PRESIDENT'S REPORT: Roy Mullis, roym788@gmail.com, 803-360-1490

Roy Mullis reported.

Gate: Two companies are working up proposals on replacing the gate controller. I hope to have something started by December.

We will start transitioning the membership out to the range. Renewals can still be mailed to the PO Box at this time or can be mailed to or dropped off at the range. If someone is pressed for time, they can call me and we can do the renewal over the phone. All I need is to make sure all information is current.

We did go to the gun show Saturday and Sunday. Although there was not a big crowd, we did have two new members sign up and about 6 more take applications. We'll see if any do contact me. I'm considering going to the next show in December. I just have not made a positive decision. I have trouble getting help. Chuck Schenck and I were there Sunday and Larry Dodson, Dave Messmer, and I were there Saturday. I could really use a couple more. Anybody able to help me, please let me know. It gives the others time to walk around and not have to stand in one place all day and you get in free.

VICE PRESIDENT'S REPORT: Linda Chico, lchico@sc.rr.com, 803-629-7095.
Linda Chico reported.

Thank you very much to all the club members who devoted their time as volunteers to help with setup at the USPSA Thompson-Daugherty Toys for Tots match and to help during the match in exchange for dues credit. If there are any other disciplines collecting toys, let Linda Chico know so that she can arrange to pick them up and deliver to the Marines.

Please remember to contact me by phone, email or text message if you have questions about your membership (renewals, credits, forms needed, etc). If you cannot get the renewal to print, contact me. And Roy always has hard copies available at the range. We both bring extra copies to the meeting. If you are in the group of members who need to renew in November and December, please renew ASAP. Because of the holidays, waiting until the very last week of the month to renew may delay getting your new card.

REMEMBER * * Renewals should be sent in 60 days via postal mail before your membership expires and prior to the meeting to allow all of the information to be processed. You will know you have successfully completed renewal once you get a new membership card. Please do not call or email Patten asking about the status of your renewal if you only sent it a week or two earlier. If you are using an Apple mobile device to complete a renewal form, you may need to install an Adobe Forms App (available free in the App Store).

SECRETARY'S REPORT: Rhonda Metz, secretary@midcarolinarifleclub.com, 803-315-5576.
Rhonda Metz reported.

If there are any changes or corrections to the newsletter, please bring them to Rhonda's attention. The sign in sheets by the door are for everyone in attendance. This does include those wanting to join the club tonight. PLEASE print your name so that I can read it. Thank you!

TREASURER'S REPORT: Patten Watson, duck.tail@yahoo.com, 803-463-6533.
No report.

Renewals are not processed overnight. The process of going into 4 club programs and the mailing just takes time. It is done in batches to avoid errors and to be less time consuming. When renewals are received, the gate program is opened and your renewal in that program is processed. Then deposits are taken to the bank. We ask that renewals be sent in early. The start of the month when the membership expires would be timely.

When your actual time comes up for renewal, the renewals received and previously processed through the gate program are processed in the membership program and the gate card program. The renewed card is not sent out until about the time of your expiration of the current card.

All this allows time for the checks to process and bad checks to drop out. Things do happen and we have an un-ordinarily low number of bad checks. And those we receive are always cleared up almost immediately.

DO NOT SEND CASH for renewals unless hand delivered to a meeting or to Roy at the range or to me personally. A stack of \$20s is suspicious and someone else may decide they need it. PLEASE DO NOT SEND CERTIFIED MAIL TO BE SIGNED FOR. That is usually an hour wait at the Post Office.

Patten is a CPA in SC. If you would like to have more information regarding our finances, please contact him (after the latest IRS deadline if possible).

COWBOY ACTION SHOOTING - Palmetto Posse: Charles Fortner effortner@yahoo.com 803-622-2537.

Charles Fortner reported.

The Palmetto Posse held our monthly match on Saturday, November 5th. Due to our match falling on the same weekend as the NC state championship, we only had 8 shooters come out. We had 3 clean shooters: Bullshead Bill, Doc Kemm, and Stone Ground. Top 3 shooters were: #3 Stone Ground, #2 Bullshead Bill, and #1 Smokey Bandit.

Next match is December 3rd. If you've never watched a cowboy action match, this is the one to see. It's purely for the fun of it and there will be crazy and challenging stages.

The Palmetto Posse is a Cowboy Action club that shoots every first Saturday in the Jeff Cooper bays matches start with a safety meeting at 9:30 am. Then we'll start shooting around 10:00 am. And finish around 1:30 pm. After the match we head to Murray's for lunch.

SMALLBORE PRONE RIFLE Richard Byers, mcrsmallbore@gmail.com, 803-240-9678.

Richard Byers reported.

