PRESIDENT'S REPORT: Roy Mullis, roym788@gmail.com, 803-360-1490
Roy Mullis reported.

The nice weather continues to bring more members to the range. Another good month for rules compliance. More members are coming to me if they are not clear about a certain rule. Only issue is a lot of aluminum and steel cases are being left on the ground. So many that I have members complaining about the mess. Rules ask members to please help keep the range clean.

I would like to work the December gun show at the fairgrounds. If anyone would like to help man the booth and help promote the club, I would appreciate the help. December 14 and 15.

VICE PRESIDENT'S REPORT: Linda Chico, lchico@sc.rr.com, 803-629-7095.
Linda Chico reported.

Thank you very much to all the club members who devoted their time as volunteers to help with setup at the USPSA Thompson-Daugherty Toys for Tots match and to help during the match in exchange for dues credit.

Please remember to contact me by phone, email or text message if you have questions about your membership (renewals, credits, forms needed, etc). If you cannot get the renewal to print, contact me. And Roy always has hard copies available at the range. We both bring extra copies to the meeting. There is a large group of members who need to renew in November and December. Nearly 1/3 of the membership expires during those two months. Please renew ASAP. Because of the holidays, waiting until the very last week of the month to renew may delay getting your new card.

Again, a reminder that Apple mobile devices have a built-in "PDF viewer" which does just what it says - users can view the form, but it will not let users fill out a form. If you access all internet sites with an Apple mobile device, Adobe recommends that you get the free App from the App Store to open and use Adobe forms. This only applies to Apple mobile devices - not to MACs.

REMEMBER * * Renewals must be sent in 60 days via postal mail before your membership expires and prior to the meeting to allow all of the information to be processed. You will know you have successfully completed renewal once you get a new membership card. Please do not call or email Patten asking about the status of your renewal if you only sent it a week or two earlier. If you are using an Apple mobile device to complete a renewal form, you may need to install an Adobe Forms App (available free in the App Store). Please contact Linda Chico (lchico@sc.rr.com) if you have problems accessing or printing the form.

Richard Byers reported.

Those of you didn't make today's match missed a great time. The temperature started off a little cool but there was no wind. As the day went on the temperature rose and so did the mirage and wind. The last target was very challenging and it can be seen in the scores.

We had 8 competitors; seven sling, and one F-Class (Robert Herstine). The F-Class uses the metric targets. The competition was close. After the first match 5 competitors were within 3 points of each other. Two were clean (Jeff Howell 400-23X and Clay Marshall 400-24X). After the second match 4 competitors were within 5 points, but no one was clean. After the third match 3 competitors were within 5 points. In the end Jeff Howell won the match with a 1187-52X, Richard Byers was second with 1185-67X, and Tom Haldi was third with 1182-53X.

This past weekend USPSA shooters hosted the 18th annual Toys for Tots Benefit match. It is named the Thompson-Daugherty Memorial match in honor of two MCRC members who were Marine Corp vets & who supported this charity event for years. First, a huge thanks to MCRC volunteers who helped with setup for the Toys for Tots match and to helped during the match in exchange for dues credit. We especially want to thank those working several days: David Davis, Nelson Thompson, Brittany Frohnhoefer, Seth Feaster, David Marino, Jim Stewart, Bruce Peterson.

We had 114 shooters at the Match. It was a bit cold, but clear: A perfect day for shooting. David Lyell from Augusta GA was the top shooter in Open Division. Wally Burbage from Charleston was the winner in Limited Division. Jeff Chu from Brunswick GA was the winner in Production Division. MCRC member Jon Davis from Irmo was the top shooter in PCC Division. Paul Beck from Greensboro NC was the best shooter in Revolver Division. Tudor Sturzu from Harstville was the high shooter in Single Stack Division. Trevon Barber of Charlotte NC was the top shooter in Carry Optics Division.

We donated a van full of toys and \$3560 to the Marine Corp to cheer up Christmas for children in the Midlands. We will continue to collect Toys and cash or checks until the December meeting. If there are any other disciplines collecting toys, let Linda Chico know so that she can arrange to pick them up and deliver to the Marines.

