PRESIDENT'S REPORT: Roy Mullis, roym788@comporium.net, 803-360-1490
Roy Mullis reported.

My family and I appreciate the show of sympathy concerning the recent death of my daughter-in-law.

We have had a few incidents over the last two months. One was a problem that has been becoming more frequent and I'll talk about a solution for it under new business. Others were the same things as in the past, one of which was NOT shooting into the ground, thank goodness. I hope it stays that way. The rest were things that could have been avoided if members would keep up with the rules.

I recently received a letter from a member. The letter concerned what he had been hearing about softening up on the enforcement (for lack of a better word) of the rules. I assured him that the club has no plans to back off on the rules. I have also heard from members who have told me that they joined BECAUSE of the rules we have and the way we keep up with them. Those members said they came from or had experiences with ranges that didn't have rules or enforce the ones they had and their experiences were "free for alls". They didn't feel safe there.

Everyone who joins MCRC signs an application with the statement "if accepted as a member, I will abide by all the bylaws, rules and regulations of the club." On the briefing sheet there is "I have read the MCRC Range Rules and agree to abide by them. I understand that violation of any range rule may subject my membership to review and possible termination by the executive committee and any dues I have paid, or credits earned, will be forfeited." Those statements are there for a reason, to protect the members and the club. Without those rules, MCRC would not exist. MCRC will not allow anyone who thinks they don't have to follow our rules.

VICE PRESIDENT'S REPORT: Linda Chico, lchico@sc.rr.com, 803-629-7095.
Linda Chico reported.

We are aware that there are some problems with printing renewal forms with certain computer operating systems. I have had members contact me with problems with older versions of Windows and with using remote printing with Ipad tablets. If you cannot get the renewal to print, contact me. I can either have you email me the form & print it, or I will complete the form while I have you on the phone & print it. Depending on how fast you need it, I will either mail it to you or leave it at the range for you to pick up. And Roy always has hard copies available at the range. We both bring extra copies to the meeting.

Please remember to contact me by phone, email or text message if you have questions about your membership (renewals, credits, forms needed, etc). Please do not rely on the information on your profile page of the member services site. It has not been updated since August of 2016, and is not accurate.

REMEMBER * * Renewals must be sent in 60 days via postal mail before your membership expires and prior to the meeting to allow all of the information to be processed and to ensure that you do not lose gate access. You will know you have successfully completed renewal once you get a new validation label for your membership card. Please do not call or email Patten asking about the status of your renewal if you only sent it a week or two earlier.

REMINDER: If you are installing Windows 10, you will need to download and install the current version of Adobe. Microsoft removes Adobe during the Windows 10 install process. Macintosh users must use the most current version of Adobe Reader to process the renewal form. Mobile devices do not work for filling out renewal forms. You must use a PC or a Mac. And you must use the current version of Adobe Reader.

COWBOY ACTION SHOOTING - Palmetto Posse: Roger Horton roger@adluh.com, 803-447-0853.

Rhonda Metz reported.

February's match had a theme inspired by a local amateur comedy movie "THE GOLDEN GUN". This was a fun match, where we said lines from the movie to start each stage, We had a bonus target in stage #1, that if hit, not only got you a 10 second bonus, it also got you in a shoot off at the end of the match, for a chance to win "The Golden Gun", which was a toy gun that was professionally gold plated, with a can of gold paint.

We had 29 total shooters. There was only 1 clean shooter, Cowboy Junky
Our top 5 shooters are as follows: #5 Lighthorse Pete, #4 Stone Ground, #3 Kid Ray, #2 Cardboard Cowboy, #1 Cowboy Junky.

The winner of the golden gun ironically was the bad guy in the movie. Bad Bart.

NRA LIGHT RIFLE: Larry Dodson, partsshooter@gmail.com, 803-760-0543
Larry Dodson reported.

We FINALLY had our first Light Rifle Match of 2018 on March 4th, with 8 shooters attending. It was only 35 degrees at the start but the sun warmed everything up quickly. Of the 8 shooters there were 5 using scoped rifles; 2 in the Hi-Power class; and 1 in Hi-Power Prone.

For the regular class match, Clay Marshall was top shooter with a 369 out of 400; with Mical Bohling next with a 365. There weren't enough shooters in the other classes for scores to place. On the 2nd set of targets, Scott Johnson & Richard Byars used the A-51 target (MUCH smaller scoring rings), Richard scored a 193 out of 200 over Scott's 190.

Welcome to first time shooters with us, Jeff Johnson whom shot a nice 266 & 291 scores!! THANKS TO EVERYONE FOR THE HELP WITH SET UP & TEAR DOWN!!

Light Rifle Matches are held on the first Sunday of each month at 9am. We shoot .22lr rifles at 50 yards in 3 positions; 40 shots for score. Standing is 20 shots; prone is 10; and sitting or kneeling is 10; with all the sighting shots you may want in 55 minutes. Slings are allowed in the prone & sitting/kneeling positions.

Contact Larry Dodson at partsshooter@gmail.com with any questions.