We had 7 competitors today; 4 sling, 3 F-Class, Josh showed his stuff today by firing a 1200 80X to win the sling class. Rick Brownyard won F-Class with 1183 70X.

Linda Chico read the report.

This past weekend USPSA shooters hosted the annual Thompson-Daugherty Toys for Tots Charity match. It is named the Thompson-Daugherty Memorial match in honor of two MCRC members who were Marine Corp vets & who supported this charity event for years. First, a huge thanks to MCRC volunteers who helped with setup for the Toys for Tots match and to helped during the match in exchange for dues credit. We especially want to thank those working several days: Nelson Thompson, Glenn Eagle, Wayne Corley, Chris Payeur, Aaron Banks, Derrick Katharine Presty and Steve Tuel.

We had 107 shooters at the Match. We had plenty of rain on the setup days, but clear weather on the shooting days: A perfect day for shooting. Jason Karsedt from Columbia was the top shooter in Open Division. Dewey Hutson from Augusta GA was the winner in Limited Division. Ike Starnes from Cornelius NC was the top shooter in PCC Division. Jason Karsedt shot a second day and was also the high shooter in Single Stack Division. Donovan Stettner from Easley SC was the top shooter in Carry Optics Division.

IDPDA competitors provided beverage and food sales during the event to raise money for a specialized steel target they plan to buy & donated excess money raised to Toys for Tots.

We donated a van full of toys and \$3521 to the Marine Corp to cheer up Christmas for children in the Midlands. We will continue to collect Toys and cash or checks until the December meeting.

USPSA is hosting a class to train USPSA Range Safety Officers this upcoming weekend. It is one of the largest classes we have ever had of this type with 35 attendees. The course is all day classroom training in the junior building on Saturday & a half day of live fire training on the range Sunday. A huge thank you to the Savannah River Rangers for allowing us to use a few of the pistol bays during their match.

The usual USPSA - IPSC matches are held the second Saturday of each month. We are using online registration which starts the Monday prior to the match. Contact Linda Chico at LChico@sc.rr.com to add your name to the notification list. We are currently using Winter hours (starting at 10:00AM). Sign in at the range starts at 9:30 am. Shooting starts at 10:00 am. Juniors are free. New shooters are half price (\$11). Set-up for the match is on the preceding day on Friday afternoon. If you are interested in coming out and trying a shooting sport that involves running and gunning, you can start with very nearly any centerfire pistol if you have enough magazines for it.

NRA HIGH POWER RIFLE: Scott Johnson, scottjohnson641@gmail.com.
Scott Johnson reported.

Last match was held on November 13. We had 9 shooters with cool and clear weather. Match winner was Tom McManus.

NATIONAL CONGRESS OF OLD WEST SHOOTISTS (NCOWS): Henry Schlein, henryschlein@yahoo.com, 843-821-9999 or Richard Boyd, Assistant Match Director, okbuckshot@comporium.net, 405-206-3314.– SC_OldWestShootists@yahoo.com
Henry Schlein reported.

By virtue of this month having 5 Saturdays, the South Carolina Old West Shootists (SCOWS) was able to hold one of occasional "5th Saturday" matches on October 29, 2022, in the Cooper Pistol Bays at the Mid-Carolina Rifle Club. Given the timing of the scheduled match, which aligned closely with Oct. 26th date on which in 1881, a famous Old West gunfight occurred, this match was designated as our Gunfight at the O.K. Corral Anniversary Match and consisted of 4 main stages based on events that occurred in Tombstone, Arizona Territory area involving the Earp brothers and their friends, and the rival group known as the Cowboys. There was also a bonus stage which challenged shooters' quick-shooting accuracy with their pistols on a set of widely spaced knock-down targets.

Nine (9) people showed up to participate in our western action style match, including 2 juniors. However, 2 of the shooters, the father-daughter duo of Hollywood and Baja Kid, who is 8 years old) decided that the Project Appleseed event, which was taking part in another section of the Mid-Carolina Rifle Club, would provide a fuller opportunity for Baja Kid to work on developing her shooting skills, and, as proud Papa Hollywood displayed the "all bulls-eyes" results of Baja Kid's target sheets, everyone was impressed.

For the first time in a long time, more than 2 categories had multiple participants, and the friendly competition between cowboys made for some exciting and close results. In the 3-gun Lawman category (1 Rifle, 1 Shotgun, 1 Pistol), Moonshine just barely beat Youghioghenny Kid, by less than 2.6 seconds overall, to win the category, and in the 2-gun Deputy Sheriff category (2 Pistols), J.P. Hara took the top spot over Big Iron.

