PRESIDENT'S REPORT: Roy Mullis, roym788@gmail.com, 803-360-1490
Roy Mullis reported.

Bad news and good news tonight.

Bad first: Last night we had a trespasser on the range. First came in at 3:19am and then again at 5:39am. Looks as if he was going to break in the buildings and containers. No sign of forced entry anywhere. When he came back later, he attempted to take the mule. Drove it all over the range, finally tried to drive it through the fence behind the shotgun bay. It got stuck, he stole the battery. I do not know the extent of the damage otherwise. I also found that he stole the battery out of the lawn mower. The Sheriff has taken a report and believes he knows the guy.

When it is repaired, I am going to lock it with a large chain. I will remove the key and add a key for the lock and notify the match directors where the keys will be located. Thanks to Ed Grantham for helping me get the mule off the fence wire and back to the shed.

We are going to have to install security cameras and beef up the security we already have in place.

Very little use of the range. I'm guessing lack of ammo. We are also losing members due to covid effects.

The Wi-Fi is having issues. I've got to take down the pole in the qual bay to check the repeater.

The gate continues to have issues. Sometimes it takes several attempts to get the entrance reader to work. You may have to use your code to enter.

Now the good: The AC in the Juniors building is finished. Thanks to Allen Kinard and Aaron Banks for helping with the stand.

VICE PRESIDENT'S REPORT: Linda Chico, lchico@sc.rr.com, 803-629-7095.

COWBOY ACTION SHOOTING - Palmetto Posse: Charles Fortner cffortner@yahoo.com 803-603-2278.

No report.

The Palmetto Posse is a Cowboy Action club that shoots every first Saturday in the Jeff Cooper bays matches start with a safety meeting at 9:30 am. Then we'll start shooting around 10:00 am. And finish around 1:30 pm. After the match we head to Murray's for lunch.

SMALLBORE PRONE RIFLE Richard Byers, mcrsmallbore@gmail.com, 803-240-9678.
Richard Byers reported.

We had 8 competitors; 6 sling, 2 F-Class. Humidity was high, the wind was mild but twitchy.

NRA LIGHT RIFLE: Robert Shaffner, Robert_shaffner@yahoo.com, 330-409-3799.
No report.

Match Description: The Light Rifle competition is a club level event based on the NRA Light Rifle series. .22 LR rifles are fired from 3 different positions; 10 shots prone, 10 shots sitting or kneeling, and 20 shots offhand. Held the 1st Sunday of each month, starting at 9AM, we shoot twice. Any and all are welcome. There is a wealth of experience available to assist with the match as well as a variety of equipment used (just about any .22 rifle will work!) We hope you'll come out and enjoy the comradery & competition.

USPSA-IPSC PISTOL: Mike Wingard, mhw_uspsa@yahoo.com, 803-521-0886; Derrick Hernandez, rangeraa45@gmail.com, 910-580-8343; or Joe Magagnoli, jcm331@gmail.com, 610-509-7627.
Derrick Hernandez reported.

There were 47 shooters at the USPSA match this past weekend. That is a decrease of about 18% from our usual turnout, due to the threat of rain in the area, plus the ammo shortage. MCRC USPSA started Summer hours in June. Matches start an hour earlier at 9AM. Rob Teague was the top shooter in Carry Optics division and Wally Burbage was high Limited division shooter. Donald Powers on Open division. Mike Wilkerson took the top spot in PCC division. There were too few competitors in Single Stack and Production divisions to determine winners.

The usual USPSA - IPSC matches are held the second Saturday of each month. We are using online registration which starts the Monday prior to the match. Contact Linda Chico at LChico@sc.rr.com to add your name to the notification list. Sign in at the range starts at 8:30 am. Shooting starts at 9:00 am. Juniors are free. New shooters are half price (\$11). Set-up for the match is on the preceding day on Friday afternoon. If you are interested in coming out and trying a shooting sport that involves running and gunning, you can start with very nearly any centerfire pistol if you have enough magazines for it.

NRA HIGH POWER RIFLE: Clay Marshall, marshallc@bellsouth.net, 803-695-0300 or Scott Johnson, scottjohnson641@gmail.com.
Scott Johnson reported.

Match was June 13. Had 6 shooters; 1 member and 5 non-members. Weather acceptable. Sam Jones won the match with a 472-10X.

