PRESIDENT’S REPORT: Roy Mullis, roym788@gmail.com, 803-360-1490
Roy Mullis reported.

One word – Hot. Temperature in the pistol bays this afternoon was 124 degrees. Remember the water in the refrigerator. Stay hydrated. Very little use of the range now, other than the disciplines. I’m sure heat, ammo prices, and gas are the main culprits.

Please, if the water is running in the rim fire or Hathcock bays, do not turn the water off or move the sprinklers.

Someone has been shooting a shotgun at the plate rack and if caught they will be subject to immediate dismissal.

VICE PRESIDENT’S REPORT: Linda Chico, lchico@sc.rr.com, 803-629-7095.
Linda Chico reported.

Two weeks ago I sent every single member an email message (over 600 emails) with a link created on our website to contact the US House Representatives from South Carolina and our 2 US Senators. I also mentioned the upcoming proposed legislation that would impact all gun owners. It was a huge disappointment to see that fewer than 180 members had even visited the page with the links. The links

will be a permanent part of the website, so that it is easier for our members to express their opinion to our US Congress representatives.

Please remember to contact me by phone, email, or text message if you have questions about your membership (renewals, credits, forms needed, etc). If you cannot get the renewal to print, contact me. And Roy always has hard copies available at the range. We both bring extra copies to the meeting.

REMEMBER * * Renewals should be sent in 60 days via postal mail before your membership expires and prior to the meeting to allow all of the information to be processed. You will know you have successfully completed renewal once you get a new membership card. Please do not call or email Patten asking about the status of your renewal if you only sent it a week or two earlier. If you are using an Apple mobile device to complete a renewal form, you may need to install an Adobe Forms App (available free in the App Store).

SECRETARY'S REPORT: Rhonda Metz, secretary@midcarolinarifleclub.com, 803-315-5576.
Rhonda Metz reported.

If there are any changes or corrections to the newsletter, please bring them to my attention. The sign in sheets by the door are for everyone in attendance. This does include those wanting to join the club tonight. PLEASE print your name so that I can read it. Thank you!

TREASURER'S REPORT: Patten Watson, duck.tail@yahoo.com, 803-463-6533.
Patten reported.

Renewals are not processed overnight. The process of going into 4 club programs and the mailing just takes time. It is done in batches to avoid errors and to be less time consuming. When renewals are received, the gate program is opened and your renewal in that program is processed. Then deposits are taken to the bank. We ask that renewals be sent in early. The start of the month when the membership expires would be timely.

When your actual time comes up for renewal, the renewals received and previously processed through the gate program are processed in the membership program and the gate card program. The renewed card is not sent out until about the time of your expiration of the current card.

All this allows time for the checks to process and bad checks to drop out. Things do happen and we have an un-ordinarily low number of bad checks. And those we receive are always cleared up almost immediately.

DO NOT SEND CASH for renewals unless hand delivered to a meeting or to Roy at the range or to me personally. A stack of \$20s is suspicious and someone else may decide they need it. **PLEASE DO NOT SEND CERTIFIED MAIL TO BE SIGNED FOR.** That is usually an hour wait at the Post Office.

Patten is a CPA in SC. If you would like to have more information regarding our finances, please contact him (after the latest IRS deadline if possible).

NATIONAL CONGRESS OF OLD WEST SHOOTISTS (NCOWS): Henry Schlein, henryschlein@yahoo.com, 843-821-9999 or Richard Boyd, Assistant Match Director, okbuckshot@comporium.net, 405-206-3314.— **South Carolina Old West Shootists Association of NCOWS SC OldWestShootists@yahoo.com**
Henry Schlein reported.

We had a total of 13 attendees at the match, including several juniors, one of whom was our youngest posse member, Frank James Henry, age 4. The match consisted of 2 main stages authored by Youghioghenny Kid, based on actual Old West events, plus an additional bonus stage, compliments of Cheyenne Jim, based on Old West period marksmanship contests. We also had a return of our Hanging Man donated by OO and re-framed by James L. Henry, which made a debut for testing purposes.

The match was shortened, with less stages, because the planned picnic luncheon and the food was all put out and waiting, by about the time the match ended. The menu included assorted sub sandwiches, potato salad, coleslaw, shrimp salad, macaroni salad, chips, cookies, pop, Gatorade, bottled water, Cowboy coffee, assorted sweet rolls, and if you didn't get hungry reading this, your appetite might be a little off. Thanks to everyone who contributed.