There was one clean shooter for the match -- congrats (once again) to Sgt. Henry. Here are the **match results**, by category:

Lawman

Moonshine, 1st Place - 165.56
Youghioghenny Kid, 2nd Place - 168.13
Sgt. R. Henry, 3rd Place - 218.65

Junior 4 Gun Smokeless Shootist (Rifle, 2 pistols, and a shotgun, age less than 18)

California, 1st Place - 458.73

4 Gun Smokeless Double Duelist (Outlaw) (Rifle, 2 pistols, and shotgun shooting gunfighter style, all shot from hip)

Doc WHO, 1st Place - 489.72

Deputy Sheriff

J.P. Hara, 1st Place - 189.31
Big Iron, 2nd Place - 319.33

Congratulations to all, and thanks to everyone for a great match.

REMINDERS AND ANNOUNCEMENTS:

Final Reminder: The last day to vote for SCOWS officers is Monday, October 31, 2022. So please remember to vote before Tuesday. Unlike the NCOWS national elections, you CAN vote by e-mail, to this address: SC_OldWestShootists@yahoo.com. So, if so inclined, please get your vote(s) in for Posse Marshal, Deputy Marshal, Secretary, Banker, and Territorial Representative ASAP.

The **next SCOWS event** will be the **2022 American Frontier & Wild West Days Festival** (*aka Wild West Fest*), which will be held at the **Battle of Aiken Park, 1210 Powell Pond Road, Aiken, SC** on **November 5 & 6, 2022**. The South Carolina Old West Shootists will have a presentation table for both days of the event, and it is highly likely that more than a few members of our posse will be

participating in the hourly shoot-out reenactments and may be making a presentation on the main stage on Saturday. Hope y'all can make it out for all of the fun and history.

UPDATE: We participated in the American Frontier and Wild West Days Festival (aka Wild West Fest) event in Aiken, S.C. on Nov. 5th and 6th, where we set up a display table and participated in several of the shoot-out reenactments over the course of the weekend, including a reenactment of the Gunfight at the OK Corral. Members of our posse were asked to give the event firearms safety briefing and help with firearms checks. The event followed the NCOWS Safety Guidelines for Reenactments. During the course of the event, we talked to dozens of people about our monthly matches held at MCRC, we signed up 2 new NCOWS members, and had a former member re-join NCOWS. It was an enjoyable and productive weekend.

There will be **no SCOWS monthly match** for **November**. The Cooper Pistol Bays will be in use for the Annual Thompson-Daugherty Toys for Tots Charity match. The **next scheduled SCOWS match** will be on **Sunday, December 11, 2022**. Hope to see y'all there. Be safe, everyone.

[The foregoing summary was prepared by *Youghioghney Kid*, SCOWS Posse Secretary]

Our matches are normally held on the second Sunday of each month (except November) and on the 5th Saturday of such months in which they occur. Match fees are \$15.00, \$10.00 for accompanying family members, no charge for age 12 and under. Please come and check us out; or better yet, come join in the fun. We are a very friendly, family friendly group. New shooters and beginners are welcome. Coffee, donuts, sweet rolls, bottled water and Gatorade are provided at most matches.

The National Congress of Old West Shootists (NCOWS) was founded in 1994 to promote safe Western Action Shooting including the re-enactment and promotion of the historical Old West heritage of the United States during the period 1865 to 1899. NCOWS members enjoy Western Action Shoots which are timed shooting matches in which shooters compete in a series of different shooting scenarios, called stages. Participants are attired in period correct, Old West style clothing and use firearms typical of the guns used in the Old West.

The South Carolina Old West Shootists is a charter posse (club) of NCOWS and the Mid-Carolina Rifle Club. NCOWS is comprised of many such posses throughout the United States, which hold their own matches and events using NCOWS guidelines. There are also periodic, national and regional matches and events. Safety is emphasized during all NCOWS events, both on and off the range. Loading, shooting, and unloading of guns, is closely structured in accordance with NCOWS and local safety rules. Typically, only one participant at a time will shoot during a match. Juniors and new shooters may be coached or supervised by a guardian or other experienced member, as the case may be.

NCOWS uses rules similar to SASS Cowboy matches, although NCOWS pays greater attention to historical accuracy concerning our guns, clothing and equipment, and more emphasis is placed on marksmanship. New participants are given generous allowances of leniency with the former, since it may take a long time to acquire the proper guns, clothing and accoutrements. Gun carts are optional, rifle racks are provided. We shoot in 2, 3 and 4-gun classes. Generally, any pre-1900 pistol, rifle in pistol caliber, and/or shotgun may be used, either originals in serviceable condition or reproductions. We shoot smokeless and black powder categories. There is no overall winner in NCOWS matches; each

category is judged independently. **Prospective members are advised to not go out and buy any cowboy guns or accoutrements without first coming to a match and meeting with more experienced members, in order to avoid spending good money on things that may not be NCOWS-legal.**

For further information, please contact Henry Schlein, Match Director (aka, *Sgt. Rick Henry*) (843) 821-9999, email henryschlein@yahoo.com, or Richard Boyd, Jr., (aka, *MoonShine*) Asst. Match Director, okbuckshot@comporium.net, (405) 206-3314. See also, www.ncows.org.