NATIONAL CONGRESS OF OLD WEST SHOOTISTS (NCOWS): Henry Schlein, henryschlein@yahoo.com, 843-821-9999 – **Saluda Saddle Tramps is the South Carolina posse of NCOWS.**
Roy Mullis reported.

1. The National Congress of Old West Shooters (NCOWS) match that was going to be held on March 11, 2018 was once again postponed due to the forecast of rain. It has been rescheduled for April 8, 2018, which is the day after the SASS match. Some of us are planning to shoot both days and we invite any interested SASS members to come and do likewise.
2. Our matches are held the second Sunday of each month, except for November to accommodate the

Toys for Tots benefit match and unless otherwise specified. Match fee is \$15.00 (\$8.00 for first match, no charge for age 12 and under). If anyone is interested in NCOWS, or in shooting one of our matches, please contact Henry Schlein (aka, "Sgt. Rick Henry") at 843-821-9999 or e-mail henryschlein@yahoo.com. Please come and check us out; or better yet, join in the fun. No need to be shy, we are a very friendly and family oriented group.

3. NCOWS uses rules similar to SASS Cowboy matches, with greater attention to historical accuracy concerning our weapons and clothing regarding period-correct detail. We shoot in 2, 3 and 4-gun classes. Generally, any pre-1900 pistol, rifle in pistol caliber, and/or shotgun may be used. These can be originals in serviceable condition or reproductions. Additionally, we shoot smokeless and black powder. New participants are given generous allowances, since we realize it takes a long time to acquire needed clothing and accoutrements. Gun carts are optional, rifle racks are provided. There is no overall winner in NCOWS matches; each class is judged independently.

METALLIC RIFLE SILHOUETTE: Mical Bowling mical@blackwolfconsulting.com (803-546-4742)

Roy Mullis reported.

The monthly smallbore rifle silhouette match was held at noon on Saturday the 17th of February. The day came with a heavy overcast with a light wind in the morning which became a distinct breeze during the hunter match. Temperatures were cool in the morning but warmed up nicely by the afternoon. Because of the uniform lighting the targets had good visibility.

A turnout of 12 was the best we have had in a really long time. Mical was the match winner in both the standard and the hunter matches. While Curtis Kesler fell one point behind Scott Lurie in both matches for a third place finish, he did this with iron sights.

The next smallbore rifle silhouette match will be at noon on Saturday March 17th. Match fees are still only five dollars per match.

On the third Saturday of each month, the smallbore rifle silhouette match begins promptly at noon. Set up starts around 10 with sight in and practice after set up is complete. The smallbore hunting rifle match usually begins at 1:30 after a short lunch break.

If you do not have everything you need, you can still come on out. OLD BUSINESS:

NEW BUSINESS:

Roy Mullis proposed the following amendments to the Bylaws:

1. This part is to add to Article VII, "Duties of the Officers", under "President", the following sentence: "The President may reassign duties of officers as necessary to insure the efficient functioning of the club. Upon the reassigning of a duty, the President will write an amendment to keep the bylaws up to date." Explanation: the administration sometimes requires different officers to handle different jobs according to the changing needs of the club. Assignments need to be fluid to achieve the greatest efficiency in the operation of the club.
2. This part is to modify Article VII, "Duties of the Officers", under "Vice President", to remove the line "All applications for Membership should be made through the VP who shall contact all prospective members personally or arrange for the prospective member be contacted by another member of the executive committee." Explanation: archaic. The club has not used this procedure for years. Currently applications are being accepted not only through the meeting but through electronic methods, walk ins to the range, and on the spot applications from visitors and match competitors.
3. This amendment is to modify Article VII, "Duties of the Officers", under "Treasurer" to add the following: "The treasurer will process all membership applications and renewals, issue membership cards and keep the gate system active and up to date, including the issuance of electronic gate cards." Explanation: the treasurer handling all applications and renewals streamlines the process of accounting for funds received. The membership data base and gate log will be updated at the same time saving time. This will also provide an accurate as possible membership record for the VP and Secretary to use in membership pages on the website and the distribution of the newsletter.

SELF DEFENSE (CWP) CONCEALED CARRY TRAINING CENTER

We have a group of NRA and SLED Certified Instructors who have either retired from the Armed Forces or are currently serving. Our principal Instructor James D."Jim" Jones served more than 20 years in the active Army Infantry branch, having taught thousands of combat soldiers and civilians small arms training and tactics since 1967.

Our training center is conveniently located in West Columbia. We specialize in South Carolina, Utah and Florida CWP and CFP training. We also offer abbreviated Military and Law Enforcement Officer (MIL/LEO) "South Carolina Legals Only Training" each scheduled CWP class.

Our class teaches the safe operation and use of the personal firearm for the Law Abiding Citizen with an emphasis on "reality scenarios" about real life situations and proper interaction with law enforcement, designed to give YOU the legal advantage if ever involved in a Self Defense shooting. We believe and teach that knowing "when to shoot is at least as important as how to shoot".

Furthermore, we complete your fingerprints and paperwork and deliver your completed CWP application to SLED for processing.

Come JOIN US for CWP training designed to SAVE YOUR LIFE!
