**PRESIDENT’S REPORT:** Roy Mullis, [roym788@comporium.net](mailto:roym788@comporium.net), 803-360-1490  
Roy Mullis reported.

I am combining the CRO report with mine.

I am asked a lot how many members we have and we have always had a problem answering that question. Well I spent some time running reports on the membership data base. Let me give you some figures. We have at this time 538 regular members which are the primary members. We have 85 family members, 11 associate members, and 2 associate family members. There are currently 90 expired members. The average age of our membership is 50. I hope that gives you an idea of where we are as a club.

We still have members leaving their spent ammunition cases on the ground. No one is here to clean up after you. Yes there are a lot of old shells on the ground now but you don’t need to add to the existing. I am in the process of trying to remove most of the existing debris. It will take some time.

One thing I hate to see is these paster tapes laying around in the bays. There are garbage cans right there and this should not be a problem. One thing I cannot understand is how they get all the way into the parking lots.

The rain is causing a lot of washing. I'm getting the bays repaired as quickly as possible. A 10 minute torrential downpour that drops an 1" to 1 1/2" of rain does a lot of damage.

I have had several members mention that they are not getting club information like they used to. Everyone needs to remember that it was decided not to send out things like newsletters and notices of upcoming expirations. I know that Patten does send some notices but that's through the goodness of his heart. When we ask those persons when was the last time they checked their emails, some say months or I never look at that thing. Others have changed their email address and have not notified the club or some who only want to receive certain emails have not placed the club on their accepted list.

**VICE PRESIDENT'S REPORT:** Linda Chico, [lchico@sc.rr.com](mailto:lchico@sc.rr.com), 803-629-7095.

Rhonda Metz reported.

I encourage all the discipline directors to personalize their matches on the event calendar and to add posts with pictures and videos added to their postings on the website. Any match director who needs help, please contact me & I will set up a time to meet and go over how to update the website.

We are aware that there are some problems with printing renewal forms with certain computer operating systems. I have had members contact me with problems with older versions of Windows and also with using remote printing with iPad tablets. If you cannot get the renewal to print, contact me. I can either have you email me the form & print it, or I will complete the form while I have you on the phone & print it. Depending on how fast you need it, I will either mail it to you or leave it at the range for you to pick up. And Roy always has hard copies available at the range. We both bring extra copies to the meeting.

A reminder that Apple mobile devices have a built-in "PDF viewer" which will not let users fill out a form. If you access all internet sites with an Apple mobile device, Adobe recommends that you get an App to open Adobe forms. This only applies to mobile devices - not to MACs. Any member with knowledge about Word Press who would like to help me search for a plugin for a booking calendar application, please contact me at [LChico@sc.rr.com](mailto:LChico@sc.rr.com).

Please remember to contact me by phone, email or text message if you have questions about your membership (renewals, credits, forms needed, etc).

**REMEMBER \* \* Renewals must be sent in 60 days via postal mail before your membership expires and prior to the meeting to allow all of the information to be processed and to ensure that you do not lose gate access.** You will know you have successfully completed renewal once you get a new validation label for your membership card. Please do not call or email Patten asking about the status of your renewal if you only sent it a week or two earlier.

**REMINDER:** If you are installing Windows 10, you will need to download and install the current version of Adobe. Microsoft removes Adobe during the Windows 10 install process. Macintosh users must use the most current version of Adobe Reader to process the renewal form. Mobile devices do not

work for filling out renewal forms. You must use a PC or a Mac. And you must use the current version of Adobe Reader.

Mike Wingard reported.

There have been 2 matches since the last meeting.

We had 58 shooters at the July match. It was hot. A rare breeze was a real treat in the Cooper Bays. Much thanks to the set up crew: Lee Rouse, Mike Wingard and Joe Magagnoli. I was on crutches from an ankle injury - so not much help from me. David Lyell, Sr. from the Augusta area was the top shooter in Open Division. Wally Burbage from Charleston was the winner in Limited Division. Scotty Simpson from Summerville was the best shooter in Production Division & Mike Wilkerson was the best in PCC Division. Travis Crain from Augusta was the top competitor in Revolver Division. Mark Sullivan from Evans GA was the winner in Single Stack Division. Wilbert Spruell from Charleston won in Carry Optics Division.

We had 77 shooters at the August match. It was even hotter and more humid than the previous month - at setup we had a recorded temperature of 98 and a heat index of 103. So very thankful to our setup crew: Bob Bailey, Julie Holling, Lee Rouse, Joe Magagnoli, Bill Wahl and Mike Wingard. Jim Joyce from the Florence area was the winner in Open Division. For the second month in a row, Wally Burbage from Charleston was the best shooter in Limited Division and Scotty Simpson from Summerville was the winner in Production Division. Donald Powers from Camden was the top shooter in PCC Division. Michael Wingard was the only competitor in Revolver Division. MCRC member Jonathan Black was the high shooter in Single Stack Division. Mike Ginn from Williamston won in Carry Optics Division.