PRECISION PISTOL: Mike Carr, afvet53@netzero.net, 803-408-0024.

Roy Mullis read the report

We had 6 shooters, good crowd and good shooting, scores ranged from 2350-39x to 2592-83x and one shooter just shooting the .22 stage. We only had to cancel one match this season but we are picking up. This Saturday the 19th is our last match for the season and we will go all out with food and prizes. Temperatures will be a little cool but great shooting weather.

STEEL CHALLENGE: Dennis Coggins, damocles1234@hotmail.com, 803-732-0663, Julie Holling, jwholling@bellsouth.net, 803-755-7397, or Lewis Hoover, nomad_777@netzero.net, 803-568-2976.

No report.

Official Steel Challenge stages consists of 4-5 runs on 5 pieces of steel at set distances. Misses may be made up as long as it is done before hitting the "stop" plate, indicated by a red post. The longest string is tossed out and the remaining times are added together to get your stage time. Stage times are added together to get your match time. Occasionally, we run one unofficial stage during matches. Additional general information and stage diagrams may be found at <https://scsa.org/>. Contact Dennis, Julie or Lewis if you have questions about our match.

METALLIC RIFLE SILHOUETTE: Mical Bowling mical@blackwolfconsulting.com (803-546-4742)

Roy Mullis read the report.

The monthly smallbore rifle silhouette match was held on Saturday the 15th of October. Scott Lurie down from North Carolina won the standard match by a shoot off with Mical. While Mical won the hunter match with a very good score.

In November there will be a turkey shoot following the regular match.

This discipline consists of shooting offhand at steel chickens, pigs, turkeys and rams at 40, 60, 77 and 100 yards respectively. If you would like to try it, we permit the use of any 22 LR rifle but require the use of standard velocity 22LR ammunition so as to limit any damage to the targets.

Because of the non contact nature of this sport we expect no interruptions in our match schedule. However participants should wear loose fitting gloves for handling of targets, spray cans, and rails.

On the third Saturday of each month, the smallbore rifle silhouette match begins promptly at **11:00 am**. Set up starts around **9am** with sight in and practice after set up is complete. The smallbore hunting rifle match usually begins around **12:30** after a short lunch break.

COWBOY ACTION SHOOTING - Savannah River Rangers: Joe Metz, jrmetz45@gmail.com, 803-960-3907 and Matthew Haulbrooks
Rhonda Metz read the report.

Last match was October 16th. Weather was sunny and warm. 13 shooters came out. Top five were: 5th – Solomon Vaquero, 4th – Smokin K Hook, 3rd – Whiskey Mac, 2nd – Kid Ray, 1st – Lighthorse Pete. We had 2 clean shooters. Next match is November 20th. Registration begins at 8:30, Shooters Meeting at 9:30, shoot shortly after – we would love to have you come out and see what Cowboy Action is all about!

In Cowboy Action we shoot steel targets of various shapes, sizes and distances, it does not matter where on the target the bullet hits, it is ruled either a hit or miss. A miss adds 5 seconds to the shooters time, obviously we want to hit them "All" as quickly as possible! We typically shoot 6 stages with each stage having a different scenario consisting of differing number of targets, differing target arrangement, differing shooting locations and differing gun order. We shoot 4 guns on each stage, 2 revolvers, 1 lever action rifle and 1 shotgun. Usually 5 rounds from each revolver, 10 rounds from the rifle and 4 rounds from the shotgun for 24 rounds per stage for a total of 144 rounds per match. When we give the monthly report and list the number of clean shooters we had, that means each clean shooter shot all 144 rounds and hit each target in the correct order.

If you work with a youth organization and are interested in having them participate in a shooting education program, please contact me.

The Juniors program is for those 8 to 18 and is designed to teach safety, responsibility, and basic marksmanship. The program uses air rifles for training and provides an entry into the rifle and pistol disciplines.

The basic orientation course consists of ten hours of instruction, both classroom and shooting. Instructors work with the participants through the course, teaching the basics and offering help and advice as the participant progresses. There is no set "score" to pass the orientation course. Safety is the primary focus, along with basic marksmanship skills. There is no cost for the orientation program: MCRC provides the rifles, ammunition, eye and ear protection, targets, and training materials.
