifle Club, or MCRC. If you have any questions regarding dues payment or your membership, please contact the Vice-President. **When you send in your dues, you need to send in a copy of your current membership card showing the expiration date for your membership in: GrassRoots SC, NRA, GOA, JPFO, or SAF.**

NEWSLETTERS: The minutes of the meetings will be posted on a secure site on the internet prior to the next scheduled meeting. You will receive a notice by e-mail when they have been posted and how to access them. Contact the secretary if you don't get the newsletter.

WORKDAYS: On the 5th Saturday of months that have a 5th Saturday, a workday is scheduled on the range. (AS NEEDED) The range will be CLOSED to shooting until the work is done. Members are encouraged to show up for a few hours and help with clean up and maintenance of our range. If you want to work, but can't make a workday, please contact the chief range officer for an assignment. A \$50 credit toward your next annual dues will be given for each workday of a full 4 hours. Make sure you sign the attendance sheet so you will get the credit.

MATCHES: There are currently twelve (12) regularly scheduled matches held each month. The range is open to any VISITORS or POTENTIAL MEMBERS on these days during match times. Remember that everyone must have EAR and EYE protection. Members' use of the range on match days is restricted to what the designated match director will allow. Some disciplines use several bays, while others only use one. Please contact the individual match director if you are interested in shooting in the match, or would like to know which bays you can use during the match:

Cowboy Action Shooting (Palmetto Posse) - First (1st) Saturday – Jeff Cooper Bays
Cowboy Action Shooting (Savanah River Rangers) – Third (3rd) Sunday – Jeff Cooper Bays
NRA Light Rifle – First (1st) Sunday – Hathcock Rifle Range

Black Powder - Fourth (4th) Saturday – varies
International Defensive Pistol (IDPA)- Fourth (4th) Saturday – Jeff Cooper Bays
22 Rimfire Benchrest – Fourth (4th) Sunday –Rimfire Bay

WHAT TO SHOOT: Read Range Rules. There is cardboard in the shed between the General Purpose and Plinking Bays. Bring 1” x 2” wooden sticks, targets, target stands and a staple gun and you are good to go. On the 100-yard rifle range, there are PVC pipes set in the ground. Put sticks in the pipes, staple your target to the sticks, and you are ready to shoot. You are welcome to use these, but please do not move them. **DO NOT USE STANDS, TARGETS, METAL TARGETS, OR PROPS THAT ARE STORED IN LOCKED AREAS. DO NOT STAPLE TARGETS TO ANY PROPS IN THE JEFF COOPER PISTOL BAYS.** These items are the property of the various organized match disciplines, and are NOT to be used as target stands.

Clean up after yourself. There are 55-gallon drums to serve as trashcans on most of the bays. All trash must go in these, or better yet, in the dumpster. Please **DO NOT** place 'live' rounds in the trashcans or dumpster. If a trashcan is full, empty it into the dumpster. We do not have a full-time groundskeeper. Keeping the range clean is **EVERYBODY'S** job.

If you see anyone violating a range rule, you **MUST** (range rule #23) notify them and report their **NAME** or **AUTO TAG NUMBER** to a club officer. If you don't, **YOU** are in violation of the range rules! People who abuse the range, range equipment, or violate safety rules may have their membership privileges terminated.

GENERAL RANGE RULES**SHOOTING:**

1.1 Berms: All bullets not stopped by a target **must** safely impact **the center** of the berm. Bullets must not impact the base of the berm, near the base of the berm, or clip the top of the berm. Do not shoot in such a manner that will ricochet off your target or what is behind your target. **BULLETS MUST NOT HIT THE FLAT GROUND.**

1.2. Bullet: A bullet is any projectile larger than 7.5 shot. Projectiles used in cartridges such as Magsafe and Glasser where the shot is encapsulated and does not fracture until it hits an object are considered bullets.

1.3 No tracer ammunition. No **metallic cartridges** larger in diameter (caliber) and case capacity than the .50 BMG may be used except with the approval of the Executive Committee. Muzzle loading firearms do not use metallic cases and are not subject to the diameter rule. **BULLETS MUST NOT HIT THE FLAT GROUND.**

1.4 Side Berms: Side berms may be shot into only in the PLINKING and COOPER BAYS.

1.5 Targets: a. you may shoot at paper, cardboard, fruit, vegetable, or clay targets on most ranges. The rimfire bay allows paper, clay pigeons and steel plinking type targets. The 2700 bay is for paper only.

b. Metal or plastic cans/bottles of 1 gallon size or smaller and wooden blocks of 4" on a side may be used in the PLINKING and COOPER BAYS ONLY. Place these on the berm or on an appropriate stand that allows the bullet to safely impact **the center** of the berm.

