PRESIDENT'S REPORT: Roy Mullis, roy788@gmail.com, 803-360-1490
Roy Mullis reported.

Junior Building AC should be working in the next week or two. All according to how quickly the duct installers can get here.

Haven't heard anything from Patten on our association with US Law Shield.

Still no idea when we might be working on the gate. I'm trying to get pricing. The entry reader is very weak reading cards. You may have to put your card very close to get a reading.

The range is a sad place these days. Very few shooting, lack of ammo probably. Maybe fear of the situation in the country. Now gas prices??? Most shooting is during the matches and those are seeing reduced numbers. I rarely get to shoot but that's not something new. All I have to do has caused that. But I know one thing, I'm not going to pay the prices that dealers are asking for ammo. I've heard lately that ammo is arriving in quantity and dealers are holding back to keep prices artificially high. One certain dealer is said to have millions of rounds in their warehouse and are not releasing it. But that's scuttlebutt so you can take it as you wish.

Columbia Gun Show is June 12 & 13. If you would like to work, we need volunteers.

VICE PRESIDENT'S REPORT: Linda Chico, lichico@sc.rr.com, 803-629-7095.
Linda Chico reported.

Sorry about the delay in getting US Law Shield coverage available at a discount for MCRC members. The paperwork is still on Patten Watson's desk. Once Patten Watson submits the paperwork, we will add a link to the US Law Shield application to the MCRC website. We feel the company provides a service that many of our members consider valuable.

Please remember to contact me by phone, email or text message if you have questions about your membership (renewals, credits, forms needed, etc). If you cannot get the renewal to print, contact me. And Roy always has hard copies available at the range. We both bring extra copies to the meeting.

REMEMBER * * Renewals must be sent in 60 days via postal mail before your membership expires and prior to the meeting to allow all of the information to be processed. You will know you have successfully completed renewal once you get a new membership card. Please do not call or email Patten asking about the status of your renewal if you only sent it a week or two earlier. If you are using an Apple mobile device to complete a renewal form, you may need to install an Adobe Forms App (available free in the App Store).

Match Description: The Light Rifle competition is a club level event based on the NRA Light Rifle series. .22 LR rifles are fired from 3 different positions; 10 shots prone, 10 shots sitting or kneeling, and 20 shots offhand. Held the 1st Sunday of each month, starting at 9AM, we shoot twice. Any and all are welcome. There is a wealth of experience available to assist with the match as well as a variety of equipment used (just about any .22 rifle will work!) We hope you'll come out and enjoy the comradery & competition.

USPSA-IPSC PISTOL: Mike Wingard, mhw_uspsa@yahoo.com, 803-521-0886; Derrick Hernandez, rangeraa45@gmail.com, 910-580-8343; or Joe Magagnoli, jcm331@gmail.com, 610-509-7627.
Derrick Hernandez reported.

There were 47 shooters at the USPSA match this past weekend. That is a decrease of about 18% from our usual turnout, due to the 2 major matches held in the area in April, plus the ammo shortage. MCRC was well represented at the SC State Championship held at Belton SC on April 30-May 1.

MCRC USPSA starts Summer hours in June. Matches start an hour earlier at 9AM.

The usual USPSA - IPSC matches are held the second Saturday of each month. We are using online registration which starts the Monday prior to the match. Contact Linda Chico at LChico@sc.rr.com to add your name to the notification list. Sign in at the range starts at 8:30 am. Shooting starts at 9:00 am. Juniors are free. New shooters are half price (\$11). Set-up for the match is on the preceding day on Friday afternoon. If you are interested in coming out and trying a shooting sport that involves running and gunning, you can start with very nearly any centerfire pistol if you have enough magazines for it.

NRA HIGH POWER RIFLE: Clay Marshall, marshallc@bellsouth.net, 803-695-0300 or Scott Johnson, scottjohnson641@gmail.com.
Scott Johnson reported.

Match was May 9th. Had 6 shooters; 1 member and 5 non-members. Weather was perfect, cool and clear. Sam Jones won the match with a 480-13X.

NATIONAL CONGRESS OF OLD WEST SHOOTISTS (NCOWS): Henry Schlein, henryschlein@yahoo.com, 843-821-9999 or Dave Graley, Assistant Match Director, dlgraley@aol.com 803-403-4792.– **South Carolina Old West Shootists Association of NCOWS.**

Another Mothers' Day is in the books, and with it, another monthly South Carolina Old West Shootists (SCOWS) match. The Sunday, May 9, 2021 match was blessed with lovely (if a little windy) weather, and everyone seemed to enjoy the stages, including the bonus long-range pistol stage. This month's main

stages were based on the gunfights of the last days of the Clanton gang, including Ike Clanton's death at the business end of Rawhide Jake Brighton's Winchester rifle.

We had 7 shooters, including our newest member, Parker Palomino, who shot really well (especially with his shorter-barreled 6-gun.), but unfortunately only had time to shoot the first 3 stages before he had to head out early for a holiday-related commitment.

