### Minutes – February, 2022

There were twenty-eight (28) members and guests in attendance:

Roy Mullis	Linda Chico	Rhonda Metz	Nelson Thompson
Dave Graley	Eric Wright	Henry Schlein	Larry Gleaton
Richard Boyd	Chet Mittendorf	Don Gueuara	Robert Marcotolli
Ruth Marcotolli	Michael Wingard	Wesley Bommer	?
?	Tommy Wood	Phyllis Wood	Steven Degerick
Derrick Hernandez	Patten Watson	Bob Molchan	Steve Tuel
Katherine Prestly	Linda Andersen	Jason Andersen	William Richardson

Roy Mullis called the meeting to order and led the club in reciting the Pledge of Allegiance. He also led the club in a prayer. The minutes from the last meeting were approved by voice vote.

**PRESIDENT’S REPORT:** Roy Mullis, [roym788@gmail.com](mailto:roym788@gmail.com), 803-360-1490  
Roy Mullis reported.

Occasionally I get requests to help dispose of different items associated with shooting. These items are usually things a member doesn't need any more for whatever reason. Sometimes I'm requested to give the stuff away or try to sell for the owner. I don't mind helping. On the board is the current list of Items available. The top list is for a member who's children told him to get rid of the stuff because they didn't want to have to deal with it if anything happened to him.

The second part of the list are items from a widow who is friends with one of our members. Any sold, that money goes to the widow. I have everything with me if anyone is interested. We can talk after the meeting.

The backhoe is down. I'm having a cylinder repaired. Its taking forever. I'll be pulling bulky stuff out of the barrels by hand, but completely emptying will take a little longer.

I mentioned in a meeting or two ago that there was a problem with the high range gear in the Mule. Well I used the mule Saturday to pick up targets after the USPSA match and the high gear is completely gone. I have already notified the match directors of the problem but if anyone else uses the mule, use low range and reverse only. Do not overspeed the engine, the mule is 16 years old and we cannot afford to replace it or the engine.

The second CWP update class is in the books. There were 9 or 10 attending. I have sent out emails with very little response. I know that there is a problem mailing through the database. It seems to crash a lot. I know a lot of our members never read a newsletter but if there is anyone interested in taking this class send me an email and I will build a list of members to notify as we schedule classes.

Next to last, if any member does not have an up to date membership card send Patten an email. If you do not get a response from Patten let me know and I will follow up on it.

Last but not least. This is an election year for the club. August is when the nominating committee is elected. This will get here fast. If there is any member who is interested in running for an elected position, they need to start looking into the duties of the office. I am not planning on running again. 22 years as a member, 20 years as an officer, 8 years as President, I'm done. Brad Amick of Amicks guns told me I am too old to be running this club. I told him to run. He said " Oh No, I don't have time.". Lot of talk but very little action. I will show anyone what is involved in the office at any time. As far as continuing to maintain the club as I have done for 20 years, I will continue until either I can no longer handle the job or the club no longer needs me.

**VICE PRESIDENT'S REPORT:** Linda Chico, [lchico@sc.rr.com](mailto:lchico@sc.rr.com), 803-629-7095.  
Linda Chico reported.

Please remember to contact me by phone, email, or text message if you have questions about your membership (renewals, credits, forms needed, etc). If you cannot get the renewal to print, contact me. And Roy always has hard copies available at the range. We both bring extra copies to the meeting.

**REMEMBER \* \* Renewals should be sent in 60 days via postal mail before your membership expires and prior to the meeting to allow all of the information to be processed.** You will know you have successfully completed renewal once you get a new membership card. Please do not call or email Patten asking about the status of your renewal if you only sent it a week or two earlier. If you are using an Apple mobile device to complete a renewal form, you may need to install an Adobe Forms App (available free in the App Store).

**SECRETARY'S REPORT:** Rhonda Metz, [secretary@midcarolinarifleclub.com](mailto:secretary@midcarolinarifleclub.com), 803-315-5576.  
Rhonda Metz reported.

If there are any changes or corrections to the newsletter, please bring them to my attention. The sign in sheets by the door are for everyone in attendance. This does include those wanting to join the club tonight. PLEASE print your name so that I can read it. Thank you!

