**PRESIDENT’S REPORT:** Roy Mullis, [roym788@gmail.com](mailto:roym788@gmail.com), 803-360-1490  
Roy Mullis reported.

We are moving along on the gate change over. Getting prices on equipment. Pretty sure we are going to just gate codes for new members. Price of proximity cards are crazy. The proximity card reader is getting to be a pain. Sometimes you have to hold your card right up against it for it to read the card.

I hope to have the AC in the Junior building installed before it gets too hot.

Last month US Law Shield was here. We are looking at working with them by promoting each other. They will have a page on the website and they will have MCRC listed as a supporting club.

Spring time maintenance has begun. Please don’t move the sprinklers when they are on. I promise, the water won’t hurt your bullets.

**VICE PRESIDENT’S REPORT:** Linda Chico, [lchico@sc.rr.com](mailto:lchico@sc.rr.com), 803-629-7095.  
Linda Chico reported.

I am working with US Law Shield to get the coverage added at a discount for MCRC members. Once Patten Watson submits the paperwork, we will add a link to the US Law Shield application to the MCRC website. We feel the company provides a service that many of our members consider valuable.

Please remember to contact me by phone, email or text message if you have questions about your membership (renewals, credits, forms needed, etc). If you cannot get the renewal to print, contact me. And Roy always has hard copies available at the range. We both bring extra copies to the meeting.

**REMEMBER \* \* Renewals must be sent in 60 days via postal mail before your membership expires and prior to the meeting to allow all of the information to be processed.** You will know you have successfully completed renewal once you get a new membership card. Please do not call or email Patten asking about the status of your renewal if you only sent it a week or two earlier. If you are using an Apple mobile device to complete a renewal form, you may need to install an Adobe Forms App (available free in the App Store).

**NATIONAL CONGRESS OF OLD WEST SHOOTISTS (NCOWS):** Henry Schlein, [henryschlein@yahoo.com](mailto:henryschlein@yahoo.com), 843-821-9999 or Dave Graley, Assistant Match Director, [dlgraley@aol.com](mailto:dlgraley@aol.com) 803-403-4792.– **South Carolina Old West Shootists Association of NCOWS.**

**Our matches are normally held on the second Sunday of each month (except November) and on the 5<sup>th</sup> Saturday of such months in which they occur.** Match fees are \$15.00, \$10.00 for accompanying family members, no charge for age 12 and under. Please come and check us out; or better yet, come join in the fun. We are a very friendly, family oriented group. New shooters and beginners are welcome. Coffee, donuts, sweet rolls, bottled water and Gatorade are provided at most matches.

The National Congress of Old West Shootists (NCOWS) was founded in 1994 to promote safe Western Action Shooting including the re-enactment and promotion of the historical Old West heritage of the United States during the period 1865 to 1899. NCOWS members enjoy Western Action Shoots which are timed shooting matches in which shooters compete in a series of different shooting scenarios, called stages. Participants are attired in period correct, Old West style clothing and use firearms typical of the guns used in the Old West.

The South Carolina Old West Shootists is a charter posse (club) of NCOWS and the Mid-Carolina Rifle Club. NCOWS is comprised of many such posses throughout the United States, which hold their own matches and events using NCOWS guidelines. There are also periodic, national and regional matches and events. Safety is emphasized during all NCOWS events, both on and off the range. Loading, shooting, and unloading of guns, is closely structured in accordance with NCOWS and local safety rules. Typically, only one participant at a time will shoot during a match. Juniors and new shooters may be coached or supervised by a guardian or other experienced member, as the case may be.

