### Minutes – October, 2020

There were nineteen (19) members and guests in attendance:

Roy Mullis	Linda Chico	Rhonda Metz	Joe Metz
Richard Boyd	Kim Wales	Jason Combs	Nelson Thompson
Charley Francis	Julie Holling	Lee Rouse	Dennis Coggins
Chuck Schenck	David White	Susan White	Wesley Bommer
Kevin Conlan	Donald Shealy	Allen Kinard	

Roy Mullis called the meeting to order and led the club in reciting the Pledge of Allegiance. He also led the club in a prayer.

**PRESIDENT’S REPORT:** Roy Mullis, roym788@gmail.com, 803-360-1490  
Roy Mullis reported.

So much has transpired since our last meeting, it is hard to remember it all. Some of this was sent out in emails so I’m sure some of you have already heard some of this.

A member who wishes to remain anonymous has donated a 4 ton AC for the Junior building. It will be installed as soon as possible.

We are allowing outside groups to reserve the classrooms for meetings. They are paying \$35.00 fee. Instructors are now paying a \$20.00 fee to use the classrooms. This is because of having to purchase additional cleaning, sanitary and disinfecting supplies. Training has increased a couple hundred or more percent since the unrest in the country and covid.

Since our last meeting I have suspended 5 members, 2 of which were instructors. All because of bullets hitting the ground. All unnecessary because it is so easy to make sure targets are high enough.

One of the storms we had blew down two sections of the fence over bay 6. Couldn’t repair at first because of the continued high winds from other storms. Repairs are going to be made soon.

Also, one of the storms dumped 6 inches of rain in 4 hours. That resulted in blowing out the 100 yard berm on the Hathcock range. We had our famous mud all the way to the firing line. I had to dig into the side wall of the bay to get clay to rebuild the berm. There will have to be a drain installed to prevent future blowouts.

Starting January 1<sup>st</sup>. Dues will increase by \$25.00. Renewals will be \$200.00 and new members will be \$225.00. We had hoped to grandfather current members at \$175.00 for a year but after looking at the logistics of keeping track of who owes what and the increase in the cost of running the range, it is obvious that the fee increase would have to be for everybody at the same time.

I am of the opinion that it would be safe to lift the restriction on the number of visitors allowed at one time while still maintaining the social distancing guidelines.

There have been about 45 new members joining since this mess started. We need to approve them tonight.

The club election cycle is on. There are three members of the nominating committee. Myself, Joe Katz, and Sharod Edwards. I sent out notice on this and will post their email and phone numbers on the website if there is anyone who wants to run for office or someone wants to nominate someone. All current officers are running again. Donnie Bryson will run for Chief Range Officer but will drop out if there is another person interested in the office. At the November meeting a slate of officers will be presented to the meeting and nominations will be taken from the floor. The 1<sup>st</sup> of December Rhonda will send ballots to all members for voting and the results will be announced at the January meeting.

**VICE PRESIDENT'S REPORT:** Linda Chico, [lchico@sc.rr.com](mailto:lchico@sc.rr.com), 803-629-7095.  
Report submitted.

Please remember to contact me by phone, email or text message if you have questions about your membership (renewals, credits, forms needed, etc). If you cannot get the renewal to print, contact me. And Roy always has hard copies available at the range. We both bring extra copies to the meeting.

Again, a reminder that Apple mobile devices have a built-in "PDF viewer" which does just what it says - users can view the form, but it will not let users fill out a form. If you access all internet sites with an Apple mobile device, Adobe recommends that you get the free App from the App Store to open and use Adobe forms. This only applies to Apple mobile devices - not to MACs.

**REMEMBER \* \* Renewals must be sent in 60 days via postal mail before your membership expires and prior to the meeting to allow all of the information to be processed.** You will know you have successfully completed renewal once you get a new membership card. Please do not call or email Patten asking about the status of your renewal if you only sent it a week or two earlier. If you are using an Apple mobile device to complete a renewal form, you may need to install an Adobe Forms App (available free in the App Store). Please contact Linda Chico ([lchico@sc.rr.com](mailto:lchico@sc.rr.com)) if you have problems accessing or printing the form.

**SECRETARY'S REPORT:** Rhonda Metz, [secretary@midcarolinarifleclub.com](mailto:secretary@midcarolinarifleclub.com), 803-315-5576.

The Palmetto Posse is a Cowboy Action club that shoots every first Saturday in the Jeff Cooper bays matches start with a safety meeting at 9:30 am. Then we'll start shooting around 10:00 am. And finish around 1:30 pm. After the match we head to Murray's for lunch.

**SMALLBORE PRONE RIFLE** Richard Byers, [mcrsmallbore@gmail.com](mailto:mcrsmallbore@gmail.com), 803-240-9678.

Report submitted.

We had a small turn out for our smallbore match. I guess people don't like competing in cool, comfortable conditions.

We had 3 regular competitors and 1 new (junior) competitor. Welcome Josh, hope to see you back.