The shooting portion of the match had 7 participants with 2 clean shooters. The results are as follows:

4-Gun Smokeless Shootist -Parker Palomino, 134.07

4-Gun Black Powder Shootist -Manassas, 1st Place, 83.61

4-Gun Double Duelist -Doc Who, 95.84

3-Gun Black Powder Duelist -Cheyenne Jim, 1st Place, 109.92

2-Gun Working Cowboy -MoonShine, 1st Place, 58.09 CLEAN

Deputy Sheriff (2 pistols) -J. P. Hara, 51.11
Town Marshal -Sgt. R. Henry, 1st Place, 83.61 CLEAN

Our next match will be June 12, 2022 which will be the second Sunday of next month. Please mark your calendars and try to bring a family member or guest, to shoot with us, or just to observe.

I hope everyone will remember that it is not necessary to have 4 guns, to shoot a match; under our local posse rules, you can shoot the match with even just one single gun.

Our matches are normally held on the second Sunday of each month (except November) and on the 5th Saturday of such months in which they occur. Match fees are \$15.00, \$10.00 for accompanying family members, no charge for age 12 and under. Please come and check us out; or better yet, come join in the fun. We are a very friendly, family friendly group. New shooters and beginners are welcome. Coffee, donuts, sweet rolls, bottled water and Gatorade are provided at most matches. The National Congress of Old West Shootists (NCOWS) was founded in 1994 to promote safe Western Action Shooting including the re-enactment and promotion of the historical Old West heritage of the United States during the period 1865 to 1899. NCOWS members enjoy Western Action Shoots which are timed shooting matches in which shooters compete in a series of different shooting scenarios, called stages. Participants are attired in period correct, Old West style clothing and use firearms typical of the guns used in the Old West.

The South Carolina Old West Shootists is a charter posse (club) of NCOWS and the Mid-Carolina Rifle Club. NCOWS is comprised of many such posses throughout the United States, which hold their own matches and events using NCOWS guidelines. There are also periodic, national and regional matches and events. Safety is emphasized during all NCOWS events, both on and off the range. Loading, shooting, and unloading of guns, is closely structured in accordance with NCOWS and local safety rules. Typically, only one participant at a time will shoot during a match. Juniors and new shooters may be coached or supervised by a guardian or other experienced member, as the case may be.

NCOWS uses rules similar to SASS Cowboy matches, although NCOWS pays greater attention to historical accuracy concerning our guns, clothing and equipment, and more emphasis is placed on marksmanship. New participants are given generous allowances of leniency with the former, since it may take a long time to acquire the proper guns, clothing and accoutrements. Gun carts are optional, rifle racks are provided. We shoot in 2, 3 and 4-gun classes. Generally, any pre-1900 pistol, rifle in pistol caliber, and/or shotgun may be used, either originals in serviceable condition or reproductions. We shoot smokeless and black powder categories. There is no overall winner in NCOWS matches; each category is judged independently. **Prospective members are advised to not go out and buy any cowboy guns or accoutrements without first coming to a match and meeting with more experienced members, in order to avoid spending good money on things that may not be NCOWS-legal.**

PRECISION PISTOL: Mike Carr, afvet53@netzero.net, 803-408-0024.
Roy Mullis read the report.

We had eight shooters signed up for our May match, two got sick and could not make it. Two shot just the .22 stage. As the day went on it got dark. We got thru the center fire stage. We figured we can try

and see if we can get thru the .45. We got about halfway when the bottom dropped out. We could barely hear the commands it was raining so hard. Finally, it lightened up enough to put everything away. Just in time for the flood.

There was a river running thru the pathway. Oh well we did the best we could, and I will Turn in soggy score sheets for the .45. still we had a good time. Next match June 18th.

STEEL CHALLENGE: Dennis Coggins, damocles1234@hotmail.com, 803-732-0663, Julie Holling, jwholling@bellsouth.net, 803-755-7397, or Lewis Hoover, nomad_777@netzero.net, 803-568-2976.

Linda Chico read the report.

On May 21st, we had 26 shooters come out with 43 firearms to participate in Steel Challenge. The shooters included 1 new shooter, 2 juniors and 2 ladies. Bob Bailey led Carry Optics in 70.55 seconds. Stu Williams won Pistol Caliber Carbine Open in 49.61. Todd Syssa led Rimfire Pistol Open in 52.23 and Rimfire Rifle Open in 40.60. Gary Christopher won Rimfire Rifle Iron in 52.13. There were 2 shooters in the Single Stack and Rimfire Pistol Iron divisions. There was 1 shooter in the Open, Production, and Open Sight Revolver divisions.

Our next match will be on June 18th. We'll be doing the summer start time of 9:00. We will be running 5 stages. Preregistration thru Practiscore.com is required. If you have problems with registering, please contact me. Anyone who is not a new shooter will be charged an extra \$5 to register at the range on match day. If you are interested in helping set up for the match and getting a \$15 discount on your match fee, you can help with set-up on Friday, the 15th starting at 5:00 pm. On Saturday, registration will start at the range at 8:15, ends at 8:50 and the match starts at 9:00.

