PRESIDENT'S REPORT: Roy Mullis, roym788@gmail.com, 803-360-1490
Roy Mullis reported.

Last month I mentioned how range violations are low. This month is not as good. I believe some are forgetting the rules about things like shooting at boxes and cleaning up after yourself, waiting for the gate to close behind you as you enter or leave and the wearing of ID badges. Everyone needs to keep up with the rules. I know there are members who have not looked at the rules since they joined 10 to 20 years ago. In the last 5 years there have been numerous changes. I encourage all to go back through the rules and familiarize themselves.

We have been testing the feasibility of allowing shooting clays in the air in the silhouette bay. Ed Grantham and I have been doing distance testing and it looks like it may be ok. I'll notify when the decision is made and the rules have been updated.

I will have the first steel plate in the shotgun bay shortly. Again I'll put a notice up when everything is ready. Probably after the first of the year.

VICE PRESIDENT'S REPORT: Linda Chico, lchico@sc.rr.com, 803-629-7095.
Linda Chico reported.

I send out email messages to MCRC members who have memberships due to expire within 30-60 days. In December, there are 140 members who will need to renew. In addition, everyone has family and personal obligations in December, related to the holidays. Our club officers are volunteers who have to balance the time required to complete club business with jobs, family and other obligations. Please do not wait until the last 2 weeks of the month to submit your renewal.

Really good news on Toys for Tots. This year, in addition to lots of toys, MCRC donated \$5445 to the local campaign. That is over \$1000 more than last year. Thank you!

Please remember to contact me by phone, email or text message if you have questions about your membership (renewals, credits, forms needed, etc). If you cannot get the renewal to print, contact me. And Roy always has hard copies available at the range. We both bring extra copies to the meeting.

Again, a reminder that Apple mobile devices have a built-in "PDF viewer" which does just what it says - users can view the form, but it will not let users fill out a form. If you access all internet sites with an Apple mobile device, Adobe recommends that you get the free App from the App Store to open and use Adobe forms. This only applies to Apple mobile devices - not to MACs.

REMEMBER * * Renewals must be sent in 60 days via postal mail before your membership expires and prior to the meeting to allow all of the information to be processed. You will know you have successfully completed renewal once you get a new membership card. Please do not call or email Patten asking about the status of your renewal if you only sent it a week or two earlier. If you are using an Apple mobile device to complete a renewal form, you may need to install an Adobe Forms App (available free in the App Store). Please contact Linda Chico (lchico@sc.rr.com) if you have problems accessing or printing the form.

COWBOY ACTION SHOOTING - Palmetto Posse: Roger Horton roger@adluh.com, 803-447-0853. Rhonda Metz read the report.

This month we had our annual Toys for Tots Christmas Match celebrating 16 years. We had 76 shooters

The weather was perfect with highs in the mid 60 's and blue skies. Shooters enjoyed 5 challenging stages, then enjoyed a BBQ lunch followed by the awards and gift raffle. We had 4 shooters that shot the match clean, clean meaning they hit all the targets in the correct order.

And in the spirit of Christmas the other 72 shooters who had misses and or procedurals were excused.

SMALLBORE PRONE RIFLE Richard Byers, mrcrcsmallbore@gmail.com, 803-240-9678. Richard Byers reported.

We had 6 competitors show for the last match for 2019. The day started out cool but as the temperature rose so did the wind.

We have two classification of competitors. Sling - This means the rifle is held by the competitor and a sling is used to provide support. The other classification is F-Class. A bipod or a bench rest style rest may be used.

Bob Clark won the sling class with 1166-57X.
Robert Herstine won F-Class with 1168-66X

The next match will be 1/4/20.

NRA LIGHT RIFLE: Robert Shaffner, Robert_shaffner@yahoo.com, 330-409-3799. No report.

There have been no matches since our last meeting. We have a match planned for Saturday, December 14, 2019.