High sling went to Jeff Howell with a 1147-36X, followed by Sam Jones with 1118-23X.

High F-class was Robert Herstine with 1172-62X and Josh Aycock with 999-7X.

This discipline consists of shooting offhand at steel chickens, pigs, turkeys and rams at 40, 60, 77 and 100 yards respectively. If you would like to try it, we permit the use of any 22 LR rifle but require the use of standard velocity 22LR ammunition so as to limit any damage to the targets.

On the third Saturday of each month, the smallbore rifle silhouette match begins promptly at noon. Set up starts around 10 with sight in and practice after set up is complete. The smallbore hunting rifle match usually begins at 1:30 after a short lunch break.

**NRA LIGHT RIFLE:** Robert Shaffner, [Robert\\_shaffner@yahoo.com](mailto:Robert_shaffner@yahoo.com), 330-409-3799.

Match Description: The Light Rifle competition is a club level event based on the NRA Light Rifle series. .22 LR rifles are fired from 3 different positions; 10 shots prone, 10 shots sitting or kneeling, and 20 shots offhand. Held the 1<sup>st</sup> Sunday of each month, starting at 9AM, we shoot twice. Any and all are welcome. There is a wealth of experience available to assist with the match as well as a variety of

equipment used (just about any .22 rifle will work!) We hope you'll come out and enjoy the comradery & competition.

In USPSA, every shooter completing a course of fire is followed by a Range Officer with a timer. Although the timer is certainly important for the competition, the primary responsibility of the Range Officer is safety. There are several levels of Range Officers or RO's as they are more commonly called by fellow shooters. The typical match has 15 to 20 shooters who are level one RO's. The Range Officers in USPSA have to undergo training from instructors sent from USPSA's national headquarters. They take a 2 day training seminar to show them how to run competitors through a course of fire, safely & within the rules of the sport. Once the competitor has completed a course of fire, it is also the RO's job to call out the scores on each target. Next month we will talk about level two RO's.

The usual USPSA - IPSC matches are held the second Saturday of each month. We are using online registration which starts the Monday prior to the match. Contact Linda Chico at [LChico@sc.rr.com](mailto:LChico@sc.rr.com) to add your name to the notification list. Sign in at the range starts at 9:30 am. Shooting starts at 10:00 am. Juniors are free. New shooters are half price (\$11). Set-up for the match is on the preceding day on Friday afternoon. If you are interested in coming out and trying a shooting sport that involves running and gunning, you can start with very nearly any centerfire pistol if you have enough magazines for it.

**NRA HIGH POWER RIFLE:** Clay Marshall, [marshalle@bellsouth.net](mailto:marshalle@bellsouth.net), 803-695-0300 or Scott Johnson, [scottjohnson641@gmail.com](mailto:scottjohnson641@gmail.com).

**NATIONAL CONGRESS OF OLD WEST SHOOTISTS (NCOWS):** Henry Schlein, [henryschlein@yahoo.com](mailto:henryschlein@yahoo.com), 843-821-9999 or Dave Graley, Assistant Match Director, [dlgraley@aol.com](mailto:dlgraley@aol.com) 803-403-4792.– **South Carolina Old West Shootists Association of NCOWS.**

No report.

**Our matches are normally held on the second Sunday of each month (except November) and on the 5<sup>th</sup> Saturday of such months in which they occur.** Match fees are \$15.00, \$10.00 for accompanying family members, no charge for age 12 and under. Please come and check us out; or better yet, come join in the fun. We are a very friendly, family oriented group. New shooters and beginners are welcome. Coffee, donuts, sweet rolls, bottled water and Gatorade are provided at most matches.

The National Congress of Old West Shootists (NCOWS) was founded in 1994 to promote safe Western Action Shooting including the re-enactment and promotion of the historical Old West heritage of the United States during the period 1865 to 1899. NCOWS members enjoy Western Action Shoots which are timed shooting matches in which shooters compete in a series of different shooting scenarios, called stages. Participants are attired in period correct, Old West style clothing and use firearms typical of the guns used in the Old West.

The South Carolina Old West Shootists is a charter posse (club) of NCOWS and the Mid-Carolina Rifle Club. NCOWS is comprised of many such posses throughout the United States, which hold their own matches and events using NCOWS guidelines. There are also periodic, national and regional matches and events. Safety is emphasized during all NCOWS events, both on and off the range. Loading, shooting, and unloading of guns, is closely structured in accordance with NCOWS and local safety rules. Typically, only one participant at a time will shoot during a match. Juniors and new shooters may be coached or supervised by a guardian or other experienced member, as the case may be.

