VICE PRESIDENT'S REPORT: Linda Chico, lchico@sc.rr.com, 803-629-7095.
Roy Mullis read the report.

In November, USPSA will host the 21th annual Toys for Tots Charity match. It is named the Thompson-Daugherty Memorial match in honor of two MCRC members who were Marine Corp vets & who supported this charity event for years. Everyone please remember that Linda Chico will be collecting checks, cash & toys for Toys for Tots at the November and December meetings. Thanks to the High Power Rifle shooters, IDPA, both Cowboy Action groups and the Smallbore Prone Rifle shooters for the cash donations collected during their matches last year. Big thanks also to NCOWS for adjusting their match schedule to accommodate this 2 day match. For this year, registration for competitors opens tonight. Linda Chico will send out email messages to MCRC members, to ask for volunteers to help

with setup for the USPSA Thompson-Daugherty Toys for Tots match and to help during the match in exchange for dues credit.

This is a reminder that the Cooper Pistol Bays will be closed because of the Toys for Tots USPSA match on Thursday, November 11th through Sunday, November 14th. The Qualification Bay will be closed Friday, November 12th through Sunday, November 14th. All other areas of the range will be open for use by the membership. Because of the large number of competitors at the Charity Match, member parking will not be available near the Cooper Bays and in the west (back) area of the main parking lot on Saturday and Sunday.

Please remember to contact me by phone, email or text message if you have questions about your membership (renewals, credits, forms needed, etc). If you cannot get the renewal to print, contact me. And Roy always has hard copies available at the range. We both bring extra copies to the meeting.

REMEMBER * * Renewals should be sent in 60 days via postal mail before your membership expires and prior to the meeting to allow all of the information to be processed. You will know you have successfully completed renewal once you get a new membership card. Please do not call or email Patten asking about the status of your renewal if you only sent it a week or two earlier. If you are using an Apple mobile device to complete a renewal form, you may need to install an Adobe Forms App (available free in the App Store).

SECRETARY'S REPORT: Rhonda Metz, secretary@midcarolinarifleclub.com, 803-315-5576.
Rhonda Metz reported.

If there are any changes or corrections to the newsletter, please bring them to my attention. The sign in sheets by the door are for everyone in attendance. This does include those wanting to join the club tonight. PLEASE print your name so that I can read it. Thank you!

TREASURER'S REPORT: Patten Watson, duck.tail@yahoo.com, 803-463-6533.
Patten Watson reported.

Renewals are not processed overnight. The process of going into 4 club programs and the mailing just takes time. It is done in batches to avoid errors and to be less time consuming. When renewals are received, the gate program is opened and your renewal in that program is processed. Then deposits are taken to the bank. We ask that renewals be sent in early. The start of the month when the membership expires would be timely.

When your actual time comes up for renewal, the renewals received and previously processed through the gate program are processed in the membership program and the gate card program. The renewed card is not sent out until about the time of your expiration of the current card.

All this allows time for the checks to process and bad checks to drop out. Things do happen and we have an un-ordinarily low number of bad checks. And those we receive are always cleared up almost immediately.

DO NOT SEND CASH for renewals unless hand delivered to a meeting or to Roy at the range or to me personally. A stack of \$20s is suspicious and someone else may decide they need it.

PLEASE DO NOT SEND CERTIFIED MAIL TO BE SIGNED FOR. That is usually an hour wait at the Post Office.

Patten is a CPA in SC. If you would like to have more information regarding our finances, please contact him (after the latest IRS deadline if possible).

Greeting members and friends. The South Carolina Old West Shootists (SCOWS) held its regularly scheduled monthly "Second Sunday" match for October on Oct. 10, 2021 in the Cooper Pistol Bays at the Mid-Carolina Rifle Club. As usual, the match consisted of 4 main stages, which were based on events related to train robberies that occurred in the *Old West* during the late 19th Century. There was also a bonus stage, which again allowed shooters to challenge their long-distance pistol or rifle skills. There was a total of 6 shooters, all of whom participated in different, distinct categories, and one of whom recorded a clean match – Congrats to Sgt. Henry!!!

Here are the match results:

4 Gun Smokeless Shootist – Manassas, 1st Place

Elder 4 Gun Smokeless Double Duelist (Outlaw) – Doc Who, 1st Place

Homesteader -- Youghioghenny Kid, 1st Place

Lawman – Sgt. R. Henry, 1st Place

Elder Lawman – MoonShine, 1st Place

Senior Black Powder Lawman – Cheyenne Jim, 1st Place

Congratulations to all, and thanks to everyone for a great match.

REMINDERS:

(1) October 2021 is another month that contains 5 Saturdays, and, as such, SCOWS will be having one of its rare "**Fifth Saturday**" matches on **October 30, 2021**. The theme of this match will be the events occurring in and around Tombstone, Arizona Territory in late October, 1881, the *Gunfight at the OK Corral* and the aftermath thereof. Safety briefing will be at 0930 (9:30 a.m.) with lead flying downrange shortly thereafter.

(2) The **Confederate Relic Room and Military Museum (CRRM)**, located in the the same building complex as the South Carolina State Museum at 301 Gervais St, Columbia, SC 29214, will be holding **Palmetto/Lone Star Day** on **Saturday, October 23, 2021**. **Admission will be free**. The day is dedicated to exploring ties between the Palmetto State and the Old West, in particular Texas, and will include lasso demonstrations, re-enactment of a famous gunfight, and displays and presentations of the guns and equipment of the Old West. SCOWS members will be participating in a number of these activities, and invite everyone out for a fun, family- and kid-friendly event.