NATIONAL CONGRESS OF OLD WEST SHOOTISTS (NCOWS): Henry Schlein, henryschlein@yahoo.com, 843-821-9999 or Dave Graley, Assistant Match Director, dlgraley@aol.com 803-403-4792.– **South Carolina Old West Shootists Association of NCOWS.**

We had an awesome match Saturday, May 29, 2021 in honor of our late posse member and very good friend, Michael *Capt. JEB Forrest* Fischer. We had 8 regular members and approximately 5 family and guest members join in our celebration, punctuated by lots of food and good will. This special match consisted of 3 main stages, with a built-in bonus for Stage 2. These stages came, compliments of *Youghougheny Kid*, and they just keep getting better and better. We had 7 main match participants shoot the match. There were 2 clean shooters. We were also privileged to have 2 new juniors come shoot the match, just for fun: Gunner (who is Jenell's and Capt. JEB's grandson) and my nephew, Eli, whom we will call, California. Hopefully, they will return and shoot with us more regularly. The match results are as follows:

Manassas, 4BPS, 333.04
MoonShine, LM, 139.83
Parker Palomino, 4SS, 300.77
Cheyenne Jim, Sr. LM, 207.56
Les Deadly ESSWC, 94.22, CLEAN
Doc WHO Sr. 4SD, 256.07
Sgt. R. Henry, TM, 157.08, CLEAN
Gunner Forrest, New Junior., Awesome
Eli aka, *California*, New Junior, Awesome

Because we had 2 matches in May, and we have 2 matches planned for July, the 11 (2nd Sunday) and the 31 (5th Saturday); so we will **not** have a match next week. **Instead, our next match will be July 11.** This will allow everyone the opportunity to replenish our supplies and resources.

I would like to thank Richard *MoonShine* Boyd, for volunteering as our posse's new Deputy Marshal. He replaces Dave *Okefinokee Outlaw* Graley, who recently retired from NCOWS, after a long, illustrious career of western action shooting. MoonShine has been consistently showing up the day before the match, helping with the setup for our matches, he is an experienced shooter, and comes to our matches regularly. I would also like to thank all of our posse members, for all the help and teamwork that each of you generously contributes, towards making our posse go. Without that, we would not have posse, nor any of our matches, nor any other events. I am personally humbled by that, and very grateful to have all of you aboard.

Our next match will be July 11, 2021 which is the second Sunday of July. If you have any questions or comments, please contact me. Please think about bring a new member or family member. I will plan

to bring the .22s and ammo again, if there are going to be any juniors, or even possible new shooters, in attendance.

Our matches are normally held on the second Sunday of each month (except November) and on the 5th Saturday of such months in which they occur. Match fees are \$15.00, \$10.00 for accompanying family members, no charge for age 12 and under. Please come and check us out; or better yet, come join in the fun. We are a very friendly, family friendly group. New shooters and beginners are welcome. Coffee, donuts, sweet rolls, bottled water and Gatorade are provided at most matches.

The National Congress of Old West Shootists (NCOWS) was founded in 1994 to promote safe Western Action Shooting including the re-enactment and promotion of the historical Old West heritage of the United States during the period 1865 to 1899. NCOWS members enjoy Western Action Shoots which are timed shooting matches in which shooters compete in a series of different shooting scenarios, called stages. Participants are attired in period correct, Old West style clothing and use firearms typical of the guns used in the Old West.

The South Carolina Old West Shootists is a charter posse (club) of NCOWS and the Mid-Carolina Rifle Club. NCOWS is comprised of many such posses throughout the United States, which hold their own matches and events using NCOWS guidelines. There are also periodic, national and regional matches and events. Safety is emphasized during all NCOWS events, both on and off the range. Loading, shooting, and unloading of guns, is closely structured in accordance with NCOWS and local safety rules. Typically, only one participant at a time will shoot during a match. Juniors and new shooters may be coached or supervised by a guardian or other experienced member, as the case may be.

