Please remember to contact me by phone, email or text message if you have questions about your membership (renewals, credits, forms needed, etc). If you cannot get the renewal to print, contact me. And Roy always has hard copies available at the range. We both bring extra copies to the meeting.

Again, a reminder that Apple mobile devices have a built-in "PDF viewer" which does just what it says - users can view the form, but it will not let users fill out a form. If you access all internet sites with an Apple mobile device, Adobe recommends that you get the free App from the App Store to open and use Adobe forms. This only applies to Apple mobile devices - not to MACs.

**REMEMBER \* \* Renewals must be sent in 60 days via postal mail before your membership expires and prior to the meeting to allow all of the information to be processed.** You will know you

have successfully completed renewal once you get a new membership card. Please do not call or email Patten asking about the status of your renewal if you only sent it a week or two earlier. If you are using an Apple mobile device to complete a renewal form, you may need to install an Adobe Forms App (available free in the App Store). Please contact Linda Chico ([lchico@sc.rr.com](mailto:lchico@sc.rr.com)) if you have problems accessing or printing the form.

No USPSA matches since the last meeting. Our next USPSA match is Saturday.

In USPSA, every shooter completing a course of fire is followed by a Range Officer with a timer. Although the timer is certainly important for the competition, the primary responsibility of the Range Officer is safety. There are several levels of Range Officers or RO's as they are more commonly called by fellow shooters. The typical match has 15 to 20 shooters who are level one RO's. The Range Officers in USPSA have to undergo training from instructors sent from USPSA's national headquarters. They take a 2 day training seminar to show them how to run competitors through a course of fire, safely & within the rules of the sport. Once the competitor has completed a course of fire, it is also the RO's job to call out the scores on each target. Next month we will talk about level two RO's.

The usual USPSA - IPSC matches are held the second Saturday of each month. We are using online registration which starts the Monday prior to the match. Contact Linda Chico at [LChico@sc.rr.com](mailto:LChico@sc.rr.com) to

add your name to the notification list. Sign in at the range starts at 9:30 am. Shooting starts at 10:00 am. Juniors are free. New shooters are half price (\$11). Set-up for the match is on the preceding day on Friday afternoon. If you are interested in coming out and trying a shooting sport that involves running and gunning, you can start with very nearly any centerfire pistol if you have enough magazines for it.

**NATIONAL CONGRESS OF OLD WEST SHOOTISTS (NCOWS):** Henry Schlein, [henryschlein@yahoo.com](mailto:henryschlein@yahoo.com), 843-821-9999 or Dave Graley, Assistant Match Director, [dlgraley@aol.com](mailto:dlgraley@aol.com) 803-403-4792.– **South Carolina Old West Shootists Association of NCOWS.**

The South Carolina Old West Shootists held a special, Saturday match on February 29, 2020. We had 5 iron packed, lead-filled stages including an awesome bonus stage, all involving some reactive knockdown targets. The results are as follows: First Place 4-Gun Smokeless Shootist: James L. Henry, 473.28. First Place Senior 4-Gun Smokeless Shootist: Wichita Jack, 498.18. First Place Elder 4-Gun Smokeless Shootist: Moonshine, 310.14. First Place Senior Black Powder Duelist: Cheyenne Jim, 434.05. First Place Elder Black Powder Duelist: Manassas, 447.29. Second Place Elder Black Powder Duelist: Doc WHO, 628.85. First Place Elder 2-Gun Working Cowboy: Les Deadly, 144.77. First Place Elder 2-Gun Black Powder Working Cowboy: Okefinokee Outlaw, 309.78. First Place Lawman, Sgt. R. Henry, 287.45. Last but not least, First Place Unforgiven category, Youghioghenny Kid, 291.58. Also, the first person to shoot in this category, which as you may have guessed, is based upon the movie of the same name. To shoot Unforgiven category, the shooter uses a Spencer rifle, in pistol caliber, a single 6-shot pistol, such as a Schofield or Starr revolver, and a double-barrel shotgun. The shooter only shoots up to 7 rifle rounds and 2 shotgun targets. There were no clean shooters, very few procedurals, and most folks earned some bonus points. Thanks to OO for another fun and challenging bonus stage. NCOWS matches do not recognize any overall winner. Everyone competes with others in the same category.