NCOWS uses rules similar to SASS Cowboy matches, although NCOWS pays greater attention to historical accuracy concerning our guns, clothing and equipment, and more emphasis is placed on marksmanship. New participants are given generous allowances of leniency with the former, since it may take a long time to acquire the proper guns, clothing and accoutrements. Gun carts are optional, rifle racks are provided. We shoot in 2, 3 and 4-gun classes. Generally, any pre-1900 pistol, rifle in pistol caliber, and/or shotgun may be used, either originals in serviceable condition or reproductions. We shoot smokeless and black powder categories. There is no overall winner in NCOWS matches; each category is judged independently. **Prospective members are advised to not go out and buy any cowboy guns or accoutrements without first coming to a match and meeting with more experienced members, in order to avoid spending good money on things that may not be NCOWS-legal.**

**PRECISION PISTOL:** Mike Carr, [afvet53@netzero.net](mailto:afvet53@netzero.net), 803-408-0024.  
Report submitted.

There were 6 shooters for our match on the 19th. Our first match since March. It was good to see everyone back shooting. With the long layoff we had electrical problems and a tricky lock. Our big winner was John Harvey with a 2512-77x. Second and high Sharpshooter was Brian Mitchell with 2332-33x. All of our shooters did well considering. Next match October 17<sup>th</sup>. We expect a bigger crowd now that we are back up and running strong.

**STEEL CHALLENGE:** Dennis Coggins, [damocles1234@hotmail.com](mailto:damocles1234@hotmail.com), 803-732-0663, or Julie Holling, [jwholling@bellsouth.net](mailto:jwholling@bellsouth.net), 803-755-7397.

Preregistration thru Practiscore.com is required. If you have problems with registering, please contact me. Anyone who is not a new shooter will be charged an extra \$5 to register at the range on match day. If you are interested in helping set up for the match and getting a \$15 discount on your match fee, set-up will be done on Friday, starting at 3:30pm. On, Saturday, we will start registration at the range beginning at 9:15 and the match starts at 10:00.

Official Steel Challenge stages consists of 4-5 runs on 5 pieces of steel at set distances. Misses may be made up as long as it is done before hitting the "stop" plate, indicated by a red post. The longest string is tossed out and the remaining times are added together to get your stage time. Stage times are added together to get your match time. Occasionally, we run one unofficial stage during matches. Additional general information and stage diagrams may be found at <https://scsa.org/>. Contact Dennis or Julie if you have questions about our match.

**METALLIC RIFLE SILHOUETTE:** Mical Bowling [mical@blackwolfconsulting.com](mailto:mical@blackwolfconsulting.com) (803-546-4742) Report submitted.

The monthly smallbore rifle silhouette match was held as usual at noon on Saturday the 19<sup>th</sup> of September. No match report is currently available.

This discipline consists of shooting offhand at steel: chickens, pigs, turkeys and rams at 40, 60, 77 and 100 yards respectively. If you would like to try it, we permit the use of any 22 LR rifle but require the use of standard velocity 22LR ammunition so as to limit any damage to the targets.

Because of the non contact nature of this sport we expect no interruptions in our match schedule. However participants should wear loose fitting gloves for handling of targets, spray cans, and rails. The next smallbore rifle silhouette match will be at noon on Saturday October 17<sup>th</sup>.

On the third Saturday of each month, the smallbore rifle silhouette match begins promptly at noon. Set up starts around 10 with sight in and practice after set up is complete. The smallbore hunting rifle match usually begins at 1:30 after a short lunch break.

**COWBOY ACTION SHOOTING - Savannah River Rangers:** Joe Metz, [jmrm3@sc.rr.com](mailto:jmrm3@sc.rr.com), 803-960-3907 and Matthew Haulbrooks  
Report submitted.

Cowboy Action is an action shooting sport sanctioned by SASS – Single Action Shooting Society. Single Action means the guns have to be manually cocked before they will fire and must be pre 1900 original or replica, most use new production replicas. The shooter must have 2 revolvers, a lever action rifle chambered in a pistol caliber and a shotgun. The shotgun may be a double barrel, a lever action or an exposed hammer pump action. Ammo is low velocity exposed lead bullets, no jacketed bullets allowed because we shoot steel targets at close range. A typical match has 6 stages with a different scenario on each stage. Each stage is timed and usually consists of 5 rounds from each pistol, 10 rounds from the rifle and 4 rounds from the shotgun with movement between each shooting string. At the end the times are added up and the lowest time wins! There are lots of categories for competitors to choose from but that is a discussion for another day.

Last match was September 20<sup>th</sup>. Weather was nice. 28 shooters came out. Our top 5 finishers were: 5<sup>th</sup> – Groundhog, 4<sup>th</sup> – Stone Ground, 3<sup>rd</sup> – Kid Ray, 2<sup>nd</sup> – Cowboy Junky, 1<sup>st</sup> – Lighthorse Pete. We had 5 clean shooters. Next match is October 18<sup>th</sup>.

Registration begins at 8:30, Shooters Meeting at 9:30, shoot shortly after – we would love to have you come out and see what Cowboy Action is all about!

The basic orientation course consists of ten hours of instruction, both classroom and shooting. Instructors work with the participants through the course, teaching the basics and offering help and advice as the participant progresses. There is no set "score" to pass the orientation course.