The usual USPSA - IPSC matches are held the second Saturday of each month. We are using online registration which starts the Monday prior to the match. Contact Linda Chico at LChico@sc.rr.com to add your name to the notification list. We are currently using Summer hours (starting an hour earlier at 9:00AM). Sign in at the range starts at 8:30 am. Shooting starts at 9:00 am. Juniors are free. New

shooters are half price (\$11). Set-up for the match is on the preceding day on Friday afternoon. If you are interested in coming out and trying a shooting sport that involves running and gunning, you can start with very nearly any centerfire pistol if you have enough magazines for it.

NRA HIGH POWER RIFLE: Clay Marshall, marshallc@bellsouth.net, 803-695-0300 or Scott Johnson, scottjohnson641@gmail.com.
Scott Johnson reported.

Match was held on November 10th. 3 shooters came out. Match winner was Sam Jones with a 484-9X.

NATIONAL CONGRESS OF OLD WEST SHOOTISTS (NCOWS): Henry Schlein, henryschlein@yahoo.com, 843-821-9999 or Dave Graley, Assistant Match Director, dlgraley@aol.com 803-403-4792.– **South Carolina Old West Shootists Association of NCOWS.**

We normally do not hold a regular match in November, however, on November 16, 2016 we were part of a Wild West Day (Lone Star-Palmetto) event at the South Carolina Confederate Relic Room and Military Museum. Nine posse members came and participated including one new member who joined up at the event, Wade Fulmer (*Ole Undertaker*). Welcome aboard, Mr. Undertaker. Also participating were Okefinokee Outlaw, Doc Who, Cheyenne Jim, Les Deadly, Moonshine, Youghioghenny Kid, Kitfield Kid, and Sgt. R. Henry. We had 2 large display tables and a gun rack, all full of various period firearms, both actual, and reproduction, as well as some non-firing replicas that could be handled by the public. Also on display was some period leather and some modern, Hollywood rigs, for illustrative purposes. We passed out information on NCOWS and our posse matches, and also made information available about all of the other Cowboy shooting clubs in the area.

We had a reenactment of the Hickok vs. Tutt shootout at high noon, starring the Kitfield Kid as Wild Bill Hickok and none other than Okefinokee Outlaw as Dave Tutt (well, he already had the name, “Dave”). Although it started to drizzle by then, the reenactors managed to keep their powder dry and give an impressive performance. The shootout was narrated by our host, Joe Long, curator of the museum; crowd and traffic control was provided by Sgt. Henry. Although we shared the day's event with some Spanish American War reenactors, we were in center stage out front with the public and (forgive me if I am just a little biased, but) I think NCOWS stole the show.

We also had our photographer, Ms. Jackie Smith, take lots of good pics. She does a very good job and is a big supporter of our posse. She took most or all of the pics that were used in last year's article on the Wild West Fest in Aiken.

After the event, Joe Long presented each of us with a special, Confederate Relic Room challenge coin. This coin is not available, or for sale, in the gift shop. You can only receive one if Joe or the Director presents it to you. Both Joe and the Director want us to come back and do another one. Thanks to everyone who came and made this event work.

Match Report for October 13, 2019

The date was October 26, 1881 in Tombstone, Arizona Territory. City Marshal Virgil Earp, along with Deputy Marshals Wyatt and Morgan Earp, and Special Deputy Doc Holliday, have gotten wind of threats

made by the criminal element in town, known as the Cowboys, and have decided to go and preemptively disarm them. Ike and Billy Clanton, Frank and Tom McLaury, and others, are in the street behind the OK Corral, planning to go kill the Earps. Sheriff Johnnie Behan attempts to stop the lawmen, telling them he has already disarmed the Cowboys. Upon arrival, the Earps and Doc Holiday face off against the outlaws and confront them. Gang members Billy Claiborne and Ike Clanton flee. The remaining gang members go for their guns and a general gunfight ensues.