Our next match will be April 12, 2020 which happens to also fall on Easter Sunday. We discussed this at our last match and the consensus was to go ahead and shoot the match, as scheduled. More details and information will be promulgated as we draw nearer to the match date.

**Our matches are normally held on the second Sunday of each month (except November) and on the 5<sup>th</sup> Saturday of such months in which they occur.** Match fees are \$15.00, \$10.00 for accompanying family members, no charge for age 12 and under. Please come and check us out; or better yet, come join in the fun. We are a very friendly, family-oriented group. New shooters and beginners are welcome. Coffee, donuts, sweet rolls, bottled water and Gatorade are provided at most matches.

The National Congress of Old West Shootists (NCOWS) was founded in 1994 to promote safe Western Action Shooting including the re-enactment and promotion of the historical Old West heritage of the United States during the period 1865 to 1899. NCOWS members enjoy Western Action Shoots which are timed shooting matches in which shooters compete in a series of different shooting scenarios, called stages. Participants are attired in period correct, Old West style clothing and use firearms typical of the guns used in the Old West.

The South Carolina Old West Shootists is a charter posse (club) of NCOWS and the Mid-Carolina Rifle Club. NCOWS is comprised of many such posses throughout the United States, which hold their own matches and events using NCOWS guidelines. There are also periodic, national and regional matches and events. Safety is emphasized during all NCOWS events, both on and off the range. Loading, shooting, and unloading of guns, is closely structured in accordance with NCOWS and local safety rules. Typically, only one participant at a time will shoot during a match. Juniors and new shooters may be coached or supervised by a guardian or other experienced member, as the case may be.

NCOWS uses rules similar to SASS Cowboy matches, although NCOWS pays greater attention to historical accuracy concerning our guns, clothing and equipment, and more emphasis is placed on marksmanship. New participants are given generous allowances of leniency with the former, since it may take a long time to acquire the proper guns, clothing and accoutrements. Gun carts are optional, rifle racks are provided. We shoot in 2, 3 and 4-gun classes. Generally, any pre-1900 pistol, rifle in pistol caliber, and/or shotgun may be used, either originals in serviceable condition or reproductions. We shoot smokeless and black powder categories. There is no overall winner in NCOWS matches; each category is judged independently. **Prospective members are advised to not go out and buy any cowboy guns or accoutrements without first coming to a match and meeting with more experienced members, in order to avoid spending good money on things that may not be NCOWS-legal.**

On Saturday, registration will start at the range by 9:15 and the match starts at 10:00.

Official Steel Challenge stages consists of 4-5 runs on 5 pieces of steel at set distances. Misses may be made up as long as it is done before hitting the "stop" plate, indicated by a red post. The longest string is tossed out and the remaining times are added together to get your stage time. Stage times are added together to get your match time. Occasionally, we run one unofficial stage during matches. Additional

general information and stage diagrams may be found at <https://scsa.org/>. Contact Dennis or Julie if you have questions about our match.

**METALLIC RIFLE SILHOUETTE:** Mical Bowling [mical@blackwolfconsulting.com](mailto:mical@blackwolfconsulting.com) (803-546-4742) Roy Mullis read the report.

This discipline consists of shooting offhand at chickens, pigs, turkeys and rams made of steel at 40, 60, 77 and 100 yards respectively. The next smallbore rifle silhouette match will be at noon on the third Saturday in March.

On the third Saturday of each month, the smallbore rifle silhouette match begins promptly at noon. Set up starts around 10 with sight in and practice after set up is complete. The smallbore hunting rifle match usually begins at 1:30 after a short lunch break.

