- Please obey the 15mph speed limit when driving on the range. Keep the dust down.

- The mule is down until further notice.

HIGH POWER RIFLE: Clay MARSHALL marshallc@bellsouth.net (803-422-7072) or Chuck McMENAMY cmcmenary@sc.rr.com (Cell: 803-467-8272 and Home 803-708-4306).
Linda Chico reported.

Four souls braved the heat on the rifle range today to shoot high power with Sam Jones winning the match with a very good score of 426 4X. We had three beginning shooters with Miles Huggins taking second with a score of 381 3x. Thanks for all the help setting up and putting the targets and stuff away.

High power Rifle, matches are conducted at MCRC on the second Sunday of each month. The match is held on the Hathcock range, with targets at 200 yards and starts at 0900 and usually ends around 1200.

The course of fire is ten (10) rounds slow fire standing, ten (10) rounds rapid fire sitting with one reload required, ten(10) rounds rapid fire prone with reload and twenty (20) rounds slow fire from the prone position, for a total of 50 rounds for score. There is a 5 minute preparation period before each course of fire and sighter shots maybe made.

High power rifle is a good opportunity to learn rifle marksmanship and position shooting while getting instruction from master level competitors. All you need to bring to the match is a rifle, about sixty (60) rounds of ammunition and have a fun time. The primary rifle for the match is the AR family of rifle, while many other rifles are used such as the M1A, Garand, 1903s, bolt rifles that can be reloaded quickly, or other magazine fed rifles. High power is also a very good opportunity for NEW AR owners to learn about their rifle, care, maintenance, use, as certified instructors are at the match and competitors who have shooting the AR for as long as the AR has been around.

So, come on out and see what all the noise is about.

BUFFALO RIFLE MATCH: Wayne ROBINSON jwrr@windstream.net (803-359-0058)

Linda Chico reported:

Our third match of the year started with a beautiful spring morning clear skies & cool temps. Eight shooters entered all the events. Two from Aiken, Scott and Quigley.

Sitting Supported was won by Dave Messmer with a score of 15/15 after winning the shoot off against Jethro Currie and Lyn Denny.

Standing Supported was won by Ken Parks with a 15/15 after winning the shoot off against Jethro and Rick Brewer.

Standing (off hand) was won again by Ken with a score of 13/15 after again winning a shoot off against Jethro.

Grand Aggregate went to Jethro with a score of 43/45. This made up for his losing all the shoot offs. This month's King Target was quite nice and provided by Dave Graley for winning it in March. The King Target match was won by Jethro who now will supply his version of a King target for our next match.

Thanks to all shooters for the help staging the targets and for putting target hardware away the match.

The 2016 match schedule will be run every other month on the 2nd Saturday starting in January.

No recipients for Buffalo Chips this month as no one used black powder. Match director got to eat all the chocolate oats.

See y'all at the next match, July 9th, 2016.

Participants must use period type rifles and sights of 1895 and earlier. Period dress is welcome. Cast lead bullets only. No gas checks allowed. There will be 3 categories: Standing, Standing Supported and Sitting Supported. Entry fees is \$5.00 for each category or \$10.00 for all three. All targets will be engaged at 200 and 100 yards, with five shots on each of three targets. Winner of each category will be the best of 15 shots. Grand Aggregate will be awarded also. Participants may have unlimited sighter shots during a relay on the sighter gong. Current info, scores and pictures can be found on the MCRC web site.

Dave Graley reported:

The next match is on August 28, 2016. Please stop by and check us out. Details on NCOWS are in the newsletter.

Check out NCOWS at www.ncows.org.

If anyone has an interest, please contact Dave GRALEY, aka Okefinokee Outlaw, at 803-419-2772 or dlgraley@aol.com.

NCOWS uses rules similar to SASS Cowboy matches, but the requirements for weapons and clothing require greater accuracy and attention to period-correct details. There are 2, 3, and 4 gun classes, so anyone with a pre-1900 pistol and lever action rifle, or pistol and shotgun, can participate. The guns can be originals or reproductions, smokeless or black powder. New participants can come as they are, since we realize it takes a long time to acquire the needed clothing and accouterments. Gun carts are optional. There is no overall winner in NCOWS; each class is judged independently. There are 12 available classes including 2, 3, and 4 gun classes.