Here are the **match results**: **Senior 4 Gun Duelist** Doc Who, 1st Place (adjusted time: 388.20), **Senior 4 Gun Shootist** Manassas, 1st Place (adjusted time: 352.27), **Lawman** MoonShine, 1st Place (adjusted time: 115.42), **Senior 4 Gun Black Powder Duelist** Cheyenne Jim, 1st Place (adjusted time: 332.28), **Town Marshall** Sgt. R. Henry, 1st Place (adjusted time: 127.95), **Working Cowboy** Youghioghney Kid, 1st Place (adjusted time: 85.06).

Congratulations to all and thanks to everyone for a great match. On a more somber note, our assistant match director, Dave (Okefinoke Outlaw) Graley, is stepping down. Dave, known to his friends as OO, was one of our original, founding members, he has been large part of our posse for long time, and we are very sad to see him leave. We hope Dave will continue to join us for matches and other events, whenever he is able. Dave made some awesome contributions to our club and we cannot express in words, how appreciative we are, to have had OO as a member.

REMINDER: The month of May contains 5 Saturdays, so SCOWS will be holding a match on the 5th Saturday - May 29, 2021. This will be the club's annual JEB Forrest Memorial Match, and will include the usual regimen of stages, as well as a picnic group lunch on location at the range. The stages are written and have been reviewed and approved, so it looks like, weather permitting, we are in for a good match.

Our matches are normally held on the second Sunday of each month (except November) and on the 5th Saturday of such months in which they occur. Match fees are \$15.00, \$10.00 for accompanying family members, no charge for age 12 and under. Please come and check us out; or better yet, come join in the fun. We are a very friendly, family oriented group. New shooters and beginners are welcome. Coffee, donuts, sweet rolls, bottled water and Gatorade are provided at most matches.

The National Congress of Old West Shootists (NCOWS) was founded in 1994 to promote safe Western Action Shooting including the re-enactment and promotion of the historical Old West heritage of the United States during the period 1865 to 1899. NCOWS members enjoy Western Action Shoots which are timed shooting matches in which shooters compete in a series of different shooting scenarios, called stages. Participants are attired in period correct, Old West style clothing and use firearms typical of the guns used in the Old West.

The South Carolina Old West Shootists is a charter posse (club) of NCOWS and the Mid-Carolina Rifle Club. NCOWS is comprised of many such posses throughout the United States, which hold their own matches and events using NCOWS guidelines. There are also periodic, national and regional matches and events. Safety is emphasized during all NCOWS events, both on and off the range. Loading, shooting, and unloading of guns, is closely structured in accordance with NCOWS and local safety

rules. Typically, only one participant at a time will shoot during a match. Juniors and new shooters may be coached or supervised by a guardian or other experienced member, as the case may be.

NCOWS uses rules similar to SASS Cowboy matches, although NCOWS pays greater attention to historical accuracy concerning our guns, clothing and equipment, and more emphasis is placed on marksmanship. New participants are given generous allowances of leniency with the former, since it may take a long time to acquire the proper guns, clothing and accoutrements. Gun carts are optional, rifle racks are provided. We shoot in 2, 3 and 4-gun classes. Generally, any pre-1900 pistol, rifle in pistol caliber, and/or shotgun may be used, either originals in serviceable condition or reproductions. We shoot smokeless and black powder categories. There is no overall winner in NCOWS matches; each category is judged independently. **Prospective members are advised to not go out and buy any cowboy guns or accoutrements without first coming to a match and meeting with more experienced members, in order to avoid spending good money on things that may not be NCOWS-legal.**

For further information, please contact Henry Schlein, Match Director (aka, *Sgt. Rick Henry*) (843) 821-9999, email henryschlein@yahoo.com. See also, www.ncows.org.

Roy Mullis read the report.

On April 17th, we had 17 shooters come out with 23 firearms to participate in Steel Challenge. The shooters included 2 ladies. Only two divisions had enough participants to declare winners. William Porter led Rimfire Pistol Open in 65.54. Dennis Coggins won Rimfire Rifle Open in 55.99. There were two shooters in Carry Optics, Limited, Production, Pistol Caliber Carbine Open, Rimfire Pistol Iron and Rimfire Rifle Iron divisions. There was one shooter in the Single Stack division.

Our next match will be on May 15th. Preregistration thru Practiscore.com is required. If you have problems with registering, please contact me. Anyone who is not a new shooter will be charged an extra \$5 to register at the range on match day. If you are interested in helping set up for the match and getting a \$15 discount on your match fee, you can help with set-up on Friday, the 15th starting at 5:00pm. On Saturday, registration will start at the range by 9:15 and the match starts at 10:00.