The usual USPSA - IPSC matches are held the second Saturday of each month. We are using online registration which starts the Monday prior to the match. Contact Linda Chico at LChico@sc.rr.com to add your name to the notification list. Sign in at the range starts at 9:30 am. Shooting starts at 10:00 am. Juniors are free. New shooters are half price (\$11). Set-up for the match is on the preceding day on Friday afternoon. If you are interested in coming out and trying a shooting sport that involves running and gunning, you can start with very nearly any centerfire pistol if you have enough magazines for it.

NRA HIGH POWER RIFLE: Clay Marshall, marshallc@bellsouth.net, 803-695-0300 or Scott Johnson, scottjohnson641@gmail.com.
Scott Johnson reported.

Match was December 8th. We had 5 shooters. Match winner was Jeff Howell firing a 480-09X.

NATIONAL CONGRESS OF OLD WEST SHOOTISTS (NCOWS): Henry Schlein, henryschlein@yahoo.com, 843-821-9999 or Dave Graley, Assistant Match Director, dlgraley@aol.com 803-403-4792.– **South Carolina Old West Shootists Association of NCOWS.**

The South Carolina Old West Shootists (an NCOWS charter posse) held a really awesome match over Thanksgiving Weekend, Saturday, November 30, 2019. We had 10 participants, which is close to a record for us. If being on a Saturday had something to do with it, expect more Saturday matches going forward. Although we shot 4 main stages, some of these could be considered Magnum level stages plus a very unique bonus stage, for a total of 5 stages. The bonus stage consisted of cutting the hangman's *rope* to free Tuco; participants were allowed up to 4 shots to cut the *rope*.

The match results were as follows: **Elder 4 Gun Smokeless Duelist**, Doc Who, 1st Place, followed by Kitfield Kid, 2nd Place; **Elder 4 Gun Smokeless Shootist**, Moonshine, 1st Place, **Senior 4 Gun Smokeless Shootist**, Wichita Jack, 1st Place; **4 Gun Smokeless Shootist**, Youghioghenny Kid, 1st Place, James L. Henry, 2nd Place; **Senior Lawman**, Ole Undertaker, 1st Place, and **Lawman**, Sgt. R. Henry, 1st Place. We had one **Clean Shooters**, Youghioghenny Kid. **Tuco's New Partners** (those who succeeded in cutting the rope) were Doc Who, Moonshine, Wichita Jack, James L. Henry, and Sgt. Rick Henry. **Special Deputies** (not shooting but who still participated) were Okefinokee Outlaw, Unloading Table and Phil Henry, Score Keeper. NCOWS matches have no overall winner. Everyone competes within their respective categories. Normally, we are supposed to have a minimum of 3 shooters to make a category, but the rules are often relaxed at our posse matches. Also, welcome aboard a new member, James L. Larsen, aka, James L. Henry. His membership paperwork has been mailed in. Please get your **renewals** in, for those few who have not yet done so.

On November 16, 2016 we were part of a Wild West Day (Lone Star-Palmetto) event at the South Carolina Confederate Relic Room and Military Museum. Nine posse members came and participated including one new member who joined up at the event, Wade Fulmer (*Ole Undertaker*). Welcome aboard, Mr. Undertaker. Also participating were Okefinokee Outlaw, Doc Who, Cheyenne Jim, Les Deadly, Moonshine, Youghioghenny Kid, Kitfield Kid, and Sgt. R. Henry. We had 2 large display tables and a gun rack, all full of various period firearms, both actual, and reproduction, as well as some non-firing replicas that could be handled by the public. Also on display was some period leather and some modern, Hollywood rigs, for illustrative purposes. We passed out information on NCOWS and our posse matches, and also made information available about all of the other Cowboy shooting clubs in the area.