**COWBOY ACTION SHOOTING - Savannah River Rangers:** Joe Metz, [jmrm3@sc.rr.com](mailto:jmrm3@sc.rr.com), 803-960-3907 and Matthew Haulbrooks Rhonda Metz reported.

In Cowboy Action we shoot steel targets of various shapes, sizes and distances, it does not matter where on the target the bullet hits, it is ruled either a hit or miss. A miss adds 5 seconds to the shooters time, obviously we want to hit them "All" as quickly as possible! We typically shoot 6 stages with each stage having a different scenario consisting of differing number of targets, differing target arrangement, differing shooting locations and differing gun order. We shoot 4 guns on each stage, 2 revolvers, 1 lever action rifle and 1 shotgun usually 5 rounds from each revolver, 10 rounds from the rifle and 4 rounds from the shotgun for 24 rounds per stage for a total of 144 rounds per match. When we give the monthly report and list the number of clean shooters we had, that means each clean shooter shot all 144 rounds and hit each target in the correct order.

- Match was February 16<sup>th</sup>.
- Weather was cool, Cloudy and raining.
- 23 shooters came out.
- 5<sup>th</sup> Palmetto Traveler, 4<sup>th</sup> – Lighthouse Pete, 3<sup>rd</sup> – Whiskey Mac, 2<sup>nd</sup> – Kid Ray, 1<sup>st</sup> – Stone Ground.
- 5 clean shooters.
- Next match is March 15<sup>th</sup>.
- Registration begins at 8:30, Shooters Meeting at 9:30, shoot shortly after – we would love to have you come out and see what Cowboy Action is all about!

**BLACK POWDER MUZZLELOADING:** Jim Boyd, [1949jwb@gmail.com](mailto:1949jwb@gmail.com), 803-356-9504 or Sam Jones, [Jonesiii@yahoo.com](mailto:Jonesiii@yahoo.com), 803-794-5476. Jim Boyd reported.

Here are some facts about our matches:  
Match fee is \$5.00 New shooters shoot for free

NMLRA rules prevail

Match Director Controls the line and match

Any Muzzleloading rifle or musket with OPEN SIGHTS may be used

Ammo is a Patched round ball

Loading takes place behind the firing line at the benches

The firearm is not primed until the shooter is on the firing line (percussion cap or priming powder)

Misfires are placed in a safe box if the shooter cannot clear the issue at the line

Ranges are typically 25, 40, 50, 75 and 100 yards

Scoring is indicated by the numerical values shown on the target. A ball must be at least 1/2 into a ring to receive that score

Novelty matches are scored by the number of targets hit

Sam ran our February match however only 3 shooters showed up, so they did not shoot a formal match. 1 of the shooters was new to the group, so they helped him get sighted in and work up a load for his rifle.

Next Match is March 28th.

**IDPA:** Bob Hoban 803-491-5509, Mike Phillips 803-530-9135, or [idpaatmcrc@gmail.com](mailto:idpaatmcrc@gmail.com).

The February 22nd IDPA match was the National Postal Match. This is a match that began in pre-internet days, to allow shooters all around the world to compete in the same event, and scores were sent to IDPA HQ by mail. Today, it is all done by email. The match consists of 4 scenarios. 200 clubs worldwide have completed the match so far. MCRC had 23 shooters at the match. Also, of interest, there was a Side match (a 51 round stage) that we called a "gambler's match." Each participant paid a few bucks to shoot the match, with the winner claiming the pot. On April 25th, we plan to shoot the Postal Match again, for any who had to miss the February Match.

Our next match will be on March 28, 2020. Come join us! (March 28th Match later cancelled) IDPA matches are scheduled for the 4th Saturday of each month. Pre-registration and squad selection is through [Practicore.com](https://practicore.com) (search for "MCRC IDPA" to find upcoming matches). Setup is usually on Friday afternoon prior to the match. Anyone helping with setup can shoot free the next day. IDPA is designed to help you with concealed carry. IDPA gear should be consistent with "carry gear."
