PRESIDENT’S REPORT: Roy Mullis, roym788@gmail.com, 803-360-1490
Linda Chico read the report.

Gate work has stopped. All who were working on unit (including me) have all come down with Covid.

Please, do not pull the chain tight when locking the gate. It makes it hard for others to unlock. There is no need to lock the chain short because you can drive a moped around each end.

Gate fund continues. I will send official thanks to all who have donated.

At this time we still don’t know the final costs. I understand we are going to have to replace the driveway sensors also. If there are left over funds they will be put into a special account for future repairs.

We still don’t have all the internet working and Patten still can’t communicate with the gate. That part will be unnecessary as soon as the transition of the membership to the range office is complete hopefully by October.

Next possible time for orientation should be around the 17th.

VICE PRESIDENT'S REPORT: Linda Chico, lchico@sc.rr.com, 803-629-7095.
Linda Chico reported.

Please remember to contact me by phone, email, or text message if you have questions about your membership (renewals, credits, forms needed, etc). If you cannot get the renewal to print, contact me. And Roy always has hard copies available at the range. We both bring extra copies to the meeting.

REMEMBER * * Renewals should be sent in 60 days via postal mail before your membership expires and prior to the meeting to allow all of the information to be processed. You will know you have successfully completed renewal once you get a new membership card. Please do not call or email Patten asking about the status of your renewal if you only sent it a week or two earlier. If you are using an Apple mobile device to complete a renewal form, you may need to install an Adobe Forms App (available free in the App Store).

SECRETARY'S REPORT: Rhonda Metz, secretary@midcarolinarifleclub.com, 803-315-5576.
Rhonda Metz reported.

If there are any changes or corrections to the newsletter, please bring them to Rhonda's attention. The sign in sheets by the door are for everyone in attendance. This does include those wanting to join the club tonight. PLEASE print your name so that I can read it. Thank you!

TREASURER'S REPORT: Patten Watson, duck.tail@yahoo.com, 803-463-6533.
Patten Watson reported.

Renewals are not processed overnight. The process of going into 4 club programs and the mailing just takes time. It is done in batches to avoid errors and to be less time consuming. When renewals are received, the gate program is opened and your renewal in that program is processed. Then deposits are taken to the bank. We ask that renewals be sent in early. The start of the month when the membership expires would be timely.

When your actual time comes up for renewal, the renewals received and previously processed through the gate program are processed in the membership program and the gate card program. The renewed card is not sent out until about the time of your expiration of the current card.

All this allows time for the checks to process and bad checks to drop out. Things do happen and we have an un-ordinarily low number of bad checks. And those we receive are always cleared up almost immediately.

DO NOT SEND CASH for renewals unless hand delivered to a meeting or to Roy at the range or to me personally. A stack of \$20s is suspicious and someone else may decide they need it. **PLEASE DO NOT SEND CERTIFIED MAIL TO BE SIGNED FOR.** That is usually an hour wait at the Post Office.

Patten is a CPA in SC. If you would like to have more information regarding our finances, please contact him (after the latest IRS deadline if possible).

REMINDERS AND ANNOUNCEMENTS:

The next **SCOWS match** will be our September "2nd Sunday" match on **Sunday, September 11, 2022**. Hope to see you there!

Also: It's time again for the annual election of posse officers. While all current officers have volunteered to continue serving, "new blood" is always welcome. So, anyone who may wish to serve the posse and run for one of the officer positions, please feel free to reach out to either Sgt. Rick Henry (President) or Youghioghenny Kid (Secretary) to inform them of your intentions. More details, including deadlines to submit nominations for candidates and the "voting window," will follow shortly in a separate e-mail.

Also, speaking of elections, just a reminder for all posse members to be on the look-out for the fall edition of the official NCOWS magazine, *The Shootist*, which should be arriving in your mailboxes soon and which will contain the official ballots for national officers, including the candidacy of SCOWS Dep. Marshal Moonshine (aka Richard Boyd) for NCOWS Senate. The official written ballot in your magazine is **the only means to vote** for national officers.

Finally -- **MARK YOUR CALENDARS!!!** The dates for the 2022 American Frontier & Wild West Festival in Aiken, SC (aka the Aiken Wild West Fest) have been confirmed for **November 5 & 6, 2022**. The South Carolina Old West Shootists will have a presentation table for both days of the event, and it is highly likely that more than a few members of our posse will be participating in the reenactments of various shoot-outs that are scheduled for the weekend. Hope y'all can make it out for all of the fun and history.

[The foregoing summary was prepared by *Youghioghenny Kid*, SCOWS Posse Secretary]

Our matches are normally held on the second Sunday of each month (except November) and on the 5th Saturday of such months in which they occur. Match fees are \$15.00, \$10.00 for accompanying family members, no charge for age 12 and under. Please come and check us out; or better yet, come join in the fun. We are a very friendly, family friendly group. New shooters and beginners are welcome. Coffee, donuts, sweet rolls, bottled water and Gatorade are provided at most matches.

The National Congress of Old West Shootists (NCOWS) was founded in 1994 to promote safe Western Action Shooting including the re-enactment and promotion of the historical Old West heritage of the United States during the period 1865 to 1899. NCOWS members enjoy Western Action Shoots which are timed shooting matches in which shooters compete in a series of different shooting scenarios, called stages. Participants are attired in period correct, Old West style clothing and use firearms typical of the guns used in the Old West.

The South Carolina Old West Shootists is a charter posse (club) of NCOWS and the Mid-Carolina Rifle Club. NCOWS is comprised of many such posses throughout the United States, which hold their own matches and events using NCOWS guidelines. There are also periodic, national and regional matches and events. Safety is emphasized during all NCOWS events, both on and off the range. Loading, shooting, and unloading of guns, is closely structured in accordance with NCOWS and local safety rules. Typically, only one participant at a time will shoot during a match. Juniors and new shooters may be coached or supervised by a guardian or other experienced member, as the case may be.

