PRESIDENT'S REPORT: Roy Mullis, roym788@comporium.net, 803-360-1490
Roy Mullis reported.

When I announced the plan to order club t-shirts, I had no idea that the response would be so good. We ordered 193 shirts for about 80 members which is about 14% of the members. I understand that's a good average for an organization of our size. I sent out 634 emails and I have talked to a couple of members that said they didn't receive the email so I will send out another announcement when the majority of the shirts we have are picked up. I will try to not notify those that have already ordered. I do have the shirts here tonight if anyone wants to pick theirs up and I do have a few extras I can sell.

Do NOT use the Member Services site. Has not been updated since August 2016. It will be going away.

VICE PRESIDENT'S REPORT: Linda Chico, lchico@sc.rr.com, 803-629-7095.

Linda Chico reported:

I have finished updating the work credits. Please do not go to Members Services and look at your profile, it is **out of date**. If you want accurate information, please contact me or Patten.

You will know you have successfully completed renewal once you get a new validation label for your membership card. Please do not call or email Patten asking about the status of your renewal if you only sent it a week or two earlier.

REMINDER: If you are installing Windows 10, you will need to download and install the current version of Adobe. Microsoft removes Adobe during the Windows 10 install process. The dump truck has been repaired. Dirt moving was started. Then the brakes failed on the dump truck.

Weather has not been conducive to painting, so no painting has been accomplished.

Drive way has been repaired a couple of times since the last meeting because of rain. The next mechanical maintenance item after the dump truck brakes are fixed is the hydraulics on the yellow tractor. We're wasting a lot of hydraulic fluid.

NRA LIGHT RIFLE: Larry Dodson, partsshooter@yahoo.com, 803-760-0543

Larry Dodson reported:

Our monthly Light Rifle Match was held on May 7th, with 9 shooters on this cool start to the match. The sun emerged and the shooting began, even Jethro made it early!! We had 2 shooters in the Hi-Power class; 2 in the Iron/Peep sights class; and 5 scoped rifles on the line. We had to say goodbye to Garrett Wachtel today, he graduated Piedmont Tech. in gunsmithing, and is on his way to a job in Texas at a well known rifle builder shop!!!! We hope to hear great things on his accomplishment!!!

In the regular Light Rifle Match, Harry Callahan was top with a scoped rifle with a 353; we didn't have enough in the other classes for placements. But...Jethro Currie Jr. was highest in the Iron/Peep sight class with a 346, followed by Garrett with a 291. Joey Hodge and Rachel Myers shot all prone with scores of 396 & 382 on the first target, and Rachel had a 397 on her 2nd; Joey went to the A-51 target for his second and fired a 367 for 40 shots...again,,all prone.

THANKS TO EVERYONE FOR THE HELP WITH SETUP AND TEAR DOWN & PUT AWAY!!!!!!

Light Rifle Matches are held on the 1st Sunday of each month at 9am. We shoot .22lr rifles at 50 yards for score, with any sights allowed. We fire 40 shots for score: 20 standing; 10 prone; and 10 sitting or kneeling; with as many sighter shots all in 55 minutes. Slings are allowed in the prone and sitting/kneeling positions.

USPSA-IPSC PISTOL: Joe Magagnoli, jcm331@gmail.com, 610-509-7627

No match.

The usual USPSA - IPSC matches are held the second Saturday of each month. We are using online registration which starts the Monday prior to the match. Contact Linda Chico at LChico@sc.rr.com to add your name to the notification list. Sign in at the range starts at 9:30 am. Shooting starts at 10:00 am. Juniors are free. New shooters are half price (\$8). Set-up for the match is on the preceding day on Friday afternoon. If you are interested in coming out and trying a shooting sport that involves running and gunning, you can start with very nearly any centerfire pistol if you have enough magazines for it.

BUFFALO RIFLE MATCH: Wayne Robinson, jwrr@windstream.net, 803-359-0058.