USPSA-IPSC PISTOL: Donnie BRYSON wdbryson2@windstream.net (803-794-4506)

Linda Chico reported:

We have not had a match since the last meeting. USPSA did not have a match in April – due to a c We have had two matches since the last meeting. There were 70 shooters at our match in May. Wilbert Spruell from Charleston was the top Open division shooter and Douglas Wilton from Charleston was the high Limited division shooter. Stan Johnson from Graniteville was the only Limited 10 division shooter. MCRC member Bob Bailey topped Production division. Robby Hewitt was the top competitor in Single Stack division. Michael Wingard was the only shooter in Revolver division.

Our June match was this past Saturday with 74 shooters competing. We had our first taste of summer weather, with a high temperature of 92 degrees, but it felt like over 100 in the Cooper bays.

Scott Thompson from MCRC was the top Open division shooter and Dewey Hutson from Augusta was the Limited division winner. Stan Johnson from Graniteville was the only Limited 10 division shooter. Junior shooter Wallace Parker from the Charleston area was the high Production division shooter. In Single Stack division, Mark Sullivan from Augusta was the top competitor. Larry Huey was the only shooter in Revolver division, and Linda Dische was the only competitor in Carry Optics division.

Our next match will be July 9, 2016 and we have started “summer hours” with registration at 8:30 am & shooting starting at 9:00am.

The usual USPSA - IPSC matches are held the second Saturday of each month. We are using online registration which starts the Monday prior to the match. Contact Linda Chico at LChico@sc.rr.com to add your name to the notification list. Sign in at the range starts at 8:30 am. Juniors are free. New shooters are half price (\$8). Set-up for the match is on the preceding day on Friday afternoon. If you are interested in coming out and trying a shooting sport that involves running and gunning, you can start with very nearly any centerfire pistol if you have enough magazines for it.

We are pleading for help in match setup. We need a new Assistant Match Director for USPSA. Donnie has been doing this for twenty years, and is getting a bit tired. We need help.

2700 PISTOL: Mike CARR afvet53@netzero.net (803-408-0024)

Mike Carr reported:

We had another full house 12 shooters on May 21th. The match was equally spaced between 3 categories which makes for some close scores and good competition. Our top shooter was Larry McCorkle with a 2407-31x. Top master was Dave Salyer 2276-28x. High Expert was Rick Robison 2391-48x second Randy Earnest 2338-40x. First Sharpshooter was John Patton 2361-43x second Archer Gravely 2303-27x next Isaac McCaskill 2295-23x and Steve Berman 2298-39x. First Marksman was Chance Smith 2156-11x, second was Adam Wysocki 1937-11x next Brett Taylor 1730-8x and Kevin Burns who had gun problems 1453-10x. Next match June 18th.

We shoot at 25 and 50 yards, one handed, and accuracy is the main thing that is stressed – speed will come along. We shoot .22 caliber, center fire (.32 caliber or larger), and .45 caliber so you would need about 100 rounds of each caliber. 2700 Pistol matches, an NRA approved aggregate pistol match, are held the third Saturday of each month from February through November, with registration starting at 8:30 AM, and shooting starting at 9:00 AM. The match fee for a regular match is \$25. You do not have to shoot all 3 parts (.22LR, centerfire, and .45) of the 2700 course in order to compete with the group (\$10 fee for each part).

METALLIC SILHOUETTE - RIFLE: Mical BOWLING mical@blackwolfconsulting.com
(803-359-0058)

Linda Chico reported:

The monthly smallbore rifle silhouette match was held at noon on Saturday the 21st of May

The sky was clear with some clouds and with little wind. Temperatures were initially cool but became quite warm by the end of the day. The sun is now up high enough that there were no shadows and the black targets were clearly visible against the sandy berms.

This was the best turnout this year. Mical won both standard and the hunter rifle matches. First A in both matches went to David Harris from the Savannah River Club. Dennis Eidson gave chase to Mical in the hunter match but could not catch him.