The National Congress of Old West Shootists (NCOWS) held its Gunfight at the OK Corral Anniversary Match October 13, 2019. Almost a half dozen members came out and shot the match. A brief period of rain preceded the event, however, the match itself was dry and comfortably cool. Cowboy coffee, donuts, sweet rolls and cold drinks were the order of the day. After the match, the members adjourned to Carolina Wings in an attempt to *reshoot the match with more favorable results*. Our next match will be Saturday, November 30, 2019, the 5th Saturday of November. Hope to see some of you there.

Our matches are normally held on **the second Sunday of each month**, except for November to accommodate the Toys for Tots benefit match and unless otherwise specified. Match fee is \$15.00 (\$8.00 for first match and juniors, no charge for age 12 and under). Please come and check us out; or better yet, join in the fun. No need to be shy, we are a very friendly and family oriented group. Cowboy Coffee, donuts and sweet rolls provided at most matches.

NCOWS uses rules similar to SASS Cowboy matches, although NCOWS pays greater attention to historical accuracy concerning our guns, clothing and equipment. New participants are given generous allowances, since it takes a long time to acquire the needed clothing and accoutrements. Gun carts are optional, rifle racks are provided. We shoot in 2, 3 and 4-gun classes. Generally, any pre-1900 pistol, rifle in pistol caliber, and/or shotgun may be used. These can be originals in serviceable condition or reproductions. Additionally, we shoot smokeless and black powder. There is no overall winner in NCOWS matches; each class is judged independently. Come for the coffee, stay for the fun.

PRECISION PISTOL: Mike Carr, afvet53@netzero.net, 803-408-0024.

We have not had a match since the last meeting. Our next match will be the Mackall Charity Match this coming Saturday, November 16th. The cost is \$20 for the first gun, which will be donated to support the Mackall Competition, and \$5 for the second gun, which will stay with the club. Participants will get a goodie bag, be fed lunch, can purchase raffle tickets for various prizes and can purchase t-shirts for \$20. Preregistration thru Practiscore.com is required and slots are still available. If you have problems with registering, please contact me. If you are interested in helping set up for the match, you will get a \$30 discount to be used at future matches or the standard credit for club members who do not participate in our matches. Set-up will be done on Friday, starting at 2:30pm. We will start registration at the range beginning at 9:00 and the match starts at 10:00.

METALLIC RIFLE SILHOUETTE: Mical Bowling mical@blackwolfconsulting.com (803-546-4742) Roy Mullis read the report.

The monthly smallbore rifle silhouette match which was not reported at the October meeting was held at noon on Saturday the 21st of September. In the standard match there was a three way tie for match winner. After a shoot off, Dennis Eidson of the Savannah River club came out as the winner. Mical won the hunter match.

The most recent monthly smallbore rifle silhouette match was held at noon on Saturday the 19th of October. It was a cool autumn day. Rain began by set up time. It was sufficiently heavy that the match director decided we would shoot at swingers instead of the usual set up. By doing this there would be no logging around in the rain and saturated sand. Rain was constant during the standard match but let up near the end of the hunter match. John a newby bravely joined us for the entire match. Mical was the match winner in both events.

The next smallbore rifle silhouette match will be at noon on Saturday November 16th. In November we will have our annual turkey shoot and Mical will come up with another grand challenge at 100 yards.

On the third Saturday of each month, the smallbore rifle silhouette match begins promptly at noon. Set up starts around 10 with sight in and practice after set up is complete. The smallbore hunting rifle match usually begins at 1:30 after a short lunch break.

COWBOY ACTION SHOOTING - Savannah River Rangers: Joe Metz, jmrm3@sc.rr.com, 803-960-3907 and Matthew Haulbrooks
Rhonda Metz read the report.

Cowboy Action is an action shooting sport sanctioned by SASS – Single Action Shooting Society. Single Action means the guns have to be cocked before they will fire and must be pre 1900 original or replica, most use new production replicas. The shooter must have 2 revolvers, a lever action rifle chambered in a pistol caliber and a shotgun. The shotgun may be a double barrel, a lever action or an exposed hammer pump action. Ammo is low velocity exposed lead bullets, no jacketed bullets because we shoot steel targets at close range. A typical match has 6 stages with a different scenario on each stage. Each stage is timed and usually consists of 5 rounds from each pistol, 10 rounds from the rifle and 4 rounds from the shotgun with movement between each shooting string. At the end the times are added up and the lowest time wins!