We had a reenactment of the Hickok vs. Tutt shootout at high noon, starring the Kitfield Kid as Wild Bill Hickok and none other than Okefinokee Outlaw as Dave Tutt (well, he already had the name, "Dave"). Although it started to drizzle by then, the reenactors managed to keep their powder dry and give an impressive performance. The shootout was narrated by our host, Joe Long, curator of the museum; crowd and traffic control was provided by Sgt. Henry. Although we shared the day's event with some

Spanish American War reenactors, we were in center stage out front with the public and (forgive me if I am just a little biased, but) I think NCOWS stole the show.

We also had our photographer, Ms. Jackie Smith, take lots of good pics. She does a very good job and is a big supporter of our posse. She took most or all of the pics that were used in last year's article on the Wild West Fest in Aiken.

After the event, Joe Long presented each of us with a special, Confederate Relic Room challenge coin. This coin is not available, or for sale, in the gift shop. You can only receive one if Joe or the Director presents it to you. Both Joe and the Director want us to come back and do another one. Thanks to everyone who came and made this event work.

Our matches are normally held on **the second Sunday of each month**, except for November to accommodate the Toys for Tots benefit match. We also hold matches on the fifth Saturday of such applicable months. Match fee is \$15.00, \$8.00 for juniors, no charge for age 12 and under. Please come and check us out; or better yet, join in the fun. No need to be shy, we are a very friendly and family oriented group. Cowboy Coffee, donuts and sweet rolls provided at most matches.

NCOWS uses rules similar to SASS Cowboy matches, although NCOWS pays greater attention to historical accuracy concerning our guns, clothing and equipment. New participants are given generous allowances, since it takes a long time to acquire the needed clothing and accoutrements. Gun carts are optional, rifle racks are provided. We shoot in 2, 3 and 4-gun classes. Generally, any pre-1900 pistol, rifle in pistol caliber, and/or shotgun may be used. These can be originals in serviceable condition or reproductions. Additionally, we shoot smokeless and black powder. There is no overall winner in NCOWS matches; each class is judged independently. Come for the coffee, stay for the fun.

PRECISION PISTOL: Mike Carr, afvet53@netzero.net, 803-408-0024.
Match was cancelled, no report.

STEEL CHALLENGE: Dennis Coggins, damocles1234@hotmail.com, 803-732-0663, or Julie Holling, jwholling@bellsouth.net, 803-755-7397.
Roy Mullis read the report.

On November 16th, we had 38 shooters come out with 56 firearms on a cold and damp day to participate in the Mackall Charity Match. The shooters included 1 junior, 4 ladies, and 8 new shooters. It was a good turnout and \$945 was raised for the Mackall Competition through the entry fees and a few extra donations. Several shooters who registered, but weren't going to be able to shoot, still brought their donations out. Additional funds were raised by the Special Forces Association, Chapter 6 through sales of hats, shirts, and raffle tickets. A Palmetto State Armory AR15 and a certificate for a Glock pistol were won by two of the participants. Other donated items were given out to competitors in a random drawing. We were also treated to a nice barbeque lunch.

Bob Bailey won Carry Optics with a time of 104.19. Rick Turcotte led Limited in 113.60. David Strickland won Production in 92.23. Rod Goforth led Rimfire Pistol Optic in 58.60. Corey Hayes won Rimfire Pistol Iron with 74.34 seconds. Todd Syssa won Rimfire Rifle Open in 57.84 seconds. There were two competitors in the Open, Single Stack and Pistol Caliber Carbine Iron divisions, which were

won by Chad Wylie, Zachary Holtel and Julie Holling, respectively. All division winners, down to third place when possible, received a certificate, with the 1st place winners getting an additional goodie bag.

Our next match will be on December 21st. Preregistration thru Practiscore.com is required. If you have problems with registering, please contact me. Anyone who is not a new shooter will be charged an extra \$5 to register at the range on match day. If you are interested in helping set up for the match and getting a \$15 discount on your match fee, set-up will be done on Friday, starting at 3:30pm. On, Saturday, we will start registration at the range beginning at 9:15 and the match starts at 10:00.