Participants must use period type rifles and sights of 1895 and earlier. Period dress is welcome. Cast lead bullets only. No gas checks allowed. There will be 3 categories: Standing, Standing Supported and Sitting Supported. Entry fees is \$5.00 for each category or \$10.00 for all three. All targets will be engaged at 200 and 100 yards, with five shots on each of three targets. Winner of each category will be the best of 15 shots. Grand Aggregate will be awarded also. Participants may have unlimited sighter shots during a relay on the sighter gong. Current info, scores and pictures can be found on the MCRC web site.

Chuck McMenemy reported.

Its one of those months. Our match is Mother's Day, the 14th, so we will not have a match report for this meeting.

Bullseye 2700 PISTOL: Mike Carr, afvet53@netzero.net, 803-408-0024.
Mike Carr reported:

Match was on April 15th. We had 12 shooters. Nell Roberts won with a 92x and Dave Jenness finished 2nd with a 74x.

We shoot at 25 and 50 yards, one handed, and accuracy is the main thing that is stressed – speed will come along. We shoot .22 caliber, center fire (.32 caliber or larger), and .45 caliber so you would need about 100 rounds of each caliber. 2700 Pistol matches, an NRA approved aggregate pistol match, are held the third Saturday of each month from February through November, with registration starting at 8:30 AM, and shooting starting at 9:00 AM. The match fee for a regular match is \$25. You do not have to shoot all 3 parts (.22LR, centerfire, and .45) of the 2700 course in order to compete with the group (\$10 fee for each part).

STEEL CHALLENGE: Jack Suber, lightningjack@bellsouth.net, 803-790-0825, or Dennis Coggins, damocles1234@hotmail.com, 803-732-0663, or Julie Holling, jwholling@bellsouth.net, 803-755-7397.

Julie sent the following report:

On April 15th, we had 43 shooters with 62 firearms. The shooters included four ladies, one junior shooter, and two new shooters. Jack Gassaway won Limited in 78.29 seconds. He also led Rimfire Pistol Iron in 66.15 seconds. Jose Arocha won Production in 109.78 seconds. Chad Wylie led Pistol Caliber Carbine Open with 60.29 seconds. He also led Rimfire Pistol Open in 58.50 seconds. Dennis Coggins also won Rimfire Rifle Open in 56.24 seconds. Julie Holling led Rimfire Rifle Iron with 62.57 seconds. The Open, Carry Optics, and Single Stack divisions did not have enough competitors to have official winners.

Our next match is Saturday, May 20. Preregistration thru Practiscore.com is required. Anyone who is not a new shooter will be charged an extra \$5 to register at the range on match day. If you are interested in helping set up for the match and getting a \$15 discount on your match fee, set-up will be done on Friday, starting at 3:00 pm. Registration at the range Saturday starts by 9:30. The match starts at 10:00 am.

METALLIC RIFLE SILHOUETTE: Mical Bowling mical@blackwolfconsulting.com (803-359-0058)

Roy Mullis reported:

The monthly smallbore rifle silhouette match was held at noon on Saturday the 15th of April. It was a very bright warm spring day with only scattered high clouds. We had one new shooter and the return of one old timer. Daniel Wood from the Savannah River club had a really good outing with scores in the low 30s out of 40. That was enough to displace Mical in both the standard and hunter matches as the winner. Something that has not happened in a very long time.

The next smallbore rifle silhouette match will be at noon on Saturday May 20th.

On the third Saturday of each month, the smallbore rifle silhouette match begins at noon. Set up starts at 10 with sight in and practice after set up is complete. The smallbore hunting rifle match usually begins at 1:30 after a short lunch break.

METALLIC PISTOL SILHOUETTE: Jethro Currie, Jr., CurrieCS2@aol.com, 803-661-9937.

Jethro Currie reported:

It was Easter and the weather was fine. Only George and I showed up, so there was no match. George and I played with the swingers. We thought we'd shoot the Easter Bunny, if he/she ran across the range, but the rabbit didn't show either.

Please note, we will not have matches during the months of June, July, and August. So next month's (May) will be the last until September.

Hope you enjoy the holiday and hope to see you next month.

COWBOY ACTION SHOOTING - Savannah River Rangers: Joe Metz, jnrm3@sc.rr.com, 803-960-3907.

Joe Metz reported:

No match, no report.