Official Steel Challenge stages consists of 4-5 runs on 5 pieces of steel at set distances. Misses may be made up as long as it is done before hitting the "stop" plate, indicated by a red post. The longest string is tossed out and the remaining times are added together to get your stage time. Stage times are added together to get your match time. Occasionally, we run one unofficial stage during matches. Additional general information and stage diagrams may be found at <https://scsa.org/>. Contact Dennis, Julie or Lewis if you have questions about our match.

METALLIC RIFLE SILHOUETTE: Mical Bowling mical@blackwolfconsulting.com (803-546-4742)

Roy Mullis read the report.

The monthly smallbore rifle silhouette match was held on Saturday the 21st of May. It was a hot humid summer like day. Mical won the standard match while Scott Lurie down from North Carolina won the hunter match. By good fortune the expected rain held off until the match was complete and all targets were put away. Shortly after finishing there was a strong deluge that resulted in some flooding in the nearby city of Columbia.

This discipline consists of shooting offhand at steel chickens, pigs, turkeys and rams at 40, 60, 77 and 100 yards respectively. If you would like to try it, we permit the use of any 22 LR rifle but require the use of standard velocity 22LR ammunition so as to limit any damage to the targets.

Because of the non contact nature of this sport we expect no interruptions in our match schedule. However participants should wear loose fitting gloves for handling of targets, spray cans, and rails.

On the third Saturday of each month, the smallbore rifle silhouette match begins promptly at **11:00 am**. Set up starts around **9am** with sight in and practice after set up is complete. The smallbore hunting rifle match usually begins around **12:30** after a short lunch break.

COWBOY ACTION SHOOTING - Savannah River Rangers: Joe Metz, jrmetz45@gmail.com, 803-960-3907 and Matthew Haulbrooks
Rhonda Metz read the report.

Match was May 15th. Weather was sunny and warm. 16 shooters came out.

Top 5 were: 5th – Palmetto Traveler, 4th – Trail Bandit, 3rd – Sue Render, 2nd – Kid Ray, 1st – Stone Ground. 1 clean shooter.

Next match is June 19th. Registration begins at 8:30, Shooters Meeting at 9:30, shoot shortly after – we would love to have you come out and see what Cowboy Action is all about!

In Cowboy Action we shoot steel targets of various shapes, sizes and distances, it does not matter where on the target the bullet hits, it is ruled either a hit or miss. A miss adds 5 seconds to the shooters time, obviously we want to hit them "All" as quickly as possible! We typically shoot 6 stages with each stage having a different scenario consisting of differing number of targets, differing target arrangement, differing shooting locations and differing gun order. We shoot 4 guns on each stage, 2 revolvers, 1 lever action rifle and 1 shotgun. Usually 5 rounds from each revolver, 10 rounds from the rifle and 4 rounds from the shotgun for 24 rounds per stage for a total of 144 rounds per match. When we give the monthly report and list the number of clean shooters we had, that means each clean shooter shot all 144 rounds and hit each target in the correct order.

Soliciting youth groups for those interested in the program.

If you work with a youth organization and are interested in having them participate in a shooting education program, please contact me.

The Juniors program is for those 8 to 18 and is designed to teach safety, responsibility, and basic marksmanship. The program uses air rifles for training and provides an entry into the rifle and pistol disciplines.

The basic orientation course consists of ten hours of instruction, both classroom and shooting. Instructors work with the participants through the course, teaching the basics and offering help and advice as the participant progresses. There is no set "score" to pass the orientation course. Safety is the primary focus, along with basic marksmanship skills. There is no cost for the orientation program: MCRC provides the rifles, ammunition, eye and ear protection, targets, and training materials.

CIVILIAN MARKSMANSHIP PROGRAM: This position needs to be filled.

LEGISLATIVE LIAISON: Kevin Krist, kevin_krist@yahoo.com,
Kevin Krist reported.

Last week, as expected, the U.S. House of Representatives passed comprehensive gun control legislation consisting of two (2) bills, H.R. 7910, titled the "Protecting Our Kids Act," and H.R. 2377, titled the "Federal Extreme Risk Protection Order Act of 2021." These bills include provisions which would raise the age for acquiring semi-automatic rifles and shotguns nation-wide from 18 to 21 years of age, ban so-called "high capacity" magazines and fund "buyback" programs, create requirements to regulate the transfer of certain currently freely available firearm parts, create "safe storage" mandates, and create "red flag" rules at the federal level.

While these proposals appear onerous on their face, and passed the vote in the House easily, based on the current Democratic majority in that chamber and the votes of ten (10) Republican Congressmen who broke party ranks, it appears that the real fight over this legislation will occur in the U.S. Senate.

Please see the Legislative Updates page on the MCRC website for a full report.