c. Steel pistol type targets such as those used for IDPA, USPSA, SASS, and STEEL CHALLENGE disciplines, such as round discs, square plates, or silhouettes mounted on an elevated post must be positioned no more than 3 yards from a berm. Various approved plinking type steel targets are to be placed on the berm. All steel targets must be INDIVIDUALLY pre-approved by the CRO and be properly marked. Steel targets **must** be shot from at least 12 yards away. In no case will any target be placed in a manner where the bullet will not impact the berm. **NO EXPLODING TARGETS PERMITTED.** No glass or ceramics such as wall/floor tiles

1.6 Target stands: Members must supply an approved stands or use designated frames in the 2700 bay. Stands must be removed when the member leaves. Remember, if you do not bring an approved type target stand you are not prepared to shoot. Barrels are not to be used as target stands.

TARGET PLACEMENT: Target stands must be placed in such a manner that it allows a bullet to pass through and impact the berm at a height (center of the berm) that will prevent any possibility of projectiles impacting the flat ground.

1.7 Aerial Targets: Clay pigeons can only be shot in the HATHCOCK and GENERAL PURPOSE bays. Targets must be thrown straight down range and not in the direction of the side berms. Shot size is restricted to 7.5 or smaller.

1.8 Full Auto Fire: Full auto fire is allowed (hand held) in the GENERAL PURPOSE and PLINKING bays. Auto Fire from a bipod or tripod is allowed on the HATHCOCK RIFLE RANGE. Bump fire and other rapid fire attachments are considered full auto for the purpose of approved locations for use. **BULLETS MUST NOT HIT THE FLAT GROUND.**

SAFETY and SECURITY**2.1 Firearm safety**

Observe 5 basic rules of safety:

1. Treat all guns as if they are loaded
2. Never point a gun at anything you would not want destroyed
3. Keep your finger off the trigger until your sights are on the target
4. Be sure of your target and what's behind it
5. Be aware (security conscious) of your surroundings and who is there

2.2 EYE AND EAR PROTECTION MUST BE WORN BY SHOOTERS AND SPECTATORS ON ALL RANGES.

2.3 NO ONE MAY SHOOT WHEN IMPAIRED BY ALCOHOL OR MEDICINES TO ANY EXTENT. Alcoholic beverages may not be consumed by anyone before or while participating in any shooting activity.

2.4 Down Range: No one may be down range of the FIRING LINE when any firing is in progress. Down Range Safety System **WILL** be used at all times. Any one calling cease fire for the purpose of checking targets or any other reason will switch the system to RED STROBE (no firing) until everyone is safely back behind the firing line. Only then can the person initiating the cease fire can allow firing to resume by changing the light back to GREEN (hot range). **NO ONE WILL TOUCH ANY WEAPON IN ANY MANNER WHILE THE RED STROBE IS FLASHING. THIS INCLUDES THE ACTION OF REMOVING OR BRINGING ANY FIREARM TO OR FROM THE FIRING LINE.** All guns must be unloaded and cleared while the RED light is on.

2.5 Cease fire: Anyone observing anyone down range or any other safety problem when firing is occurring must IMMEDIATELY shout "CEASE FIRE, CEASE FIRE". Everyone MUST stop firing and make their guns safe whenever they hear the command, "CEASE FIRE".

GENERAL INFORMATION:

3.1 Identity: While on the range, all members must possess a valid MCRC card and present it to any other member upon demand. Members must display their membership cards in an easily visible location while on the range. At any time you may be asked to confirm your identity with a current photo identification by any member of the Executive Committee. If any person does not comply with a request to identify themselves for any reason, please report this immediately to the club president, including the vehicle tag number of the person for further investigation.

3.2 Membership: MCRC membership includes all adults living in one household. Only members who have received the RANGE SAFETY BRIEFING may receive and use a gate access card and bring and supervise guests.

3.3 Range Use: The range is for the use of members and their guests. Visitors are allowed to participate in scheduled matches and special events. The range is open 365 days a year.

3.4 Guests: Members may bring a maximum of 4 guests at any time. More may be brought with the permission of the Executive Committee. Members are responsible for and MUST DIRECTLY supervise the use of the range by their guests.

3.5 Golden Rule: Be courteous and considerate of others while using the range.

3.6 Shooting Times: Shooting is allowed from 9 am to 1 hour after legal SUNSET or 9 pm whichever is earlier. Shooting by artificial lights is not allowed. No shooting may occur before or after these times without permission of the Executive Committee.

3.7 Club Equipment: Club equipment such as barricades and props may be used only with the permission of the Match Directors. Other materials on the range is club equipment and must not be used. Use of cardboard and sticks in the shed is encouraged.

