PRESIDENT'S REPORT: Roy Mullis, roym788@gmail.com, 803-360-1490
Roy Mullis reported.

In the continuing saga of the front gate, it now looks like the entry reader is preferring cards to be about a foot away instead of right up against the reader. I have questioned the gate company about replacements with no response. I'll continue to try to find a replacement.

A reminder that days are getting shorter so be aware of the changing shooting end times. Right now, shooting is ending at 8:45. By the 23rd, it will be back to 8:30.

I am very concerned about the 15th. Open carry starts. I have already been told by some of the members that they are already seeing people with exposed sidearms. Only people who have taken a CWP course after the 15th will have the required additional training. I want to find someone trained in the additional requirements to offer our members classes to bring them up to date. I would love to get it free but I'm sure there will be a charge. If you remember, people could get free CWP class when they became members. I'm afraid those days are gone forever. CWP training has become an easy way to make money and I fear that some taking CWP classes are not getting all they should. I fear trouble ahead for those poorly trained. I know the police are being trained to deal with the new law already. My advice to our members and I know some of the instructors are recommending also, don't do it.

Last month I told you about the attempt to steal the mule. I had decided to lock it down with a heavy chain. Instead I have removed the key, notified the match directors where it is located. I wanted to secure that shed but I cannot get any metal for the walls. Seems the company that installed it is 6 months to a year out on installations. They cannot get metal either.

VICE PRESIDENT'S REPORT: Linda Chico, lchico@sc.rr.com, 803-629-7095.
Linda Chico reported.

Please remember to contact me by phone, email or text message if you have questions about your membership (renewals, credits, forms needed, etc). If you cannot get the renewal to print, contact me. And Roy always has hard copies available at the range. We both bring extra copies to the meeting.

REMEMBER * * Renewals should be sent in 60 days via postal mail before your membership expires and prior to the meeting to allow all of the information to be processed. You will know you have successfully completed renewal once you get a new membership card. Please do not call or email Patten asking about the status of your renewal if you only sent it a week or two earlier. If you are using an Apple mobile device to complete a renewal form, you may need to install an Adobe Forms App (available free in the App Store).

SECRETARY'S REPORT: Rhonda Metz, secretary@midcarolinarifleclub.com, 803-315-5576.
Rhonda Metz reported.

If there are any changes or corrections to the newsletter, please bring them to my attention. The sign in sheets by the door are for everyone in attendance. This does include those wanting to join the club tonight. PLEASE print your name so that I can read it. Thank you!

TREASURER'S REPORT: Patten Watson, duck.tail@yahoo.com, 803-463-6533.
Patten reported.

Renewals are not processed overnight. The process of going into 4 club programs and the mailing just takes time. It is done in batches to avoid errors and to be less time consuming. When renewals are received, the gate program is opened and your renewal in that program is processed. Then deposits are taken to the bank. We ask that renewals be sent in early. The start of the month when the membership expires would be timely.

When your actual time comes up for renewal, the renewals received and previously processed through the gate program are processed in the membership program and the gate card program. The renewed card is not sent out until about the time of your expiration of the current card.

All this allows time for the checks to process and bad checks to drop out. Things do happen and we have an un-ordinarily low number of bad checks. And those we receive are always cleared up almost immediately.

DO NOT SEND CASH for renewals unless hand delivered to a meeting or to Roy at the range or to me personally. A stack of \$20s is suspicious and someone else may decide they need it.

PLEASE DO NOT SEND CERTIFIED MAIL TO BE SIGNED FOR. That is usually an hour wait at the Post Office.

Patten is a CPA in SC. If you would like to have more information regarding our finances, please contact him (after the latest IRS deadline if possible).

NATIONAL CONGRESS OF OLD WEST SHOOTISTS (NCOWS): Henry Schlein, henryschlein@yahoo.com, 843-821-9999 or Dave Graley, Assistant Match Director, dlgraley@aol.com 803-403-4792.– **South Carolina Old West Shootists Association of NCOWS.**
Henry Schlein reported.

By virtue of having a “5th Saturday”, July 2021 afforded the South Carolina Old West Shootists (SCOWS) the opportunity to have a second match during the month, which was held on Saturday, July 31st. As to be expected, the day proved incredibly hot, and the heat in the Cooper Pistol Bays at the Mid-Carolina Rifle Club quickly achieved the authentic feel of the Arizona Territory desert in the 1880s.