We will continue our "summer hours," since starting an hour earlier lets us spend less time shooting during the hottest parts of the day. The usual USPSA - IPSC matches are held the second Saturday of each month. We are using online registration which starts the Monday prior to the match. Contact Linda

Chico at [LChico@sc.rr.com](mailto:LChico@sc.rr.com) to add your name to the notification list. Sign in at the range starts at 8:30 am. Shooting starts at 9:00 am. Juniors are free. New shooters are half price (\$8). Set-up for the match is on the preceding day on Friday afternoon. If you are interested in coming out and trying a shooting sport that involves running and gunning, you can start with very nearly any centerfire pistol if you have enough magazines for it.

**NRA HIGH POWER RIFLE:** Clay Marshall, [marshallc@bellsouth.net](mailto:marshallc@bellsouth.net), 803-695-0300 or Scott Johnson, [scottjohnson641@gmail.com](mailto:scottjohnson641@gmail.com).

Henry Schlein reported.

1. The National Congress of Old West Shooters (NCOWS) held their regularly scheduled match this past Sunday, August 12, 2018. The match stages included several colorful themes, namely, *Out on the Open Range*, *In Town*, *Final Showdown*, *The Horse Thieves*, *The Siege*, and *The Unforgiving*. The last 3 stages consisted entirely of knockdown targets – you basically shot until you knocked down all of your targets. The heat of the day was exceeded only by the heat of the lead flying down range. Everyone had a blast. Sgt. Henry's signature Cowboy coffee was provided, percolated the old-fashioned way; coffee that tastes like coffee instead of water. Donuts and sweet rolls were also provided. Special thanks to Capt. Jeb Forrest who was on hand to keep score, while recovering from his last bout with cancer. Thanks also to our special deputies, Manassas and Phil Henry, for coming out Saturday Afternoon, prior to the match, to help with the setup. Our next match will be held Sunday Morning, Sept. 9, 2018. We welcome all Cowboy and Cowgirl shooters, and anyone else who might be interested in Old West-style shooting.

2. Our matches are held the second Sunday of each month, except for November to accommodate the Toys for Tots benefit match and unless otherwise specified. Match fee is \$15.00 (\$8.00 for first match, no charge for age 12 and under). If anyone is interested in NCOWS, or in shooting one of our matches, please contact Henry Schlein (aka, "Sgt. Rick Henry") at 843-821-9999 or e-mail [henryschlein@yahoo.com](mailto:henryschlein@yahoo.com). Please come and check us out; or better yet, join in the fun. No need to be shy, we are a very friendly and family oriented group.

3. NCOWS uses rules similar to SASS Cowboy matches, with greater attention to historical accuracy concerning our weapons and clothing regarding period-correct detail. We shoot in 2, 3 and 4-gun classes. Generally, any pre-1900 pistol, rifle in pistol caliber, and/or shotgun may be used. These can be originals in serviceable condition or reproductions. Additionally, we shoot smokeless and black powder. New participants are given generous allowances, since we realize it takes a long time to acquire needed clothing and accoutrements. Gun carts are optional, rifle racks are provided. There is no overall winner in NCOWS matches; each class is judged independently.

Anyone who is not a new shooter will be charged an extra \$5 to register at the range on match day. ## **SELF DEFENSE (CWP) CONCEALED CARRY TRAINING CENTER**

We have a group of NRA and SLED Certified Instructors who have either retired from the Armed Forces or are currently serving. Our principal Instructor James D. "Jim" Jones served more than 20 years in the active Army Infantry branch, having taught thousands of combat soldiers and civilians small arms training and tactics since 1967.

Our training center is conveniently located in West Columbia. We specialize in South Carolina, Utah and Florida CWP and CFP training. We also offer abbreviated Military and Law Enforcement Officer (MIL/LEO) "South Carolina Legals Only Training" each scheduled CWP class.

Our class teaches the safe operation and use of the personal firearm for the Law Abiding Citizen with an emphasis on "reality scenarios" about real life situations and proper interaction with law enforcement, designed to give YOU the legal advantage if ever involved in a Self Defense shooting. We believe and teach that knowing "when to shoot is at least as important as how to shoot".

Furthermore, we complete your fingerprints and paperwork and deliver your completed CWP application to SLED for processing.

Come JOIN US for CWP training designed to SAVE YOUR LIFE!