METALLIC RIFLE SILHOUETTE: Mical Bowling mical@blackwolfconsulting.com (803-546-4742) Roy Mullis read the report.

The monthly smallbore rifle silhouette match was held at noon on Saturday the 16th of November. Temperatures were quite cool with intermittent rain during set up. During the standard match there were heavy showers which required slogging through the rain and sandy muck to reset targets. Fortunately the rain quit in time for the hunter match. Curtis Kesler won the standard match with an excellent 35 while Mical took the hunter match with a 33.

Following the match, we had our annual turkey shoot. This started by setting up a set of silhouette turkeys at 100 yards instead of the standard 77 yards. Then shooting rob robin style, prizes were awarded for each turkey knocked over. Each participant managed to get at least one turkey while Charlie Meli and Curtis Kesler down from North Carolina tied with 3 turkeys each. For a more difficult challenge two turkeys were placed edge forward at 100 yards. Curtis took down one of the side facing turkeys while Dennis Eidson of the Savannah River club took the other. As an even more difficult challenge, a sleeping turkey was set out at 100 yards and in short order Dennis Eidson took it down.

The next smallbore rifle silhouette match will be at noon on Saturday December 21st.

On the third Saturday of each month, the smallbore rifle silhouette match begins promptly at noon. Set up starts around 10 with sight in and practice after set up is complete. The smallbore hunting rifle match usually begins at 1:30 after a short lunch break.

IDPA: Bob Hoban 803-491-5509, Mike Phillips 803-530-9135, or idpaatmcrc@gmail.com.
Linda Chico read the report.

The November 23rd IDPA match saw 29 shooters brave incoming rainstorms to complete six challenging stages. Our own Bob Bailey took High Overall, High Distinguished Senior and placed first in Carry Optics division. High Iron Sights and first in Concealed Carry Pistol was Mike Wilkerson representing Palmetto Gun Club. High Pistol Caliber Carbine was Wayne Troutman and High Lady was Emily Montalvo. Thanks to everyone who came out to help set up Friday afternoon. Your dedication and help make our matches happen.

All proceeds from the match were donated to Toys for Tots. That was \$580 in entry fees and then IDPA at MCRC kicked in an additional \$420 for a total donation of \$1000.

Due to changes in the IDPA Universal Classification system the December 28th match will be all Classifier stages. We'll be set up for the 72-round Standard Classifier, the 5x5 Classifier and the 54-round PCC Classifier. Shooters will be able to Classify in two separate divisions but to do so must register in two different stages. Entry will be \$10 per gun.

APPLESEED RIFLE CLINIC: Tyler Scott, appleseedsc@gmail.com
Roy Mullis read the report.

We had 17 shooters attend the Appleseed Clinic on the weekend of October 19th. This was a sold out event. However, the rainy weather on Saturday must have scared away 3 shooters. We had a total of 5 rifleman. Four were new, and one was a requalification by Corey Hayes who shot a score that earned him the distinguished rifleman patch (240 or higher out of 250 with a scoped rifle).

We have 3 events scheduled at MCRC next year. An instructor boot camp will be held on February 1st and 2nd. This is a non-shooting event that is basically a “train-the-trainer” session to be held in the Juniors building. We will be teaching new instructors and allowing current instructors to hone up their skills. This is open to anyone that would like to attend. There is no cost for this event.

We also have two standard shoots scheduled for April 18-19 and October 17-18. Registration for these events can be found at <https://appleseedinfo.org/schedule/?qstate=SC&state=South%20Carolina>.

If you have any questions feel free to email me at appleseedsc@gmail.com.

Please pay attention to the proposed laws in Virginia. Because of a change in the majority party in the state legislature, the Governor has proposed a series of new laws to regulate and restrict gun ownership. Please do not think this could not happen here. Keeping our gun rights requires our vigilance and participation in state and local elections.