NCOWS uses rules similar to SASS Cowboy matches, although NCOWS pays greater attention to historical accuracy concerning our guns, clothing and equipment, and more emphasis is placed on marksmanship. New participants are given generous allowances of leniency with the former, since it may take a long time to acquire the proper guns, clothing and accoutrements. Gun carts are optional, rifle racks are provided. We shoot in 2, 3 and 4-gun classes. Generally, any pre-1900 pistol, rifle in pistol caliber, and/or shotgun may be used, either originals in serviceable condition or reproductions. We shoot smokeless and black powder categories. There is no overall winner in NCOWS matches; each category is judged independently. **Prospective members are advised to not go out and buy any cowboy guns or accoutrements without first coming to a match and meeting with more experienced members, in order to avoid spending good money on things that may not be NCOWS-legal.**

PRECISION PISTOL: Mike Carr, afvet53@netzero.net, 803-408-0024.

STEEL CHALLENGE: Dennis Coggins, damocles1234@hotmail.com, 803-732-0663, Julie Holling, jwholling@bellsouth.net, 803-755-7397, or Lewis Hoover, nomad_777@netzero.net, 803-568-2976.

Roy Mullis read the report.

On May 15th, we had 29 shooters come out with 49 firearms to participate in Steel Challenge. The shooters included 2 new shooters and 3 ladies. Bob Bailey led Carry Optics with 73.69 seconds. Stu Williams won Pistol Caliber Carbine Open in 54.85. Alan Coleman led Rimfire Pistol Open in 49.60.

Chris Puza won Rimfire Pistol Iron with 89.70. Jeff Johnston won Rimfire Rifle Open in 39.92 and Rimfire Rifle Iron in 43.12. There was one shooter in the Limited and Single Stack divisions.

Our next match will be on June 19th. Preregistration thru Practiscore.com is required. If you have problems with registering, please contact me. Anyone who is not a new shooter will be charged an extra \$5 to register at the range on match day. If you are interested in helping set up for the match and getting a \$15 discount on your match fee, you can help with set-up on Friday, the 15th starting at 4:30pm. On Saturday, registration will start at the range by 9:15 and the match starts at 10:00.

Official Steel Challenge stages consists of 4-5 runs on 5 pieces of steel at set distances. Misses may be made up as long as it is done before hitting the “stop” plate, indicated by a red post. The longest string is tossed out and the remaining times are added together to get your stage time. Stage times are added together to get your match time. Occasionally, we run one unofficial stage during matches. Additional general information and stage diagrams may be found at <https://scsa.org/>. Contact Dennis, Julie or Lewis if you have questions about our match.

METALLIC RIFLE SILHOUETTE: Mical Bowling mical@blackwolfconsulting.com (803-546-4742)

Roy Mullis read the report.

The monthly smallbore rifle silhouette match was held at noon on Saturday the 15th of May. The match day was a nice and pleasant Spring day with very little wind. Target visibility was uniform throughout the day. There was a nice turn out for the match.

Mical won the standard rifle match but was tied by Scott Lurie in the hunter match. Scott was the final winner by a one shot shoot off.

This discipline consists of shooting offhand at steel: chickens, pigs, turkeys and rams at 40, 60, 77 and 100 yards respectively. If you would like to try it, we permit the use of any 22 LR rifle but require the use of standard velocity 22LR ammunition so as to limit any damage to the targets.

Because of the non contact nature of this sport we expect no interruptions in our match schedule. However participants should wear loose fitting gloves for handling of targets, spray cans, and rails.

The next smallbore rifle silhouette match will start at **11:00 am** on Saturday June 19th.

On the third Saturday of each month, the smallbore rifle silhouette match begins promptly at **11:00 am**. Set up starts around **9** with sight in and practice after set up is complete. The smallbore hunting rifle match usually begins around **12:30** after a short lunch break.

COWBOY ACTION SHOOTING - Savannah River Rangers: Joe Metz, jrmetz45@gmail.com, 803-960-3907 and Matthew Haulbrooks
Rhonda Metz read the report.

Match was on May 16th. There were 11 shooters. Top 5 finishers were: 5th Stone Ground, 4th Whiskey Mac, 3rd Groundhog, 2nd Lighthorse Pete, 1st Kid Ray. We had one Clean shooter. Next match is June

20th. We are on summer dress and hours. Registration begins at 7:45am, Shooters Meeting at 8:45am, shoot shortly after 9:00am – we would love to have you come out and see what Cowboy Action is all about!