As usual, the match consisted of 4 main stages, all mostly based on events that occurred in July in the *Old West* during the 1870s and ‘80s. There was an additional bonus stage, which allowed shooters to challenge their long-distance pistol or rifle skills. Even in the 100+ degree heat, 3 of the 8 shooters who made it all the way to the end of the match were able to knock down all of the long-range targets, and ring the 2x modifier bonus targets, for perfect scores.

There was a total of 11 shooters, including new (to NCOWS) shooters in the 4 Gun Smokeless Shootist category, and a new Buckaroo, with the cowboy handle “Jose”, who is a friend of our other Buckaroo, California (aka “Deadeye”), and joined him in shooting 3 Gun Junior. The interesting fact about these two young guns is that, not only was their accuracy amazing, but also that they seemed to be really evenly matched in their times. This was confirmed by their raw times for the entire match, which were within 2/100ths of a second of each other: 267.51 vs. 267.53, with very few misses (1 vs. 3). It really was inspiring, and it bodes well for the future of our sport.

We had 1 clean shooter this match and one of the new junior shooters, Jose, deserves an honorable mention for having only 1 miss. Here are the **match results**:

4 Gun Smokeless Shootist

James L. Henry, 1st Place
Carolina Yankee, 2nd Place
Lucky Bastard, 3rd Place

Elder 4 Gun Smokeless Shootist

Manassas, 1st Place

Lawman

MoonShine, 1st Place

Elder 4 Gun Smokeless Duelist

Doc Who, 1st Place

Elder 3 Gun Duelist

Cheyenne Jim, 1st Place

Working Cowboy

Youghioghenny Kid, 1st Place

3 Gun Junior

Jose, 1st Place

California, 2nd Place

Town Marshal

Sgt. R. Henry, 1st Place *CLEAN*

Congratulations to all and thanks to everyone for a great match.

REMINDER: Given that July 31st was a “5th Saturday” match, and that the way the weekends work out in August means that our standard match date, the 2nd Sunday of the month, falls on August 8th, **SCOWS WILL NOT be holding an August match**, and the **next SCOWS match will be on Sept. 11, 2021**. Looking forward to seeing everyone there. New members and anyone interested in the Old West, are all welcome.

Our matches are normally held on the second Sunday of each month (except November) and on the 5th Saturday of such months in which they occur. Match fees are \$15.00, \$10.00 for accompanying family members, no charge for age 12 and under. Please come and check us out; or better yet, come join in the fun. We are a very friendly, family friendly group. New shooters and beginners are welcome. Coffee, donuts, sweet rolls, bottled water and Gatorade are provided at most matches.

The National Congress of Old West Shootists (NCOWS) was founded in 1994 to promote safe Western Action Shooting including the re-enactment and promotion of the historical Old West heritage of the United States during the period 1865 to 1899. NCOWS members enjoy Western Action Shoots which are timed shooting matches in which shooters compete in a series of different shooting scenarios, called stages. Participants are attired in period correct, Old West style clothing and use firearms typical of the guns used in the Old West.

The South Carolina Old West Shootists is a charter posse (club) of NCOWS and the Mid-Carolina Rifle Club. NCOWS is comprised of many such posses throughout the United States, which hold their own matches and events using NCOWS guidelines. There are also periodic, national and regional matches and events. Safety is emphasized during all NCOWS events, both on and off the range. Loading, shooting, and unloading of guns, is closely structured in accordance with NCOWS and local safety rules. Typically, only one participant at a time will shoot during a match. Juniors and new shooters may be coached or supervised by a guardian or other experienced member, as the case may be.

NCOWS uses rules similar to SASS Cowboy matches, although NCOWS pays greater attention to historical accuracy concerning our guns, clothing and equipment, and more emphasis is placed on marksmanship. New participants are given generous allowances of leniency with the former, since it may

take a long time to acquire the proper guns, clothing and accoutrements. Gun carts are optional, rifle racks are provided. We shoot in 2, 3 and 4-gun classes. Generally, any pre-1900 pistol, rifle in pistol caliber, and/or shotgun may be used, either originals in serviceable condition or reproductions. We shoot smokeless and black powder categories. There is no overall winner in NCOWS matches; each category is judged independently. **Prospective members are advised to not go out and buy any cowboy guns or accoutrements without first coming to a match and meeting with more experienced members, in order to avoid spending good money on things that may not be NCOWS-legal.**

Roy Mullis read the report.