A number of individuals went up the weekend of May 16th to the North Carolina State Silhouette championship held in Asheville. For that match, Mical Bowling had a really good outing. On both days Mical placed 3rd in the entire field which earned him 1st place in the master class on both days. On Sunday Mical missed taking the open championship by 1 point. Also on Sunday, Ed Sharp had the highest score as a super senior in the hunter match.

The next smallbore rifle silhouette match will be held at noon this coming Saturday June 18th.

On the third Saturday of each month, the smallbore rifle silhouette match begins at noon. Set up starts at 10 with sight in and practice after set up is complete. The smallbore hunting rifle match usually begins at 1:30 after a short lunch break.

METALLIC SILHOUETTE - PISTOL: Jethro CURRIE, Jr. CurrieCS2@aol.com (803-731-1284)

Jethro Currie Jr. reported:

We had a very good day. The weather was great, about 75 degrees. As usual, Larry won both matches. As Rick said, we don't seem to be able to beat Larry even in his injured conditions. Rick's second comment, and I'm inclined to agree with him, we're just going to have to help him with his scope adjustments. Good shooting Larry,

I'd like to welcome the Stabergs back. They've been away for a while. We really missed the young members of the family; the old guys, not so much. This time Hayden (12 years old) came with them. As was the case with the other grandsons, Hayden is pleasant, helpful, and fun; the old guys not so much. Hayden helped with resetting targets and painting. He was also very entertaining. He challenged me to several 40 yard foot races. That's when his mean streak showed up. He gave me, in his words, a "5 second" head start. He know all too well I needed at least 30 minutes. Needless to say, he won the races. Michael J. wasn't any better, as he joined Hayden in punishing me. They should learn to let the old men race each other. As Rick said (yeah he was full of wisdom today), if you're going to be stupid, i.e. racing kids, you need to be tough. I'm going to pay for those races tomorrow.

Anyway the shooting match results are attached. Hope to see everyone, especially Hayden and Michael,

BLACK POWDER MUZZLELOADING: Jim BOYD Highlander49@windstream.net (803-356-9504) or Sam JONES Jonesiii@yahoo.com (803-794-5476).

Jim Boyd reported:

We had our impossible shot match: Q-tips, cards, nails into wood, charcoal briquettes, etc.

I was lucky to win the match.

Next match will be on June 25th and will be a regular paper match.

We shoot 25 to 100 yards using a variety of targets. We welcome anyone who wants to give this discipline a try.

Winning is not nearly as important as getting your gun to shoot properly and having FUN!!!! Come by and watch a match and we will let you shoot a muzzleloader and see if we can get you hooked on black powder!!!!

Black Powder Muzzleloaders shoot the 4th Saturday of the month, from 9:00 AM until about 12:00 noon, except during Deer season when we turn Southern and head for the woods!! The group usually uses paper targets, and follows muzzleloader rules, but they have a lot of fun elements in every match and also host a few novelty matches each year. Round ball with any type of black powder is acceptable, and you can shoot in-lines. They use the silhouette range primarily, and shoot at distances of 25 - 50 - 75 - 100 yards.

IDPA (INTERNATIONAL DEFENSIVE PISTOL ASSOCIATION): Match Director: Phil FOLKERS mrcidpa@earthlink.net or pkfolkers@earthlink.net. (803-414-1324)

Patrick Nolan was first Sharpshooter in ESP. Tom Stidom was second. Len Taylor was first Marksman in ESP and Chris Senn was second. Bill Wahl was the only Novice.

Mike Phillips was the only Revolver shooter.

Paul Gentner was second and Michael Hayes was third. Joe Magagnoli was first Marksman. Don Lattimore was second and his daughter, Junior shooter Emilie Lattimore was third. Toni Hayes was first Novice. We had 6 unclassified shooters in SSP.

Our next match will be on June 25, 2016. It will be a regular IDPA match. The link to sign up for the match can be found at: <https://practiscore.com> and searching upcoming matches for MCRC IDPA.

Setup will be on Friday afternoon. Setup crew members, Safety Officers and Score Keepers assigned to a squad shoot for free.

