**MCRC GENERAL INFORMATION**  
**P.O. BOX 2528, COLUMBIA, S.C. 29202-2528**

Thank you for your interest in our club. We are happy to have safe, responsible shooters join us.

1. The club meets the second MONDAY of each month at 6:30pm. We call for new members at the end of the meeting. After the meeting is over, take your application to the Vice-President or Secretary for processing. If you are unable to come to a meeting, you may either have a current club member bring your completed application and proof of your membership in a gun rights group to the meeting and have them speak for you, or you may interview with an officer at the range and have them speak for you. If you join at the range you are required to make the next scheduled Orientation. You will be given your membership credentials and will be considered provisional until your application is presented at the next meeting for approval.
2. Membership in a gun rights organization like, NRA, GOA, JPFO, or SAF is a requirement for membership in MCRC. **You must provide proof of your membership (membership card, email or some other identifying item proving membership), which must be verified by an officer in the club when you join.** Membership in the NRA is available at the meeting and dues must be paid at the same time as MCRC dues. If you elect to apply on your own to any of the accepted Gun Rights Organizations, you will be accepted PROVISIONALLY for membership, and you must provide proof of membership to the person doing the Range Orientation.
3. Read the RANGE RULES. We are serious about safety! *You **MUST** attend the Range Safety Orientation which will be announced at the meeting when you join. Please bring your copy of the rules, and eye & ear protection with you to the orientation.* It is REQUIRED that you be briefed on range safety **AT THE RANGE**. There will be one briefing done each month at a time that will be announced during the monthly meeting. If you are unable to make it at the designated time, you will have to attend the next monthly briefing or make arrangements with the club President to attend a special orientation. Individual orientations are only approved under special circumstances.
4. When you complete the regularly scheduled range safety briefing, you will be given a packet containing your gate access card and membership card.

When you turn in your application, PLEASE KEEP THE LAST TWO PAGES FOR FUTURE REFERENCE. On these pages is a list of all Officers, current Match Directors, a map to the range with directions.