3.8 Vehicles: No vehicles are allowed on any range except as specified or directed by a range officer or match director. Vehicles are allowed to drive to the HATHCOCK 200 yard target area. You may drive into the PLINKING BAY, the PLATE BAY, and the COOPER PISTOL BAYS. Speed limit is 15 MPH everywhere on the range.

3.9 Litter: Clean up your area. Remove all targets and stands you set up. Place all trash in receptacles in the bay or in the large dumpster in the parking lot. If you brought it with you, clean it up. If it was there when you got there, clean it up. Note: .22 rimfire cases do not need to be picked up but must be swept off the concrete pads.

3.10 Gate: Instructions for the gate **must** be strictly followed. Do not let other members in or out. Members MUST use their own card or code to access the range. On days when the gate is locked open (for matches or other reasons) it is strongly recommended that members use the key pad to log in. Failure to follow gate rules will result in an access violation and you may be locked in or out of the range. Guests will follow the member through the gate entering or leaving. Notify an officer IMMEDIATELY if you find the gate open on an empty range. Do not tamper with or try to force open the gate. You are responsible for any damage you cause.

The gate does not register you in until 8:30 am. If you arrive before that time to assist with setup and plan to stay after the match, at some point after 8:30 you must log in.

3.11 Training classes: Any member using MCRC facilities for formal firearms training (not informally for friends or family) MUST obtain clearance from the club President at least 10 days Prior to conducting such classes. Members must provide their own targets and frames

3.12 Juniors: All children (under the age of 18) must have a permission slip from their parents while shooting at the range.

3.13 Specific rules: Specific range rules for different bays may be adopted or changed by the Executive Committee. Such SPECIFIC RANGE RULES will be published in the Club newsletter, posted on the web site, posted at the club entrance, and on the applicable bay. These rules will have the same force and effect as these GENERAL RANGE RULES. SPECIFIC RULES TAKE PRECEDENCE OVER THESE GENERAL RANGE RULES.

3.14 Violations: (Reporting) Any member observing a violation of any RANGE RULE must: Kindly notify the offender of the violation and report the a club officer Including any vehicle tag number, name, or member identification number of offender to a club officer

3.15 Violations: (Penalties) Violation of any range rule may subject the offender to immediate dismissal with no refund of dues paid or credits earned or suspension from the club at the discretion of the club President.

Any violation of a range rule will cause the offender to be sent home from the range for the day by a member of the Executive Committee. Further violations will result in the disciplinary actions stated above.

Any penalty decision of the President may be appealed by any member of the Executive Committee to the DISCIPLINARY COMMITTEE. The Executive Committee is made up of all club officers, match directors, and liaisons. All disciplinary actions will be handled in accordance with the club bylaws.

QUALIFICATION BAY SPECIFIC RULES

1. The primary purpose of the qualification bay is the instruction of groups and CWP qualification.
2. Use of the qualification bay is by reservation only.
3. Reservations to use the bay for formal instruction and/or CWP qualification may be made only by firearms instructors who have the current, applicable certification and are current members of MCRC. Instructors must submit copies of current, applicable certification documents and proof of insurance as required by the club to the club president and keep the documentation updated with the president. The bay may be reserved by any member for informal instruction or other use; however, such reservations may be canceled by the club president in preference to formal instruction or CWP qualification.
4. All instructors who instruct in the bay must be current MCRC members.
5. Reservations may be made for any of these sessions: 9:00 a.m. to 11:00 a.m., 11:00 a.m. to 1:00 p.m., 1:00 p.m. to 3:00 p.m., or 3:00 p.m. to 5:00 p.m. When Daylight Savings Time is in effect **AND OFFICIAL SUNSET IS LATER THAN 6:15 P.M.**, an additional session of 5:00 p.m. to 7:00 p.m. will be available. **ON OCCASION**, when Daylight Savings Time is in effect, a session of 7:00 p.m. to closing may be available. This will be determined by the club president at the time the reservation is requested. Consecutive sessions may be reserved for larger classes or classes requiring more time as needed.
6. Reservations will be made through the club president. Reservations will be accepted on a first-come basis. Reservations may be made no more than 90 in advance unless approved by the club at a club business meeting. Reservations should be canceled as soon as possible when the person who made the reservation learns that the bay will not be needed. Those who reserve the bay should make every effort to avoid reserving the bay for a session and then canceling or not using the bay for its reserved purpose. Those who repeatedly reserve the bay and then cancel or do not use the bay may have their reservation privileges suspended by the club president.
7. The bay may be reserved for special events as approved by the club at a club business meeting.
8. Persons reserving the bay are encouraged to cooperate and work together as much as possible.
9. If students are charged for the qualification, then the member must pay a fee of \$5 per student/shooter per session. However, this fee is waived if the range is used for the CWP shooting test.