IDPA is designed to help you with concealed carry. IDPA gear should be consistent with "carry gear." Please contact Match Director Phil Folkers with questions.

STEEL CHALLENGE PISTOL: Jack SUBER lightningjack@bellsouth.net (803-790-0825), Dennis COGGINS damocles1234@hotmail.com (803-732-0663) or Julie HOLLING jwholling@bellsouth.net (803-755-7397).

Linda Chico reported:

On May 21, we had 27 shooters with 43 firearms. The shooters included six ladies and one new shooter. Travis Brodie led Open with 77.51 seconds. Kevin Ackim won Production in 84.36 seconds. Corey Hayes won Rimfire Pistol Open in 64.12 seconds. He also won Rimfire Rifle Open in 58.81. Scott Deluce won Rimfire Pistol Iron in 71.69 seconds. The Limited, Single Stack and Rimfire Rifle Iron divisions did not have enough competitors to have an official winner.

Our next match is Saturday, June 18. Preregistration thru Practiscore.com is required. Anyone who is not a new shooter will be charged an extra \$5 to register at the range on match day. If you are interested in helping set up for the match and getting a \$10 discount on your match fee, Dennis will be doing set-up on Friday, starting at 5:00 pm. All assistance is appreciated. Registration at the range Saturday starts by 8:30. The match starts when set up is complete, but no earlier than 9:00.

JUNIORS: John BUTLER (803-356-6534).

Linda Chico reported:

John Butler has run the junior program for several years. Unfortunately, John is having severe healthy issues and can no longer run the program. We need a replacement.

The director of the Junior program gets a free club membership, must be a club member, and must be an NRA member. Anyone interested please reach out to Linda.

LEGISLATIVE LIAISON: Rob BUTLER dawgbutler@gmail.com (803-957-3959)

Rob Butler reported:

The 2015/2016 two year legislative session is now over with respect to any and all gun related bills. There were a total of 61 such bills. Two bills were enacted into law, both pro gun rights.

H. 3799 changes the SC concealed weapon permit (CWP) law to recognize both NC and GA CWPs without regard to background checks or gun safety classes. What this law does as a practical matter is honor GA CWPs, since NC CWPs were already good due to a reciprocity agreement. GA has already decided to honor SC CWPs, which is something GA has been willing to do for years as long as SC honored GA CWPs.

What this law - H. 3799 - also does as a practical matter is weaken support for changing the SC CWP law into one that recognizes all CWPs. Human nature shows people are motivated by selfish desires. So, most people who wanted to carry in GA could be counted upon to support efforts to make SC a CWP recognition state. Since GA does not require a gun safety class in order to get a CWP, it was not possible to get CWP reciprocity with GA due to SC law. But now, with GA being made a special exception to the SC CWP law, people who only want to carry in GA have no selfish motivation to push for CWP recognition for all states' CWPs. The good old "divide and conquer" strategy lives on in SC. There was an effort made to amend this bill to recognize all CWPs, but there was not enough support even amongst so called pro gun politicians to do so. So, given the choice between fighting for recognition for all CWPs or risking defeat of GA CWP recognition, the choice was made to get GA CWP recognition now.

Personally, I would have pushed to expose the so called pro gun politicians who would have been forced to go on the record as being against CWP recognition for all states. The only way to get a pro gun legislature is to know which politicians are truly pro gun when it counts - when voting on pro gun legislation. Sometimes you need to lose a battle to win the war. But, there are valid pro gun arguments to support both sides.

H. 3545 provides for an innocent owner of a firearm or ammunition (hereafter firearm) found in possession of a felon to get the firearm returned. The law states the law enforcement agency in possession of the firearm must administratively return the firearm and not wait for a court order. Although, that does not mean the law enforcement agency will do so before a court order is issued. All legal proceedings related to the firearm must be finally determined prior to return of the firearm. So, considering how long some legal proceedings take before being finally determined, the firearm might actually become an antique while in law enforcement's custody. There is no provision that the firearm be properly maintained while in law enforcement's custody. So, you might just get back something that resembles a rusted boat anchor more than a firearm (lets hear it for Glocks). An innocent owner will have up to 30 days to retrieve the firearm after being notified to do so. The innocent owner will need to provide proof of ownership in order to take possession of the firearm.