NCOWS uses rules similar to SASS Cowboy matches, although NCOWS pays greater attention to historical accuracy concerning our guns, clothing and equipment, and more emphasis is placed on marksmanship. New participants are given generous allowances of leniency with the former, since it may take a long time to acquire the proper guns, clothing and accoutrements. Gun carts are optional, rifle racks are provided. We shoot in 2, 3 and 4-gun classes. Generally, any pre-1900 pistol, rifle in pistol caliber, and/or shotgun may be used, either originals in serviceable condition or reproductions. We shoot smokeless and black powder categories. There is no overall winner in NCOWS matches; each category is judged independently. **Prospective members are advised to not go out and buy any cowboy guns or accoutrements without first coming to a match and meeting with more experienced members, in order to avoid spending good money on things that may not be NCOWS-legal.**

**PRECISION PISTOL:** Mike Carr, [afvet53@netzero.net](mailto:afvet53@netzero.net), 803-408-0024.

Julie Holling reported.

Rimfire Pistol Open in 48.51 and Rimfire Rifle Iron in 43.83. Jeff Johnston won Rimfire Rifle Open in 37.54. There were two shooters in Carry Optics, Limited, and Rimfire Pistol Iron divisions. There was one shooter in the Iron Sight Revolver and Production divisions.

Our next match will be on April 17<sup>th</sup>. Linda Chico will be handling registration at the range. Preregistration thru Practiscore.com is required. If you have problems with registering, please contact me. Anyone who is not a new shooter will be charged an extra \$5 to register at the range on match day. If you are interested in helping set up for the match and getting a \$15 discount on your match fee, you can help with set-up on Friday, the 15<sup>th</sup> starting at 4:00pm. On Saturday, registration will start at the range by 9:30 and the match starts at 10:00.

Official Steel Challenge stages consists of 4-5 runs on 5 pieces of steel at set distances. Misses may be made up as long as it is done before hitting the “stop” plate, indicated by a red post. The longest string is tossed out and the remaining times are added together to get your stage time. Stage times are added together to get your match time. Occasionally, we run one unofficial stage during matches. Additional general information and stage diagrams may be found at <https://scsa.org/>. Contact Dennis, Julie or Lewis if you have questions about our match.

**METALLIC RIFLE SILHOUETTE:** Mical Bowling [mical@blackwolfconsulting.com](mailto:mical@blackwolfconsulting.com) (803-546-4742)

Roy Mullis read the report.

The monthly smallbore rifle silhouette match was held at noon on Saturday the 20th of March. The match day was bright and shiny with little wind. Target visibility was better today because the berms were dry and the sun was up because it was the first day of Spring. Even so the day started pretty cold but warmed up some by the end of the match.

Mical was the match winner in both matches. Mical shot a very nice score of 36 out of 40 in the hunter match. We had a new shooter come down from Greenville and he shot very nice scores for a first timer.

This discipline consists of shooting offhand at steel chickens, pigs, turkeys and rams at 40, 60, 77 and 100 yards respectively. If you would like to try it, we permit the use of any 22 LR rifle but require the use of standard velocity 22LR ammunition so as to limit any damage to the targets.

Because of the non contact nature of this sport we expect no interruptions in our match schedule. However participants should wear loose fitting gloves for handling of targets, spray cans, and rails.

The next smallbore rifle silhouette match will start at **11:00 am** on Saturday April 17th.

On the third Saturday of each month, the smallbore rifle silhouette match begins promptly at **11:00 am**. Set up starts around **9** with sight in and practice after set up is complete. The smallbore hunting rifle match usually begins around **12:30** after a short lunch break.

**COWBOY ACTION SHOOTING - Savannah River Rangers:** Joe Metz, [jrmetz45@gmail.com](mailto:jrmetz45@gmail.com), 803-960-3907 and Matthew Haulbrooks  
No report.

In Cowboy Action we shoot steel targets of various shapes, sizes and distances, it does not matter where on the target the bullet hits, it is ruled either a hit or miss. A miss adds 5 seconds to the shooters time, obviously we want to hit them "All" as quickly as possible! We typically shoot 6 stages with each stage having a different scenario consisting of differing number of targets, differing target arrangement, differing shooting locations and differing gun order. We shoot 4 guns on each stage, 2 revolvers, 1 lever action rifle and 1 shotgun. Usually 5 rounds from each revolver, 10 rounds from the rifle and 4 rounds from the shotgun for 24 rounds per stage for a total of 144 rounds per match. When we give the monthly report and list the number of clean shooters we had, that means each clean shooter shot all 144 rounds and hit each target in the correct order.