**TREASURER'S REPORT:** Patten Watson, [duck.tail@yahoo.com](mailto:duck.tail@yahoo.com), 803-463-6533.  
Patten Watson reported.

Renewals are not processed overnight. The process of going into 4 club programs and the mailing just takes time. It is done in batches to avoid errors and to be less time consuming. When renewals are received, the gate program is opened and your renewal in that program is processed. Then deposits are

taken to the bank. We ask that renewals be sent in early. The start of the month when the membership expires would be timely.

When your actual time comes up for renewal, the renewals received and previously processed through the gate program are processed in the membership program and the gate card program. The renewed card is not sent out until about the time of your expiration of the current card.

All this allows time for the checks to process and bad checks to drop out. Things do happen and we have an un-ordinarily low number of bad checks. And those we receive are always cleared up almost immediately.

DO NOT SEND CASH for renewals unless hand delivered to a meeting or to Roy at the range or to me personally. A stack of \$20s is suspicious and someone else may decide they need it.

PLEASE DO NOT SEND CERTIFIED MAIL TO BE SIGNED FOR. That is usually an hour wait at the Post Office.

Patten is a CPA in SC. If you would like to have more information regarding our finances, please contact him (after the latest IRS deadline if possible).

We had 7 competitors show up today, 6 sling 2 F-Class.

The temperature was a little cool this morning but it warmed up and was comfortable by the end. The wind was a little tricky. The mirage became very easy to see by the time we hit 100 yards. It would run to the left for a few seconds, then go right and the boil. Then it would do it again in a random order.

The people who don't like the hot weather should have been here today.

Six shooters came out to show a little Valentines love to their rifles. Sam Jones carried the day shooting a smoking hot 489-18X - a man clearly in love with his rifle. Second place was James Wells firing a 476-13X followed by Danie Bootha shooting a 430-06X.

**NATIONAL CONGRESS OF OLD WEST SHOOTISTS (NCOWS):** Henry Schlein, [henryschlein@yahoo.com](mailto:henryschlein@yahoo.com), 843-821-9999 or Richard Boyd, Assistant Match Director, [okbuckshot.comporium.net](mailto:okbuckshot.comporium.net), 405-206-3314.— **South Carolina Old West Shootists Association of NCOWS SC** [OldWestShootists@yahoo.com](mailto:OldWestShootists@yahoo.com)  
Henry Schlein reported.

The South Carolina Old West Shootists (SCOWS) held our regularly scheduled monthly "Second Sunday" match for February on Sunday, Feb. 13, 2022 in the Cooper Pistol Bays at the Mid-Carolina Rifle Club. As usual, the match consisted of 4 main stages, which were based on events that occurred in the Old West during the late 19th Century. There was also a bonus stage, which allowed shooters to challenge their long-range pistol skills, and, due to the insane multiplier built into the bonus scoring system, creates some HUGE scoring adjustments to a few shooters.

There was one (1) clean shooter this match -- Congrats to Youghioghenny Kid!!! And also, congrats to Moonshine for his "Dagnabbit" for the match (that's where you get only 1 penalty - not a safety violation or a stage DQ) on what would otherwise be a clean match -- Moonshine otherwise shot clean, but logged a procedural on the last stage.

Here are the **match results**:

**Elder 4 Gun Smokeless Shootist** Manassas, 1st Place 374.21  
**Town Marshal** Sgt. R. Henry, 1st Place 84.14  
**4 Gun Smokeless Shootist** Parker Palomino, 1st Place 151.83  
**Black Powder Town Citizen** Hollywood, 1st Place 84.30  
**4 Gun Smokeless Junior** California Kid, 1st Place 345.02  
**4 Gun Smokeless Duelist** Doc Who, 1st Place 405.02  
**Senior Lawman** MoonShine, 1st Place 93.88 (Dagnabbit)  
**Lawman** Youghioghenny Kid, 1st Place 143.54 (Clean Shooter)

Congratulations to all, and thanks to everyone for a great match.

