PRESIDENT’S REPORT: Roy Mullis, roym788@gmail.com, 803-360-1490

Roy Mullis reported.

1. I have had to speak to a number of members this last month about safety glasses. Glasses are required at all times while in any bay. Not just while shooting.
2. I am working on the silhouette bay trying to control the erosion.
3. One large oak tree was downed by the last storm. If anyone wants firewood, come get it.
4. A reminder from last month, if any member does not have a current I.D. please contact Patten.

VICE PRESIDENT’S REPORT: Linda Chico, lchico@sc.rr.com, 803-629-7095.

Linda Chico reported.

The work is on-going getting the website updated. She thanked all the match directors and disciplines that have made an effort. Every match should post something.

Please remember to contact me by phone, email, or text message if you have questions about your membership (renewals, credits, forms needed, etc). If you cannot get the renewal to print, contact me. And Roy always has hard copies available at the range. We both bring extra copies to the meeting.

REMEMBER * * Renewals should be sent in 60 days via postal mail before your membership expires and prior to the meeting to allow all of the information to be processed. You will know you have successfully completed renewal once you get a new membership card. Please do not call or email Patten asking about the status of your renewal if you only sent it a week or two earlier. If you are using an Apple mobile device to complete a renewal form, you may need to install an Adobe Forms App (available free in the App Store).

SECRETARY'S REPORT: Rhonda Metz, secretary@midcarolinarifleclub.com, 803-315-5576.
Rhonda Metz reported.

If there are any changes or corrections to the newsletter, please bring them to my attention. The sign in sheets by the door are for everyone in attendance. This does include those wanting to join the club tonight. PLEASE print your name so that I can read it. Thank you!

TREASURER'S REPORT: Patten Watson, duck.tail@yahoo.com, 803-463-6533.
No report.

Renewals are not processed overnight. The process of going into 4 club programs and the mailing just takes time. It is done in batches to avoid errors and to be less time consuming. When renewals are received, the gate program is opened and your renewal in that program is processed. Then deposits are taken to the bank. We ask that renewals be sent in early. The start of the month when the membership expires would be timely.

When your actual time comes up for renewal, the renewals received and previously processed through the gate program are processed in the membership program and the gate card program. The renewed card is not sent out until about the time of your expiration of the current card.

All this allows time for the checks to process and bad checks to drop out. Things do happen and we have an un-ordinarily low number of bad checks. And those we receive are always cleared up almost immediately.

DO NOT SEND CASH for renewals unless hand delivered to a meeting or to Roy at the range or to me personally. A stack of \$20s is suspicious and someone else may decide they need it.

PLEASE DO NOT SEND CERTIFIED MAIL TO BE SIGNED FOR. That is usually an hour wait at the Post Office.

Patten is a CPA in SC. If you would like to have more information regarding our finances, please contact him (after the latest IRS deadline if possible).

NATIONAL CONGRESS OF OLD WEST SHOOTISTS (NCOWS): Henry Schlein, henryschlein@yahoo.com, 843-821-9999 or Richard Boyd, Assistant Match Director, okbuckshot@comporium.net, 405-206-3314.— **South Carolina Old West Shootists Association of NCOWS.**

Richard Boyd reported.

The National Congress of Old West Shootists (NCOWS) was founded in 1994 to promote safe Western Action Shooting including the re-enactment and promotion of the historical Old West heritage of the United States during the period 1865 to 1899. NCOWS members enjoy Western Action Shoots which are timed shooting matches in which shooters compete in a series of different shooting scenarios, called stages. Participants are attired in period correct, Old West style clothing and use firearms typical of the guns used in the Old West.

The South Carolina Old West Shootists is a charter posse (club) of NCOWS and the Mid-Carolina Rifle Club. NCOWS is comprised of many such posses throughout the United States, which hold their own matches and events using NCOWS guidelines. There are also periodic, national, and regional matches and events. Safety is emphasized during all NCOWS events, both on and off the range. Loading, shooting, and unloading of guns, is closely structured in accordance with NCOWS and local safety rules. Typically, only one participant at a time will shoot during a match. Juniors and new shooters may be coached or supervised by a guardian or other experienced member, as the case may be.

NCOWS uses rules similar to SASS Cowboy matches, although NCOWS pays greater attention to historical accuracy concerning our guns, clothing and equipment, and more emphasis is placed on marksmanship. New participants are given generous allowances of leniency with the former, since it may take a long time to acquire the proper guns, clothing, and accoutrements. Gun carts are optional, rifle racks are provided. We shoot in 2, 3 and 4-gun classes. Generally, any pre-1900 pistol, rifle in pistol

caliber, and/or shotgun may be used, either originals in serviceable condition or reproductions. We shoot smokeless and black powder categories. There is no overall winner in NCOWS matches; each category is judged independently. Prospective members are advised to not go out and buy any cowboy guns or accoutrements without first coming to a match and meeting with more experienced members, in order to avoid spending good money on things that may not be NCOWS-legal.

PRECISION PISTOL: Mike Carr, afvet53@netzero.net, 803-408-0024.

