

## MCRC Juniors Program

The program consists of structured instruction in safety, position shooting, and marksmanship skills. If you have an interested youth (8-18) and are willing to come with them to the range on specified days, please complete this form and send it to us at the address below.

Participant		
Name		
Sex	Male	Female
Date of Birth		
Please indicate any medical problems or physical limitations which we should be aware of (we will try to accommodate physical limitations as much as possible);		
Briefly describe any shooting experience:		

Parent/Legal Guardian	
Please note that parent or legal guardian must accompany participant to sessions