#### **REMINDERS AND ANNOUNCEMENTS:**

1. The next SCOWS Event will be at the **28th Annual Battle of Aiken Reenactment & Living History Festival on Feb. 26 & 27, 2022**. A few of our members will be participating in the reenactment and living history event itself, and SCOWS plans to set up a display table and circulate around the grounds. If you plan on being anywhere near Aiken, SC during the last weekend of the month, please stop by and say hello.

2. The next **SCOWS match** will be a "**2nd Sunday**" match on **March 13, 2022**. Hope to see you there!

3. As you may have noticed, the South Carolina Old West Shootists have acquired a new e-mail address, **SC\_OldWestShootists@yahoo.com**. Please use this address for correspondence to the group and please add it to your contacts list so that future e-mails don't end up in your spam folder.

**Our matches are normally held on the second Sunday of each month (except November) and on the 5<sup>th</sup> Saturday of such months in which they occur.** Match fees are \$15.00, \$10.00 for accompanying family members, no charge for age 12 and under. Please come and check us out; or better yet, come join in the fun. We are a very friendly, family friendly group. New shooters and beginners are welcome. Coffee, donuts, sweet rolls, bottled water and Gatorade are provided at most matches.

The National Congress of Old West Shootists (NCOWS) was founded in 1994 to promote safe Western Action Shooting including the re-enactment and promotion of the historical Old West heritage of the United States during the period 1865 to 1899. NCOWS members enjoy Western Action Shoots which are timed shooting matches in which shooters compete in a series of different shooting scenarios, called stages. Participants are attired in period correct, Old West style clothing and use firearms typical of the guns used in the Old West.

The South Carolina Old West Shootists is a charter posse (club) of NCOWS and the Mid-Carolina Rifle Club. NCOWS is comprised of many such posses throughout the United States, which hold their own matches and events using NCOWS guidelines. There are also periodic, national and regional matches and events. Safety is emphasized during all NCOWS events, both on and off the range. Loading, shooting, and unloading of guns, is closely structured in accordance with NCOWS and local safety rules. Typically, only one participant at a time will shoot during a match. Juniors and new shooters may be coached or supervised by a guardian or other experienced member, as the case may be. NCOWS uses rules similar to SASS Cowboy matches, although NCOWS pays greater attention to historical accuracy concerning our guns, clothing and equipment, and more emphasis is placed on marksmanship. New participants are given generous allowances of leniency with the former, since it may take a long time to acquire the proper guns, clothing and accoutrements. Gun carts are optional, rifle racks are provided. We shoot in 2, 3 and 4-gun classes. Generally, any pre-1900 pistol, rifle in pistol caliber, and/or shotgun may be used, either originals in serviceable condition or reproductions. We shoot smokeless and black powder categories. There is no overall winner in NCOWS matches; each category is judged independently. **Prospective members are advised to not go out and buy any cowboy guns or accoutrements without first coming to a match and meeting with more experienced members, in order to avoid spending good money on things that may not be NCOWS-legal.**

Thanks to Linda Chico for covering registration for me. She will be covering the February match, too. Geoffrey Gall led Open in 66.52, and Carry Optics in 60.80. Todd Syssa led Rimfire Rifle Open in 45.94. Tim Burke won Rimfire Rifle Iron in 61.62. There were 2 shooters in the Single Stack division. There was 1 shooter in the Optic Sight Revolver and Production divisions.

Our next match will be on February 19<sup>th</sup>. We will be running 5 stages. Preregistration thru Practiscore.com is required. If you have problems with registering, please contact me. Anyone who is not a new shooter will be charged an extra \$5 to register at the range on match day. If you are interested in helping set up for the match and getting a \$15 discount on your match fee, you can help with set-up on Friday, the 18<sup>th</sup> starting at 4:00 pm. On Saturday, registration will start at the range by 9:30 and the match starts at 10:00.

Official Steel Challenge stages consists of 4-5 runs on 5 pieces of steel at set distances. Misses may be made up as long as it is done before hitting the "stop" plate, indicated by a red post. The longest string is tossed out and the remaining times are added together to get your stage time. Stage times are added together to get your match time. Occasionally, we run one unofficial stage during matches. Additional general information and stage diagrams may be found at <https://scsa.org/>. Contact Dennis, Julie or Lewis if you have questions about our match.