In Cowboy Action we shoot steel targets of various shapes, sizes and distances, it does not matter where on the target the bullet hits, it is ruled either a hit or miss. A miss adds 5 seconds to the shooters time, obviously we want to hit them "All" as quickly as possible! We typically shoot 6 stages with each stage having a different scenario consisting of differing number of targets, differing target arrangement, differing shooting locations and differing gun order. We shoot 4 guns on each stage, 2 revolvers, 1 lever action rifle and 1 shotgun. Usually 5 rounds from each revolver, 10 rounds from the rifle and 4 rounds from the shotgun for 24 rounds per stage for a total of 144 rounds per match. When we give the monthly report and list the number of clean shooters we had, that means each clean shooter shot all 144 rounds and hit each target in the correct order.

BLACK POWDER MUZZLELOADING: Jim Boyd, 1949jwb@gmail.com, 803-356-9504 or Sam Jones, samandsandy@yahoo.com, 803-794-5476.
Roy Mullis read the report.

We did not have a muzzleloader match in May. We only had 3 shooters so we just had a practice session. Next match is June 26th.

Here are some facts about our matches:

Match fee is \$5.00 New shooters shoot for free. NMLRA rules prevail. Match Director Controls the line and match. Any Muzzle loading rifle or musket with OPEN SIGHTS may be used. Ammo is a Patched round ball. Loading takes place behind the firing line at the benches. The firearm is not primed until the shooter is on the firing line (percussion cap or priming powder). Misfires are placed in a safe box if the shooter cannot clear the issue at the line. Ranges are typically 25, 40, 50, 75 and 100 yards. Scoring is indicated by the numerical values shown on the target. A ball must be at least 1/2 into a ring to receive that score. Novelty matches are scored by the number of targets hit.

IDPA: Mike Phillips IDPAatMCRC@gmail.com, 803-530-9135 or Don Rawls dcrawls@live.com
Don Rawls reported.

Match held May 22, 2021. 33 in attendance. Roughly 80 round count. Winners and classification of each division:

Back Up Gun: Jonney Grunnet, Marksman
Concealed Carry Pistol: Tim Fritz, Master
Custom Defensive Pistol: Wayne Troutman, Sharpshooter
Carry Optics Pistol: Brent Spigner, Expert
Enhanced Service Pistol: Jack Gassaway, Expert
Not For Competition .22 caliber: Stevie Phillips
Pistol Caliber Carbine: Mike Wilkerson, Master (also overall Match winner)
Stock Service Pistol: Bruce Peterson, Unclassified

Honorable mention: Out of towners that showed up to shoot our match. From Palmetto Gun Club in Summerville to Central Carolinas Shooting Club near Rock Hill, thanks for your support!

Set up crew: Mike Phillips, Don Rawls, Bruce Peterson (and Wayne Troutman helped tow the car into Bay 1)

Please come out and help us setup and build some stages. If you shot the match, you know we had some fun and challenging stages (including shooting out of a real Volkswagen Convertible!) Your Match Directors are committed to continue to have the same every month but need assistance. We are discussing several things, including a "Sign Up" sheet where folks can pick a month to help setup. If anyone involved can commit to one afternoon, one month a year, we can easily cover setup. It truly was a low point in the past when matches were being cancelled at the last minute due to a lack of help. We are also thinking we could build several stages on Saturday morning before we shoot; we have enough folks showing up early that should not be a problem.

And please continue to mention to fellow shooters to come out and attend our matches. It must be working we are seeing our numbers increase steadily.

Next match will be **Saturday June 26, 2021 at 10 am.**

I am sending out a email message to all the organizations who expressed an interest in the MCRC Juniors Program. The letter lets them know we are open for business and to contact us about scheduling sessions.

If anyone has a youth organization they work with that might be interested in our Juniors program, please let me know. I need the organization and the contact's name, email, and phone number. I will contact them directly with information about the program.

The Juniors program is for those 8 to 18 and is designed to teach safety, responsibility, and basic marksmanship. The program uses air rifles for training and provides an entry into the rifle and pistol disciplines.

The basic orientation course consists of ten hours of instruction, both classroom and shooting. Instructors work with the participants through the course, teaching the basics and offering help and advice as the participant progresses. There is no set "score" to pass the orientation course. Safety is the primary focus, along with basic marksmanship skills. There is no cost for the orientation program: MCRC provides the rifles, ammunition, eye and ear protection, targets, and training materials.