Official Steel Challenge stages consists of 4-5 runs on 5 pieces of steel at set distances. Misses may be made up as long as it is done before hitting the "stop" plate, indicated by a red post. The longest string is tossed out and the remaining times are added together to get your stage time. Stage times are added together to get your match time. Occasionally, we run one unofficial stage during matches. Additional general information and stage diagrams may be found at <https://scsa.org/>. Contact Dennis, Julie or Lewis if you have questions about our match.

METALLIC RIFLE SILHOUETTE: Mical Bowling mical@blackwolfconsulting.com (803-546-4742)

Roy Mullis read the report.

The monthly smallbore rifle silhouette match was held at noon on Saturday the 17th of April. The match day started off overcast and cool with little wind but became warm and very bright as the match progressed. Target visibility was really excellent when the day began but declined when the sun became very bright.

Mical was the winner in both matches. Tom shot his best score to date in the hunter match.

This discipline consists of shooting offhand at steel: chickens, pigs, turkeys and rams at 40, 60, 77 and 100 yards respectively. If you would like to try it, we permit the use of any 22 LR rifle but require the use of standard velocity 22LR ammunition so as to limit any damage to the targets.

Because of the non contact nature of this sport we expect no interruptions in our match schedule. However participants should wear loose fitting gloves for handling of targets, spray cans, and rails.

The next smallbore rifle silhouette match will start at **11:00 am** on Saturday May 15th.

On the third Saturday of each month, the smallbore rifle silhouette match begins promptly at **11:00 am**. Set up starts around **9** with sight in and practice after set up is complete. The smallbore hunting rifle match usually begins around **12:30** after a short lunch break.

COWBOY ACTION SHOOTING - Savannah River Rangers: Joe Metz, jrmetz45@gmail.com, 803-960-3907 and Matthew Haulbrooks
Rhonda Metz read the report.

Match was April 18th. Weather was beautiful spring day. 23 shooters came out. Top 5 were: 5th – Palmetto Traveler, 4th – Doc Kemm, 3rd – Kid Ray, 2nd – Sue Render, 1st – Stone Ground. There were 7 clean shooters. Next match is May 16th. Registration begins at 8:30, Shooters Meeting at 9:30, shoot shortly after – we would love to have you come out and see what Cowboy Action is all about!

In Cowboy Action we shoot steel targets of various shapes, sizes and distances, it does not matter where on the target the bullet hits, it is ruled either a hit or miss. A miss adds 5 seconds to the shooters time, obviously we want to hit them "All" as quickly as possible! We typically shoot 6 stages with each stage having a different scenario consisting of differing number of targets, differing target arrangement, differing shooting locations and differing gun order. We shoot 4 guns on each stage, 2 revolvers, 1 lever action rifle and 1 shotgun. Usually 5 rounds from each revolver, 10 rounds from the rifle and 4 rounds from the shotgun for 24 rounds per stage for a total of 144 rounds per match. When we give the monthly report and list the number of clean shooters we had, that means each clean shooter shot all 144 rounds and hit each target in the correct order.

Next match is April 18th. Registration begins at 8:30, Shooters Meeting at 9:30, shoot shortly after – we would love to have you come out and see what Cowboy Action is all about!

BLACK POWDER MUZZLELOADING: Jim Boyd, 1949jwb@gmail.com, 803-356-9504 or Sam Jones, samandsandy@yahoo.com, 803-794-5476.
Jim Boyd reported.

The results of last Saturday's BP match were as follows: 1st Ken Dilley, 2nd Sam Jones, 3rd Jim Boyd.

Next match May 22nd. Anyone interested, just let me know via email & I'll bring an extra gun.

Here are some facts about our matches:

Match fee is \$5.00 New shooters shoot for free. NMLRA rules prevail. Match Director Controls the line and match. Any Muzzleloading rifle or musket with OPEN SIGHTS may be used. Ammo is a Patched round ball. Loading takes place behind the firing line at the benches. The firearm is not primed until the shooter is on the firing line (percussion cap or priming powder). Misfires are placed in a safe box if the shooter cannot clear the issue at the line. Ranges are typically 25, 40, 50, 75 and 100 yards. Scoring is indicated by the numerical values shown on the target. A ball must be at least 1/2 into a ring to receive that score. Novelty matches are scored by the number of targets hit.

IDPA: Mike Phillips IDPAatMCRC@gmail.com, 803-530-9135 or Don Rawls dcrawls@live.com

Roy Mullis reported.

I have put together a message that is going to all the youth organizations I have worked with letting them know we are ready to start up our Juniors programs

The Juniors program is for those 8 to 18 and is designed to teach safety, responsibility, and basic marksmanship. The program uses air rifles for training and provides an entry into the rifle and pistol disciplines.

The basic orientation course consists of ten hours of instruction, both classroom and shooting. Instructors work with the participants through the course, teaching the basics and offering help and advice as the participant progresses. There is no set "score" to pass the orientation course. Safety is the primary focus, along with basic marksmanship skills. There is no cost for the orientation program: MCRC provides the rifles, ammunition, eye and ear protection, targets, and training materials.