A Cowboy Action Match is a four-gun game: 2 single action revolvers; a lever action, pistol caliber rifle; and a Winchester 97 pump, Winchester 87 lever action shotgun, or any Double Barrel Shotgun 12 gauge or 20 gauge. If you do not have everything you need, you can still come on out. There will be plenty of people that will happily loan you their guns or a spare gun or a holster, so that you can have a chance to try it. The match fee is \$12. For more information, visit the Savannah River Rangers website: www.savannahriverrangers.com.

BLACK POWDER MUZZLELOADING: Jim Boyd, 1949jwb@gmail.com, 803-356-9504 or Sam Jones, JonesiiiS@yahoo.com, 803-794-5476.

Roy Mullis reported:

We had a great day to burn charcoal. We did not shoot our Mike Fink match as several shooters were not able to attend. Instead we shot a paper match and I was the fortunate winner followed by Ken Killey in 2nd and Chris Geary in 3rd. We'll save the Mike Fink match for June.

Black Powder Muzzleloaders shoot the 4th Saturday of the month, from 9:00am until about 12:00pm, except during Deer season when we turn Southern and head for the woods!! The group usually uses paper targets, and follows muzzleloader rules, but they have a lot of fun elements in every match and also host a few novelty matches each year. Round ball with any type of black powder is acceptable, and you can shoot in-lines. They use the silhouette range primarily, and shoot at distances of 25 - 50 - 75 - 100 yards.

IDPA (INTERNATIONAL DEFENSIVE PISTOL ASSOCIATION): Phil Folkers, mrcidpa@earthlink.net or pkfolkers@earthlink.net, 803-414-1324.

Phil Folkers reported:

We had 49 shooters for our match April 22nd.

Tim Fritz was the only Expert in CCP. Jack Gassaway was the only Sharpshooter. David Gowans was the only Marksman.

Mike Dawson was the only Sharpshooter in CDP.

Bob Bailey was the only Master in COP. Wilbert Spruell shot unclassified.

Wayne Troutman was first Expert in ESP. David Redd was first Sharpshooter. Tom Stidom was second.

Weston Land was the only Master in PCC. Phil Folkers was the only Marksman and Michael Hayes shot unclassified.

Neil Reamer was first Marksman in Revolver. Kevin Burns shot unclassified.

Harry Callahan was first Expert in SSP. Robert Moore was second. Richard Hart was first Sharpshooter. April Nguyen was second and Paul Gentner was third. Joe Magagnoli was first Marksman. Michael Moir was second and Don Lattimore was third. Matthew Hintz was first Novice.

Our next match will be on May 27, 2017. Setup will be on Friday afternoon. Setup crew members and Safety Officers and assigned to a squad shoot for free. This will be a regular IDPA match. We will be using the provisional Carry Optics Division and Pistol Caliber Carbine again. The magazine restrictions will be the same as Stock Service Pistol. Using chamber flags will not be required in PCC if carbines are bagged.

If any IDPA member would like to design a stage please email it to me, and if it is feasible, we'll add it to an up coming match. I welcome your comments and suggestions.

IDPA is designed to help you with concealed carry. IDPA gear should be consistent with "carry gear." Please contact Match Director Phil Folkers with questions.

NATIONAL CONGRESS OF OLD WEST SHOOTISTS (NCOWS): Dave Graley, dlgraley@aol.com, 803-419-2772 – Saluda Saddle Tramps is the South Carolina posse of NCOWS. Dave Graley reported:

The spirit of the Old West was awakened on April 29 when the Saluda Saddle Tramps stepped out into the Cooper Bays for their second match of 2017. Although there were only 8 shooters, the match went well due to everyone working hard to insure a safe and fun match. We mixed it up a bit this time, with one pistol only stage and one rifle only stage. Some scenarios required reloading both pistols and rifles during the stage, which the cap & ball shooters really appreciated (not). After the match, we held our annual posse meeting.

Our next match is on September 10. Please come and check us out, or better yet, join in the fun.

Check out NCOWS at www.ncows.org. Match fee is \$16.00. If anyone just wants to check us out, please stop by. If anyone has an interest, please contact Dave Graley, aka Okefinokee Outlaw.

