PRESIDENT'S REPORT: Roy Mullis, roym788@comporium.net, 803-360-1490
Roy Mullis reported.

Things have been pretty quiet at the range since our last meeting. Rules violations have been few which is great. I hope it stays that way. Most of the violations had to do with eye protection, not using the down range warning system and target stands. I did have to talk to a few members about their choice of mounts for steel targets. I believe I've mentioned before that the use of a Shepherds hook to hold steel is not sufficient and another type of system needs to be used. Hanging steel targets by chains when done properly is safe but some ways of hanging allows the bullets to ricochet. It may become necessary for the Executive Committee to recommend mounting systems for steel. If members will be careful with what they buy, we might be able to avoid specifying certain mounting systems for steel.

The match winner was Bob Clark from Charleston who shot an 1198 with 101 X's. This is out of a possible score of 1200; great shooting Bob!

I would like to thank Wayne Robinson and Jethro Curry for coming out for their first match. Hope to see you back next month.

The smallbore match is shot from prone at 50 and 100 yards (three targets at each distance). A total of 120 shots are fired for record with unlimited sighting shots in a time limit of 20 minutes per target. You can shoot using scopes or open sights.

NATIONAL CONGRESS OF OLD WEST SHOOTISTS (NCOWS): Henry Schlein, henryschlein@yahoo.com, 843-821-9999 – **Saluda Saddle Tramps is the South Carolina posse of NCOWS.**
Roy Mullis reported.

1. The National Congress of Old West Shooters (NCOWS) held its regularly scheduled match on Sunday, March 8, 2018. The morning began a little cool but warmed up soon enough, as hot coffee started brewing and hot lead commenced flying down range. This match was kind of special in that an invitation was extended to the members of the Palmetto Posse to come join us for the match; two of whom, accepted, for a total of six participants. Shooters had to engage numerous knockdown targets, as well as stationary ones. Shooters were occasionally challenged to hit targets placed out to traditionally rifle distances, using their pistols. Shooters were also allowed to avoid a miss penalty by reloading and shooting a knockdown target until it fell. After all, nobody ever won a gunfight by missing too fast. Match awards went to Stoneground, who took first place in Smokeless Shootist, followed by Palmetto Traveller in second. Cheyenne Jim took first place in Two Gun Black Powder Smokeless Shootist. Sgt. Rick Henry took first place in Lawman. Doc. Who took first place in our newly formed, first ever Two Gun Double Duellist class (aka, "Gunfighter," in SASS). There was some discussion at the National level about having too many categories but the membership at large decided we didn't have enough and created a few new ones. We had one clean match shooter: Sgt. Rick Henry. Thanks to Capt. Jeb who was not able to shoot but came out to keep score and lend some Cowboy Spirit. Thanks also to our honorary special deputies, Stoneground, Palmetto Traveller, and Doc Who, all of whom came out early and helped with match setup. Our next match will be May 13, 2018, the second Sunday of the month, which also falls on Mother's Day, so moms will shoot free.

2. Our matches are held the second Sunday of each month, except for November to accommodate the Toys for Tots benefit match and unless otherwise specified. Match fee is \$15.00 (\$8.00 for first match, no charge for age 12 and under). If anyone is interested in NCOWS, or in shooting one of our matches, please contact Henry Schlein (aka, "Sgt. Rick Henry") at 843-821-9999 or e-mail henryschlein@yahoo.com. Please come and check us out; or better yet, join in the fun. No need to be shy, we are a very friendly and family oriented group. 3.

NCOWS uses rules similar to SASS Cowboy matches, with greater attention to historical accuracy concerning our weapons and clothing regarding period-correct detail. We shoot in 2, 3 and 4-gun classes. Generally, any pre-1900 pistol, rifle in pistol caliber, and/or shotgun may be used. These can be originals in serviceable condition or reproductions. Additionally, we shoot smokeless and black powder. New participants are given generous allowances, since we realize it takes a long time to acquire needed clothing and accoutrements. Gun carts are optional, rifle racks are provided. There is no overall winner in NCOWS matches; each class is judged independently.

PRECISION PISTOL: Mike Carr, afvet53@netzero.net, 803-408-0024.

Mike Carr reported.

Our luck finally ran out as far as weather goes for the March match on the 17th. It started to rain just as the match was starting but it only lasted about 2 hours so it was clear for our lunch break. We did have another full house but a last minute cancellation brought it down to 11. Even with the soggy score cards the scores were good. Our top shot was High Master Jordan Kramp with a 2596-94x. Top Master was Dave Salyer 2299-27x. Top Expert was Jody Bowers 2498-75x, second John Harvey, Kevin Bonderer, Kent Blocksome. First Sharpshooter was Issac McCaskill 2332-36x, second Jerry Hale, Dave Barillo and Bob Holm. Rush Sammons was our only Marksman 2163-15x. Next match April 23th.

Daniel Thompson topped Rimfire Pistol Iron in 75.65 seconds. Chase Orr won Rimfire Rifle Open in 40.04 seconds. Chad Wylie led Rimfire Rifle Iron in 53.84 seconds. The Carry Optics and Pistol Caliber Carbine Iron divisions did not have enough competitors to have an official winners.

Our next match is Saturday, April 21st. Preregistration thru Practiscore.com is required. Anyone who is not a new shooter will be charged an extra \$5 to register at the range on match day. If you are interested in helping set up for the match and getting a \$15 discount on your match fee, set-up will be done on Friday, starting at 5:00pm. METALLIC RIFLE SILHOUETTE: Mical Bowling mical@blackwolfconsulting.com (803-546-4742)

Roy Mullis reported.

The monthly smallbore rifle silhouette match was held at noon on Saturday the 17th of March. During set up there was a continuous but light rain. Fortunately, the rain stopped by match time but the cloud cover which remained throughout the match kept the temperatures cool.