Hope y'all can make it out to at least one of these events.

Our matches are normally held on the second Sunday of each month (except November) and on the 5th Saturday of such months in which they occur. Match fees are \$15.00, \$10.00 for accompanying family members, no charge for age 12 and under. Please come and check us out; or better yet, come join in the fun. We are a very friendly, family friendly group. New shooters and beginners are welcome. Coffee, donuts, sweet rolls, bottled water and Gatorade are provided at most matches.

The National Congress of Old West Shootists (NCOWS) was founded in 1994 to promote safe Western Action Shooting including the re-enactment and promotion of the historical Old West heritage of the United States during the period 1865 to 1899. NCOWS members enjoy Western Action Shoots which are timed shooting matches in which shooters compete in a series of different shooting scenarios, called stages. Participants are attired in period correct, Old West style clothing and use firearms typical of the guns used in the Old West.

The South Carolina Old West Shootists is a charter posse (club) of NCOWS and the Mid-Carolina Rifle Club. NCOWS is comprised of many such posses throughout the United States, which hold their own matches and events using NCOWS guidelines. There are also periodic, national and regional matches and events. Safety is emphasized during all NCOWS events, both on and off the range. Loading, shooting, and unloading of guns, is closely structured in accordance with NCOWS and local safety rules. Typically,

only one participant at a time will shoot during a match. Juniors and new shooters may be coached or supervised by a guardian or other experienced member, as the case may be.

NCOWS uses rules similar to SASS Cowboy matches, although NCOWS pays greater attention to historical accuracy concerning our guns, clothing and equipment, and more emphasis is placed on marksmanship. New participants are given generous allowances of leniency with the former, since it may take a long time to acquire the proper guns, clothing and accoutrements. Gun carts are optional, rifle racks are provided. We shoot in 2, 3 and 4-gun classes. Generally, any pre-1900 pistol, rifle in pistol caliber, and/or shotgun may be used, either originals in serviceable condition or reproductions. We shoot smokeless and black powder categories. There is no overall winner in NCOWS matches; each category is judged independently. **Prospective members are advised to not go out and buy any cowboy guns or accoutrements without first coming to a match and meeting with more experienced members, in order to avoid spending good money on things that may not be NCOWS-legal.**

On Saturday, registration will start at the range by 9:15 and the match starts at 10:00.

Official Steel Challenge stages consists of 4-5 runs on 5 pieces of steel at set distances. Misses may be made up as long as it is done before hitting the "stop" plate, indicated by a red post. The longest string is tossed out and the remaining times are added together to get your stage time. Stage times are added together to get your match time. Occasionally, we run one unofficial stage during matches. Additional general information and stage diagrams may be found at <https://scsa.org/>. Contact Dennis, Julie or Lewis if you have questions about our match.

METALLIC RIFLE SILHOUETTE: Mical Bowling mical@blackwolfconsulting.com (803-546-4742)

Mical Bowling reported.

The monthly smallbore rifle silhouette match was held on Saturday the 18th of September. Turn out was light. Results are not yet available.

This discipline consists of shooting offhand at steel chickens, pigs, turkeys and rams at 40, 60, 77 and 100 yards respectively. If you would like to try it, we permit the use of any 22 LR rifle but require the use of standard velocity 22LR ammunition so as to limit any damage to the targets.

Because of the non contact nature of this sport we expect no interruptions in our match schedule. However participants should wear loose fitting gloves for handling of targets, spray cans, and rails.

THE OCTOBER MATCH ON THE 16TH WILL NOT BE HELD BECAUSE IT CONFLICTS WITH THE GEORGIA STATE SILHOUETTE MATCH AT THE PINETUCKY GUN CLUB AT BLYTH, GEORGIA

On the third Saturday of each month, the smallbore rifle silhouette match begins promptly at 11:00 am. Set up starts around 9am with sight in and practice after set up is complete. The smallbore hunting rifle match usually begins around 12:30 after a short lunch break.

COWBOY ACTION SHOOTING - Savannah River Rangers: Joe Metz, jrmetz45@gmail.com, 803-960-3907 and Matthew Haulbrooks
Rhonda Metz read the report.

In Cowboy Action we shoot steel targets of various shapes, sizes and distances, it does not matter where on the target the bullet hits, it is ruled either a hit or miss. A miss adds 5 seconds to the shooters time, obviously we want to hit them "All" as quickly as possible! We typically shoot 6 stages with each stage having a different scenario consisting of differing number of targets, differing target arrangement, differing shooting locations and differing gun order. We shoot 4 guns on each stage, 2 revolvers, 1 lever action rifle and 1 shotgun. Usually 5 rounds from each revolver, 10 rounds from the rifle and 4 rounds from the shotgun for 24 rounds per stage for a total of 144 rounds per match. When we give the monthly report and list the number of clean shooters we had, that means each clean shooter shot all 144 rounds and hit each target in the correct order.

Last match was September 19th. Weather was warm and cloudy. 25 shooters came out. Top 5 were 5th – Jesamy Kid, 4th – Groundhog, 3rd – Kid Ray, 2nd – Lighthorse Pete, 1st – Stone Ground. We had 3 clean shooters. Next match is October 17th. Registration begins at 8:30, Shooters Meeting at 9:30, shoot shortly after – we would love to have you come out and see what Cowboy Action is all about!