NCOWS uses rules similar to SASS Cowboy matches, but the requirements for weapons and clothing require greater accuracy and attention to period-correct details. There are 2, 3, and 4 gun classes, so anyone with a pre-1900 pistol and lever action rifle, or pistol and shotgun, can participate. The guns can be originals or reproductions, smokeless or black powder. New participants can come as they are, since we realize it takes a long time to acquire the needed clothing and accouterments. Gun carts are optional. There is no overall winner in NCOWS; each class is judged independently. There are 12 available classes.

APPLESEED RIFLE CLINIC: Tyler Scott, appleseedsc@gmail.com

Roy Mullis reported.

There have been some rate changes but Tyler would still like to offer a few free spots on the line for club members on a first come first serve basis. Further information about upcoming Appleseed Clinics at MCRC and around the country is found at www.appleseedinfo.org, the South Carolina Appleseed Facebook page, or by e-mailing me at appleseedsc@gmail.com.

Project Appleseed is a non-profit organization of volunteers that is attempting to reconnect all Americans to their heritage as Riflemen. This is done by recounting the events surrounding April 19, 1775 and the effect that marksmanship had on the history of this country. This is also done by offering first rate, low cost marksmanship training. All are welcome to attend.

JUNIORS: Russell Armstrong

Roy Mullis reported:

We are working on getting this set up.

The director of the Junior program gets a free club membership, must be a club member, and must be an NRA member. Anyone interested please reach out to Linda.

We're still waiting on release of the 1911s. M1 Garand with GI parts and receiver available for \$830.00.

LEGISLATIVE LIAISON: Patrick Nolan, pnolan747@gmail.com, 803-318-1400.

Patrick Nolan reported:

No gun bills will be passed by the legislature this year. The four bills that crossed from the house to the Senate – **H3420 H3429 H3566** and **H3930** – do not have time to pass the Senate this year, but can be acted on in the second year of this session (2018). The Senate passed no gun laws this year.

Worth noting:

H3240 “National Reciprocity” (really “recognition”) Passed the House 85-23 on 5/4 and sent to the Senate; sent to Judiciary on 5/8.

H3429 Allows guns with an aggregate value of \$3,000 to be exempted from bankruptcy. Passed the House on 2/16, was introduced in the Senate 2/21, and passed out of Judiciary subcommittee and Judiciary Committee on 5/3.

H3566 Training for first responders to carry in schools. Passed the House 101-0 on 4/6/17, sent to Senate and referred to Judiciary on 4/11.

H3930 After passing the House, was assigned to Senate Judiciary, but did not get on this year's agenda.

S430 No transfer of firearms or ammo if one knows the receiver is a prohibited person. Passed out of Judiciary subcommittee.

S449 (similar to **H3700** and **H3930**) “Constitutional Carry,” Passed out of the last meeting of the Judiciary subcommittee 3-1; too late for further Senate action this year.

S055 and **H3571**, The so-called “gag rules” you may have heard of, have not moved anywhere since being introduced in January.

SELF DEFENSE (CWP) CONCEALED CARRY TRAINING CENTER

We have a group of NRA and SLED Certified Instructors who have either retired from the Armed Forces or are currently serving. Our principal Instructor James D."Jim" Jones served more than 20 years in the active Army Infantry branch, having taught thousands of combat soldiers and civilians small arms training and tactics since 1967.

Our training center is conveniently located in West Columbia. We specialize in South Carolina, Utah and Florida CWP and CFP training. We also offer abbreviated Military and Law Enforcement Officer (MIL/LEO) "South Carolina Legals Only Training" each scheduled CWP class.

Our class teaches the safe operation and use of the personal firearm for the Law Abiding Citizen with an emphasis on "reality scenarios" about real life situations and proper interaction with law enforcement, designed to give YOU the legal advantage if ever involved in a Self Defense shooting.

We believe and teach that knowing "when to shoot is at least as important as how to shoot".

Furthermore, we complete your fingerprints and paperwork and deliver your completed CWP application to SLED for processing.

Come JOIN US for CWP training designed to SAVE YOUR LIFE!