NCOWS uses rules similar to SASS Cowboy matches, although NCOWS pays greater attention to historical accuracy concerning our guns, clothing and equipment, and more emphasis is placed on marksmanship. New participants are given generous allowances of leniency with the former, since it may take a long time to acquire the proper guns, clothing and accoutrements. Gun carts are optional, rifle racks are provided. We shoot in 2, 3 and 4-gun classes. Generally, any pre-1900 pistol, rifle in pistol caliber, and/or shotgun may be used, either originals in serviceable condition or reproductions. We shoot smokeless and black powder categories. There is no overall winner in NCOWS matches; each category is judged independently. **Prospective members are advised to not go out and buy any cowboy guns or accoutrements without first coming to a match and meeting with more experienced members, in order to avoid spending good money on things that may not be NCOWS-legal.**

There were 2 shooters in Limited and Rimfire Pistol Iron and 1 shooter in the Pistol Caliber Carbine Iron and Rimfire Rifle Iron divisions.

Our next match will be on September 17th. We'll be starting at 10:00. We will be running 5 stages. Preregistration thru Practiscore.com is required. If you have problems with registering, please contact me. Anyone who is not a new shooter will be charged an extra \$5 to register at the range on match day. If you are interested in helping set up for the match and getting a \$15 discount on your match fee, you can help with set-up on Friday, the 16th starting at 1:00 to pull all the stage equipment out and again at 4:30 pm to measure out the stages. On Saturday, registration will start at the range at 9:15, ends at 9:50, and the match starts at 10:00.

Official Steel Challenge stages consists of 4-5 runs on 5 pieces of steel at set distances. Misses may be made up as long as it is done before hitting the "stop" plate, indicated by a red post. The longest string is tossed out and the remaining times are added together to get your stage time. Stage times are added

together to get your match time. Occasionally, we run one unofficial stage during matches. Additional general information and stage diagrams may be found at <https://scsa.org/>. Contact Dennis, Julie or Lewis if you have questions about our match.

METALLIC RIFLE SILHOUETTE: Mical Bowling mical@blackwolfconsulting.com (803-546-4742)

Linda Chico read the report.

The monthly smallbore rifle silhouette match was held on Saturday the 20th of August. However, results are not yet available.

This discipline consists of shooting offhand at steel chickens, pigs, turkeys and rams at 40, 60, 77 and 100 yards respectively. If you would like to try it, we permit the use of any 22 LR rifle but require the use of standard velocity 22LR ammunition so as to limit any damage to the targets.

Because of the non contact nature of this sport we expect no interruptions in our match schedule. However participants should wear loose fitting gloves for handling of targets, spray cans, and rails.

On the third Saturday of each month, the smallbore rifle silhouette match begins promptly at **11:00 am**. Set up starts around **9am** with sight in and practice after set up is complete. The smallbore hunting rifle match usually begins around **12:30** after a short lunch break.

COWBOY ACTION SHOOTING - Savannah River Rangers: Joe Metz, jrmetz45@gmail.com, 803-960-3907 and Matthew Haulbrooks
Rhonda Metz read the report.

Match was August 21st. Weather was partly cloudy and warm. 18 shooters came out. Top 5 finishers were: 5th – Whiskey Mac, 4th – Sue Render, 3rd – Jesamy Kid, 2nd – Kid Ray, 1st – Lighthorse Pete. 3 clean shooters. Next match is September 18th. Registration begins at 8:30, Shooters Meeting at 9:30, shoot shortly after – we would love to have you come out and see what Cowboy Action is all about!

In Cowboy Action we shoot steel targets of various shapes, sizes and distances, it does not matter where on the target the bullet hits, it is ruled either a hit or miss. A miss adds 5 seconds to the shooters time, obviously we want to hit them "All" as quickly as possible! We typically shoot 6 stages with each stage having a different scenario consisting of differing number of targets, differing target arrangement, differing shooting locations and differing gun order. We shoot 4 guns on each stage, 2 revolvers, 1 lever action rifle and 1 shotgun. Usually 5 rounds from each revolver, 10 rounds from the rifle and 4 rounds from the shotgun for 24 rounds per stage for a total of 144 rounds per match. When we give the monthly report and list the number of clean shooters we had, that means each clean shooter shot all 144 rounds and hit each target in the correct order.

Charley Francis reported.

If you work with a youth organization and are interested in having them participate in a shooting education program, please contact me.

The Juniors program is for those 8 to 18 and is designed to teach safety, responsibility, and basic marksmanship. The program uses air rifles for training and provides an entry into the rifle and pistol disciplines.

The basic orientation course consists of ten hours of instruction, both classroom and shooting.

Instructors work with the participants through the course, teaching the basics and offering help and advice as the participant progresses. There is no set "score" to pass the orientation course. Safety is the primary focus, along with basic marksmanship skills. There is no cost for the orientation program: MCRC provides the rifles, ammunition, eye and ear protection, targets, and training materials.

CIVILIAN MARKSMANSHIP PROGRAM: This position needs to be filled.

For a full report, please check out the Legislative section of the website. New information is posted frequently.

There is nothing to report for August, since neither the federal nor state legislatures were in session this month, and there has been no legislative activity.

It is not anticipated that much, if any, further shooting sports and/or firearm-related legislative activity will occur at the federal level between now and November, since it is expected that members of Congress, particularly in the House of Representatives, will be spending the upcoming months concentrating on campaigning for the mid-term elections. We will continue to monitor, and promptly inform the membership of any news.