A turnout of 8 meant we were able to run the match with just one relay. Mical was the match winner in both the standard and the hunter matches.

The next smallbore rifle silhouette match will be at noon on Saturday April 21st. Match fees are still only five dollars per match.

On the third Saturday of each month, the smallbore rifle silhouette match begins promptly at noon. Set up starts around 10 with sight in and practice after set up is complete. The smallbore hunting rifle match usually begins at 1:30 after a short lunch break.

Legislative Liaison Report for April 9, 2018

Patrick Nolan PNolan747@gmail.com

The deadline for "cross-over" from one legislative body to the other is tomorrow, Tuesday, April 10, 2018. No bill that has not been passed over by then can pass the legislature this session. As of this evening 4/9/18, only four bills have any possibility (however slim) of passing. They are:

H 3240 Would allow any holder of an out-of-state concealed weapons holder to legally carry in South Carolina

Passed by the House on 5/4/17 and Referred to Senate Judiciary on 5/8/17

H 3566 Would authorize the Law Enforcement Training Council to develop guidelines for a one-week training program that would certify first-responders to possess firearms on school premises.

Passed by the House on 4/6/17 and referred to Senate Judiciary on 4/11/17

H 3930 (similar to **S449** and **H3700**) “*Constitutional Carry*”

- Would have SC honor *All* out-of-state Permits of those 21 and older
- Concealed carry on school-owned property would be unlawful *only if the person knowingly did so*.
- SLED no longer would have to find a "favorable" report, rather a permit could only be withheld if there was disqualifying information.
- Make it unlawful to carry concealed if one intends to harm another, but intention cannot be inferred simply from carry.

Passed by the House on 4/6/17 and referred to Senate Judiciary on 4/11/17

H 4810 Joint Resolution

Would form a committee to study the feasibility of putting metal detectors in schools.

Passed by the House on 2/22/18, and referred to Senate Committee on Education on 2/22/18

So, it looks like none of the anti-gun-rights bills can pass this session.

To see the full text of any bill go to: [http://www.statehouse.gov/sess122_2017-2018/bills/insert bill number without s or h or spaces here.htm](http://www.statehouse.gov/sess122_2017-2018/bills/insert_bill_number_without_s_or_h_or_spaces_here.htm)

GRASSROOTS REPORT:

OLD BUSINESS:

Roy Mullis 2nd reading of proposed amendments to the Bylaws:

1. This part is to add to Article VII, “Duties of the Officers”, under “President”, the following sentence: “The President may reassign duties of officers as necessary to insure the efficient functioning of the club. Upon the reassigning of a duty, the President will write an amendment to keep the bylaws up to date.” Explanation: the administration sometimes requires different officers to handle different jobs according to the changing needs of the club. Assignments need to be fluid to achieve the greatest efficiency in the operation of the club.
2. This part is to modify Article VII, “Duties of the Officers”, under “Vice President”, to remove the line “All applications for Membership should be made through the VP who shall contact all

prospective members personally or arrange for the prospective member be contacted by another member of the executive committee.” Explanation: archaic. The club has not used this procedure for years. Currently applications are being accepted not only through the meeting but through electronic methods, walk ins to the range, and on the spot applications from visitors and match competitors.

3. This amendment is to modify Article VII, Duties of the Officers”, under “Treasurer” to add the following: “The treasurer will process all membership applications and renewals, issue membership cards and keep the gate system active and up to date, including the issuance of electronic gate cards.” Explanation: the treasurer handling all applications and renewals streamlines the process of accounting for funds received. The membership data base and gate log will be updated at the same time saving time. This will also provide an accurate as possible membership record for the VP and Secretary to use in membership pages on the website and the distribution of the newsletter.

Roy Mullis proposed the following for the ending time for daily shooting at the range: ½ hour after legal sundown or 9:00pm, whichever is sooner. To accommodate those needing the full hour after legal sundown, must get at least a 24 hour notice approval from at least one club officer who will notify the other officers. Motion passed.

NEW BUSINESS:

Motion for Juniors:

Use club funds to purchase six used Daisy M853 from the CMP
\$105 plus \$14.95 (S&H) - Total Cost: \$359.85. Motion passed.

NEW MEMBERS:

Jacob Manning, Jason Perez, Kristopher Cox, David Cox, Andrew Spurbeck, Sterling Bond, Manuel Valdez.

VOLUNTEERS are needed to help set up the Friday before the USPSA, IDPA, and Steel Challenge matches. Most of the match directors would welcome any assistance. You do not have to be a participant in the match the next day to help. Please get involved in the operation of the club. Contact one of the match directors in this newsletter and volunteer to help.

We have a group of NRA and SLED Certified Instructors who have either retired from the Armed Forces or are currently serving. Our principal Instructor James D. "Jim" Jones served more than 20 years in the active Army Infantry branch, having taught thousands of combat soldiers and civilians small arms training and tactics since 1967.

Our training center is conveniently located in West Columbia. We specialize in South Carolina, Utah and Florida CWP and CFP training. We also offer abbreviated Military and Law Enforcement Officer (MIL/LEO) "South Carolina Legals Only Training" each scheduled CWP class.

Our class teaches the safe operation and use of the personal firearm for the Law Abiding Citizen with an emphasis on "reality scenarios" about real life situations and proper interaction with law enforcement, designed to give YOU the legal advantage if ever involved in a Self Defense shooting. We believe and teach that knowing "when to shoot is at least as important as how to shoot".

Furthermore, we complete your fingerprints and paperwork and deliver your completed CWP application to SLED for processing.

Come JOIN US for CWP training designed to SAVE YOUR LIFE!