Our last match was October 20th. Weather was cool and cloudy.

18 shooters came out. Top 5 were: 5th – Palmetto Traveler, 4th – Whiskey Mac, 3rd – Kid Ray, 2nd – Stone Ground, 1st – Bulls Head Bill.

We had 3 clean shooters. That means no misses or penalties.

Next match is November 17th. Registration begins at 8:30, Shooters Meeting at 9:30, shoot shortly after – we would love to have you come out and see what Cowboy Action is all about!

IDPA: Bob Hoban 803-491-5509, Mike Phillips 803-530-9135, or idpaatmcrc@gmail.com.

There was a match on Saturday 10-26-2019. It was the first match in several months, because MD Bob Hoban is having issues with his health. Roy Johnson stepped up with some stage designs & Mike Dawson helped lead a group of volunteers at Friday setup: Thanks to Bill Wahl, Don Rawls, Chuck Schenk, Mike Dawson, John Twilley, Erick Holt, Roy Johnson & Bob Bailey. There were 31 shooters for the match. Top score for the day was turned in for Bob Bailey (COP) at 84.45 seconds. Mr. Bailey is rated Expert. The top score turned in for Custom Defensive Pistol (CDP) Division was for Gerald Douglas with 101.61 seconds. Mr. Douglas is rated Expert. Master rated shooter Tim Fritz posted the best score in CCP with 104.79 seconds. The top score turned in for Enhanced Service Pistol (ESP) was for Jack Gassaway with 116.67 seconds. MCRC member Lee Rouse posted the top time for Pistol Caliber Carbine (PCC) with 118.38 seconds. The top score turned in for Stock Service Pistol (SSP) was for Mike Griggs (an Unrated Novice, Senior & LEO) at 139.20 seconds. Stephen Galentine (Novice in SSP) had the top score turned in for a Novice at 143.77 seconds. Charles Schenck had the top score turned in for the Revolver Division at 445.51 seconds. This was the first match Mr. Schenck shot in about 11 years. He beat out the only other Revolver shooter, 4 years Mr. Schenck's senior who was hobbling around the best he could and taking careful aim. Assistant MD Mike Phillips was the only shooter in the BUG Division with a total score of 205.81 seconds.

Our next match will be on November 23, 2019. This will be our Toys for Tots Charity match. All proceeds will be donated to Toys for Tots. Setup will be on Friday afternoon. IDPA matches are scheduled for the 4th Saturday of each month. Pre-registration and squad selection is through Practiscore.com (search for "MCRC IDPA" to find upcoming matches). IDPA is designed to help you with concealed carry. IDPA gear should be consistent with "carry gear."

We completed our first Orientation program for the Sea Cadets on October 29. Five participants tested and shot for qualification. Two additional participants, who were not able to attend on October 29, completed the program November 7. Of the seven, two qualified as Marksman, four as Sharpshooter, and one as Expert. All seven will be awarded their marksmanship ribbons in an awards ceremony on December 15. The program was very well received and additional classes are tentatively scheduled for next summer. Special thanks to Jim Boyd and Kim Wales for their instructor expertise. As a friendly warning to all; based on their performance, all of the participants will be serious competitors.

One of our participants was awarded Fourth place in the NRA Annual Youth Essay Contest (4th-8th grades).

Photos posted to Facebook and website.

I provided a presentation to a Columbia area Civil Air Patrol (CAP) flight on November 5 and we plan on conducting an orientation program for them after the first of the year. I am working with the Sumter CAP flight to set up a program for them, however, the distance may be an issue. We are also working to schedule programs for individual participants or schedule them with existing groups as space allows.

Looking to open a regular monthly Junior match once attendance is built up.

Match directors, we passed on information concerning your matches to the participants and their parents, so you may have some of our “graduates” attending your matches.

We are always looking for juniors to participate and we welcome volunteers to want to help out.