**METALLIC RIFLE SILHOUETTE:** Mical Bowling [mical@blackwolfconsulting.com](mailto:mical@blackwolfconsulting.com) (803-546-4742)

Mical Bowling submitted the following report.

The monthly smallbore rifle silhouette match was held on Saturday the 15<sup>th</sup> of January. The sky was overcast because of an incoming winter storm. Because there were no shadows the targets were quite visible. Temperature was seasonal but cool.

Scott Lurie down from North Carolina won out over Mical after a six shot shoot off while Mical won the hunter match with Scott only a point or so behind. Meanwhile Brad had his best score yet in the hunter match and Ed shot class in both matches for the first time in a long while.

This discipline consists of shooting offhand at steel chickens, pigs, turkeys and rams at 40, 60, 77, and 100 yards respectively. If you would like to try it, we permit the use of any 22 LR rifle but require the use of standard velocity 22LR ammunition so as to limit any damage to the targets.

Because of the non contact nature of this sport we expect no interruptions in our match schedule. However participants should wear loose fitting gloves for handling of targets, spray cans, and rails.

On the third Saturday of each month, the smallbore rifle silhouette match begins promptly at **11:00 am**. Set up starts around **9am** with sight in and practice after set up is complete. The smallbore hunting rifle match usually begins around **12:30** after a short lunch break.

**COWBOY ACTION SHOOTING - Savannah River Rangers:** Joe Metz, [jrmetz45@gmail.com](mailto:jrmetz45@gmail.com), 803-960-3907 and Matthew Haulbrooks  
Rhonda Metz read the report.

No match in January. Next match is February 20<sup>th</sup>. Registration begins at 8:30am, Shooters Meeting at 9:30am, shooting starts shortly after. Come on out and see what we're all about!

In Cowboy Action we shoot steel targets of various shapes, sizes, and distances, it does not matter where on the target the bullet hits, it is ruled either a hit or miss. A miss adds 5 seconds to the shooters time, obviously we want to hit them "All" as quickly as possible! We typically shoot 6 stages with each stage having a different scenario consisting of differing number of targets, differing target arrangement, differing shooting locations, and differing gun order. We shoot 4 guns on each stage, 2 revolvers, 1 lever action rifle and 1 shotgun. Usually 5 rounds from each revolver, 10 rounds from the rifle and 4 rounds from the shotgun for 24 rounds per stage for a total of 144 rounds per match. When we give the monthly report and list the number of clean shooters we had, that means each clean shooter shot all 144 rounds and hit each target in the correct order.

Don Rawls submitted the following report.

We had 11 shooters come to our January 22<sup>nd</sup> match at MCRC despite morning temps in the 20's, fresh snow (perhaps a first for Mid Carolina to shoot a match in the snow?) and sloppy bay conditions.

Winners of each division:

High Master: Mike Wilkerson (Pistol Caliber Carbine) (also overall match winner)

High Sharpshooter: James Elks (Enhanced Service Pistol)

High Marksman: Mike Phillips (ESP)

High Novice: John Champoux (Carry Optics)

IDPA matches are held the fourth Saturday of each month at MCRC. We post information on our Facebook page, the MCRC Club website under our discipline, and via direct e-mails we obtain from interested folks. Our next match is Saturday February 26<sup>th</sup> at 10 am. Please come join us.

**JUNIORS:** Charley Francis, [cfrancis@ftc-i.net](mailto:cfrancis@ftc-i.net), 803-469-4584  
No report.

Holding pattern continues as we wait for youth organizations to relax their restrictions.

The Juniors program is for those 8 to 18 and is designed to teach safety, responsibility, and basic marksmanship. The program uses air rifles for training and provides an entry into the rifle and pistol disciplines.

The basic orientation course consists of ten hours of instruction, both classroom and shooting. Instructors work with the participants through the course, teaching the basics and offering help and advice as the participant progresses. There is no set "score" to pass the orientation course. Safety is the primary focus, along with basic marksmanship skills. There is no cost for the orientation program: MCRC provides the rifles, ammunition, eye and ear protection, targets, and training materials.