There are reports going around that Sen. Katrina Shealy is not pro gun because she failed to vote in favor of the so called Constitutional Carry bill being pushed by Palmetto Gun Rights (PGR). But, as I have reported before, the so called Constitutional Carry bill pushed by PGR contains UNCONSTITUTIONAL gun control! The SC Supreme Court ruled in 2008 it was unconstitutional to deny 18 to 20 year old adults the same rights and privileges as older adults with respect to being able to possess handguns, and therefore threw out a criminal conviction of an 18 to 20 year old thug for being in possession of a handgun. This is because the SC Constitution prohibits age discrimination amongst adults except for the sale of alcoholic beverages. But, since PGR uses out of state people to draft their proposed legislation, they were not aware of the SC constitutional ruling. Then, after PGR was informed by me of the SC constitutional ruling, PGR decided not to amend their bill. You might want to ask PGR why PGR would include unconstitutional gun control in a so called "constitutional carry" bill. The only answer I was able to get is that they were afraid the bill would not get support if it recognized the SC Constitution's age discrimination provision.

Any time we turn against other gun owners, we weaken the forces needed to fight to protect all of our gun rights. I am old enough to remember when the fight against plastic guns was first started. Some traditional gun owners turned against those gun owners who wanted to possess Glocks.

Eventually, plastic guns became mainstream and are currently produced by most major gun manufacturers. Then, we had the fight against those awful black rifles and 30 round magazines, and we lost that fight for ten years. And while we eventually restored our right to possess black rifles and 30 round magazines, that fight is still being waged again and again in state after state and nationally. So, unless gun owners stick together, we will eventually lose all our rights to keep and bear arms - which means we will lose our right to effective self defense.

I would have voted against PGR's so called Constitutional Carry bill! It contained unconstitutional gun control and needed to be defeated! I will not turn my back on other gun owners just because I am not immediately affected. Just because the bill has a nice name is no excuse for supporting unconstitutional gun control. Remember Pastor Martin Niemöller's famous words "first they came for the ... " with reference to the Nazi efforts to single out one small group after another until there was no one left to help the last group. I refuse to be part of the problem by supporting unconstitutional gun control just because it is a small group being denied their rights. Once you start supporting unconstitutional gun control, where does it end? What principle do you use to decide? Whose ox is gored is not a good "principle" to live by.

What we need to remember is that Sen. Katrina Shealy is the reason we have restaurant carry in SC today. Sen. Shane Massey stated at the senate's public hearing on restaurant carry that the restaurant carry bill was only able to progress because Katrina Shealy replaced Jakie Knotts. Knotts opposed restaurant carry and Shealy supported it. It is the law now only because Sen. Katrina Shealy replaced Knotts and voted for restaurant carry.

So, how should Sen. Katrina Shealy be judged - by her opposition to an unconstitutional gun control bill misnamed as "constitutional carry," or by her support of restaurant carry? Me, I think she voted the right way on both bills. And I think gun owners should reward politicians who actually vote our way, not just fill out a survey the way "right" way.

You might also want to remember that Mike Sturkie was a Jakie Knotts supporter, and is now running against Katrina Shealy - again.

Now, before I turn to a new topic, are there any questions about what has been discussed so far?

I want to say thank you to MCRC for allowing me to be the club's legislative liaison since the position was created many years ago. It has been an honor. I have never known so many good people. But, unfortunately, it is time for me to step down. I have a number of health issues that are causing me too many problems. There are health problems with other family members, too. Due to my personal problems, I have not been able to focus on legislative issues. I no longer read the local newspapers or watch local news. My focus has turned towards self and family. I no longer have that "fire in the belly" to lead the war on those who want to take our right to keep and bear arms away from us. It is time for me to step down and for someone else to step up. I will be happy to teach and help someone else to do this job. I will be willing to draft legislation and analyze legislation for others to lead the push for or against. But, it will need to be others who take the lead. I have loved what I have done, but my time is up. Thank you.