On July 17th, we had 21 shooters come out with 33 firearms to participate in Steel Challenge. The shooters included 2 ladies. The match went well despite having to set it up that morning. The usual set up was cancelled because of the thunderstorms that rolled thru on Friday afternoon into the evening. Match day was hot with some clouds and rain rolling in at the end. Assistant match director Lewis Hoover led Single Stack with 111.82 seconds. Tim Burke won Pistol Caliber Carbine Open in 59.50. Former club member Charles Ferree led Rimfire Pistol Open in 53.14 and Rimfire Rifle Open in 47.21. Chris Puza won Rimfire Pistol Iron with 85.34. Gary Christopher won Rimfire Rifle Iron in 58.52. There were 2 shooters in Limited division and 1 shooter in the Open and Carry Optics divisions.

Our next match will be on August 21st. Preregistration thru Practiscore.com is required. If you have problems with registering, please contact me. Anyone who is not a new shooter will be charged an extra \$5 to register at the range on match day. If you are interested in helping set up for the match and getting a \$15 discount on your match fee, you can help with set-up on Friday, the 20th starting at 4:30 pm. On Saturday, registration will start at the range by 9:15 and the match starts at 10:00.

Official Steel Challenge stages consists of 4-5 runs on 5 pieces of steel at set distances. Misses may be made up as long as it is done before hitting the "stop" plate, indicated by a red post. The longest string is tossed out and the remaining times are added together to get your stage time. Stage times are added together to get your match time. Occasionally, we run one unofficial stage during matches. Additional general information and stage diagrams may be found at <https://scsa.org/>. Contact Dennis, Julie or Lewis if you have questions about our match.

METALLIC RIFLE SILHOUETTE: Mical Bowling mical@blackwolfconsulting.com (803-546-4742)

Roy Mullis read the report.

The monthly smallbore rifle silhouette match was held as usual at noon on Saturday the 17th of July. No report is currently available.

This discipline consists of shooting offhand at steel chickens, pigs, turkeys and rams at 40, 60, 77 and 100 yards respectively. If you would like to try it, we permit the use of any 22 LR rifle but require the use of standard velocity 22LR ammunition so as to limit any damage to the targets.

Because of the non contact nature of this sport we expect no interruptions in our match schedule. However participants should wear loose fitting gloves for handling of targets, spray cans, and rails.

The next smallbore rifle silhouette match will start at **11:00 am** on Saturday August 21st..

On the third Saturday of each month, the smallbore rifle silhouette match begins promptly at **11:00 am**. Set up starts around **9am** with sight in and practice after set up is complete. The smallbore hunting rifle match usually begins around **12:30** after a short lunch break.

COWBOY ACTION SHOOTING - Savannah River Rangers: Joe Metz, jrmetz45@gmail.com, 803-960-3907 and Matthew Haulbrooks
Rhonda Metz read the report.

Match was July 18th. Weather was warm and cloudy. 25 shooters came out. Top 5 finishers were: 5th – Smokey Bandit, 4th – Whiskey Mac, 3rd – Jesamy Kid, 2nd – Kid Ray, 1st – Lighthouse Pete. There were 5 clean shooters. Next match is August 15th. Summer hours, registration begins at 7:30, Shooters Meeting at 8:45, shoot at 9:00 – we would love to have you come out and see what Cowboy Action is all about!

In Cowboy Action we shoot steel targets of various shapes, sizes and distances, it does not matter where on the target the bullet hits, it is ruled either a hit or miss. A miss adds 5 seconds to the shooters time, obviously we want to hit them "All" as quickly as possible! We typically shoot 6 stages with each stage having a different scenario consisting of differing number of targets, differing target arrangement, differing shooting locations and differing gun order. We shoot 4 guns on each stage, 2 revolvers, 1 lever action rifle and 1 shotgun. Usually 5 rounds from each revolver, 10 rounds from the rifle and 4 rounds from the shotgun for 24 rounds per stage for a total of 144 rounds per match. When we give the monthly report and list the number of clean shooters we had, that means each clean shooter shot all 144 rounds and hit each target in the correct order.

BLACK POWDER MUZZLELOADING: Jim Boyd, 1949jwb@gmail.com, 803-356-9504 or Sam Jones, samandsandy@yahoo.com, 803-794-5476.
Sam Jones reported.

Match fee is \$5.00 New shooters shoot for free. NMLRA rules prevail. Match Director Controls the line and match. Any Muzzle loading rifle or musket with OPEN SIGHTS may be used. Ammo is a Patched round ball. Loading takes place behind the firing line at the benches. The firearm is not primed until the shooter is on the firing line (percussion cap or priming powder). Misfires are placed in a safe box if the shooter cannot clear the issue at the line. Ranges are typically 25, 40, 50, 75 and 100 yards. Scoring is indicated by the numerical values shown on the target. A ball must be at least 1/2 into a ring to receive that score. Novelty matches are scored by the number of targets hit.