STEEL CHALLENGE: Dennis Coggins, damocles1234@hotmail.com, 803-732-0663, Julie Holling, jwholling@bellsouth.net, 803-755-7397, or Lewis Hoover, nomad_777@netzero.net, 803-568-2976.

Julie Holling reported.

On December 18th, we had 51 shooters come out with 79 firearms to participate in Steel Challenge. That was the most we have had at a regular monthly match. We also shot 6 stages, so it was a longer day. The weather was great. The shooters included 5 new shooters, 9 juniors and 6 ladies. Zack Grimes led Carry Optics in 84.13. Jack Gassaway won Limited division in 96.78. Paul Sims won Pistol Caliber Carbine Open in 66.16. Alan Coleman led Rimfire Pistol Open in 61.78, as well as Rimfire Rifle Open in 51.60. Gary Christopher won Rimfire Rifle Iron in 76.23. There were 2 shooters in the Open and Rimfire Pistol Iron divisions. There was 1 shooter in the Optic Sight Revolver, Iron Sight Revolver, Single Stack, Production and Pistol Caliber Carbine Iron divisions.

Our next match will be on January 15th. We will be running 5 or 6 stages, depending on participation, including one of the long stages on the General Purpose Bay. Preregistration thru Practiscore.com is required. If you have problems with registering, please contact me. Anyone who is not a new shooter will be charged an extra \$5 to register at the range on match day. If you are interested in helping set up for the match and getting a \$15 discount on your match fee, you can help with set-up on Friday, the 14th starting at 3:30 pm. On Saturday, registration will start at the range by 9:15 and the match starts at 10:00.

Official Steel Challenge stages consists of 4-5 runs on 5 pieces of steel at set distances. Misses may be made up as long as it is done before hitting the "stop" plate, indicated by a red post. The longest string is tossed out and the remaining times are added together to get your stage time. Stage times are added together to get your match time. Occasionally, we run one unofficial stage during matches. Additional general information and stage diagrams may be found at <https://scsa.org/>. Contact Dennis, Julie or Lewis if you have questions about our match.

METALLIC RIFLE SILHOUETTE: Mical Bowling mical@blackwolfconsulting.com (803-546-4742)

Roy Mullis read the report.

The monthly smallbore rifle silhouette match was held on Saturday the 18th of December. The sky was overcast which gave good visibility for the targets. For December the temperatures were very mild. Mical, who had a good day, was the match winner in both events with Scott Lurie close behind. Brad had one of his best days yet.

This discipline consists of shooting offhand at steel chickens, pigs, turkeys and rams at 40, 60, 77 and 100 yards respectively. If you would like to try it, we permit the use of any 22 LR rifle but require the use of standard velocity 22LR ammunition so as to limit any damage to the targets.

Because of the non contact nature of this sport we expect no interruptions in our match schedule. However participants should wear loose fitting gloves for handling of targets, spray cans, and rails.

On the third Saturday of each month, the smallbore rifle silhouette match begins promptly at **11:00 am**. Set up starts around **9am** with sight in and practice after set up is complete. The smallbore hunting rifle match usually begins around **12:30** after a short lunch break.

COWBOY ACTION SHOOTING - Savannah River Rangers: Joe Metz, jrmetz45@gmail.com, 803-960-3907 and Matthew Haulbrooks
Rhonda Metz read the report.

Last match was December 19th. 13 shooters came out. Top 5 finishers were : 5th – Whiskey Mac, 4th – Trail Bandit, 3rd – Kid Ray, 2nd – Sue Render, 1st – Lighthouse Pete. There were 2 clean shooters. Next match is January 16th. Registration begins at 8:30, Shooters Meeting at 9:30, shoot shortly after – we would love to have you come out and see what Cowboy Action is all about!

In Cowboy Action we shoot steel targets of various shapes, sizes and distances, it does not matter where on the target the bullet hits, it is ruled either a hit or miss. A miss adds 5 seconds to the shooters time, obviously we want to hit them "All" as quickly as possible! We typically shoot 6 stages with each stage having a different scenario consisting of differing number of targets, differing target arrangement, differing shooting locations, and differing gun order. We shoot 4 guns on each stage, 2 revolvers, 1 lever action rifle and 1 shotgun. Usually 5 rounds from each revolver, 10 rounds from the rifle and 4 rounds from the shotgun for 24 rounds per stage for a total of 144 rounds per match. When we give the monthly report and list the number of clean shooters we had, that means each clean shooter shot all 144 rounds and hit each target in the correct order.

The Juniors program is for those 8 to 18 and is designed to teach safety, responsibility, and basic marksmanship. The program uses air rifles for training and provides an entry into the rifle and pistol disciplines.

The basic orientation course consists of ten hours of instruction, both classroom and shooting. Instructors work with the participants through the course, teaching the basics and offering help and advice as the participant progresses. There is no set "score" to pass the orientation course. Safety is the primary focus, along with basic marksmanship skills. There is no cost for the orientation program: MCRC provides the rifles, ammunition, eye and ear protection, targets, and training materials.