Next match is April 18<sup>th</sup>. Registration begins at 8:30, Shooters Meeting at 9:30, shoot shortly after – we would love to have you come out and see what Cowboy Action is all about!

**BLACK POWDER MUZZLELOADING:** Jim Boyd, [1949jwb@gmail.com](mailto:1949jwb@gmail.com), 803-356-9504 or Sam Jones, [Jonesiii@yahoo.com](mailto:Jonesiii@yahoo.com), 803-794-5476.  
Roy Mullis read the report.

We held our shoot on the 27th but we did not have any winners or losers. We just had a "Turkey" match for the fun of it.

Our next match will be April 24th. We Welcome any new shooters and/or new members who just want to see what it's all about.

Anyone interested, just let me know via email & I'll bring an extra gun.

If anyone needs Blackpowder for Cowboy or NCOWS let me know as we have some 3F and a limited amount of 2F.

Here are some facts about our matches:

Match fee is \$5.00 New shooters shoot for free. NMLRA rules prevail. Match Director Controls the line and match. Any Muzzleloading rifle or musket with OPEN SIGHTS may be used. Ammo is a Patched round ball. Loading takes place behind the firing line at the benches. The firearm is not primed until the shooter is on the firing line (percussion cap or priming powder). Misfires are placed in a safe box if the shooter cannot clear the issue at the line. Ranges are typically 25, 40, 50, 75 and 100 yards. Scoring is indicated by the numerical values shown on the target. A ball must be at least 1/2 into a ring to receive that score. Novelty matches are scored by the number of targets hit.

**IDPA:** Mike Phillips [IDPAatMCRC@gmail.com](mailto:IDPAatMCRC@gmail.com), 803-530-9135 or Don Rawls [dcrawls@live.com](mailto:dcrawls@live.com)  
Don Rawls reported.

Our monthly match was held March 27, 2021. This was an 80 round count match, 6 stages with lots of movement. We had 32 shooters come out.

High Master – Tim Fritz shooting Concealed Carry Pistol  
High Expert and High Overall – Bob Bailey shooting Carry Optics Pistol  
High Sharpshooter – Paul Gentner shooting COP  
High Marksman – James Kornilieff shooting CCP  
High Novice – Matt Hintz shooting CCP

Honorable Mention goes to Colonel Mike Dawson who won Most Accurate, down 5 points for the match using the good old 1911 in .45 ACP.

Great to see our former Match Director Phil Folkers in attendance. Come back and shoot again with us sir.

Many special thanks to the setup crew. Bob Bailey, Bruce Peterson, Don Rawls, John Champoux and Mike Phillips. If you enjoyed the match, thank these guys and please come out next month and help us build some stages! Or if you want to design or submit a stage, send it via e-mail and we will get it in. You might be tired of walking Don's dogs or eating in Mike's favorite restaurants, trouble somehow always seems to show up in these scenarios.

Our second "Introduction to IDPA" class was a success, 8 attendees and 5 of those came out and shot the match.

Next match is scheduled for April 24, 2021. Setup will be Friday the 23<sup>rd</sup> at 2 pm. Please come join us for our monthly defensive pistol match.

Charley Francis reported.

Things are beginning to open back up.

The Juniors program is for those 8 to 18 and is designed to teach safety, responsibility, and basic marksmanship. The program uses air rifles for training and provides an entry into the rifle and pistol disciplines.

The basic orientation course consists of ten hours of instruction, both classroom and shooting. Instructors work with the participants through the course, teaching the basics and offering help and advice as the participant progresses. There is no set "score" to pass the orientation course. Safety is the primary focus, along with basic marksmanship skills. There is no cost for the orientation program: MCRC provides the rifles, ammunition, eye and ear protection, targets, and training materials.
